

Astor Piazzolla Libertango Score

Mike Jess

Four-Handed Monsters Adrian Daub, 2014-05-01 In the course of the nineteenth century, four-hand piano playing emerged across Europe as a popular pastime of the well-heeled classes and of those looking to join them. Nary a canonic work of classical music that was not set for piano duo, nary a house that could afford not to invest in them. Duets echoed from the student bedsit to Buckingham Palace, resounded in schools and in hundreds of thousands of bourgeois parlors. Like no other musical phenomenon, it could cross national, social, and economic boundaries, bringing together poor students with the daughters of the bourgeoisie, crowned heads with penniless virtuosi, and the nineteenth century often regarded it with extreme suspicion for that very reason. Four-hand piano playing was often understood as a socially acceptable way of flirting, a flurry of hands that made touching, often of men and women, not just acceptable but necessary. But it also became something far more serious than that, a central institution of the home, mediating between inside and outside, family and society, labor and leisure, nature and nurture. And writers, composers, musicians, philosophers, journalists, pamphleteers and painters took note: in the art, literature, and philosophy of the age, four-hand playing emerged as a common motif, something that allowed them to interrogate the very nature of the self, the family, the community and the state. In the four hands rushing up and down the same keyboard the nineteenth century espied, or thought to espy, an astonishing array of things. Four-Handed Monsters tells not only the story of that practice, but also the story of the astonishing array of things the nineteenth century read into it.

Gramophone Classical Good CD Guide 2001 Gramophone, 2000 Due to be published in September 2000, this essential guide contains reviews by the world's leading writers on classical music. Tango Mike Gonzalez, Marianella Yanes, 2013-07-15 Born on the unlit streets of Buenos Aires, tango was inspired by the music of European immigrants who crossed the ocean to Argentina, lured by the promise of a better life. It found its home in the city's marginal districts, where it was embraced and shaped by young men who told stories of prostitutes, petty thieves, and disappointed lovers through its music and movements. Chronicling the stories told through tango's lyrics, Mike Gonzalez and Marianella Yanes reveal in *Tango* how the dance went from slumming it in the brothels and cabarets of lower-class

Buenos Aires to the ballrooms of Paris, London, Berlin, and beyond. Tracing the evolution of tango, Gonzalez and Yanes set its music, key figures, and the dance itself in their place and time. They describe how it was not until Paris went crazy for tango just before World War I that it became acceptable for middle-class Argentineans to perform the seductive dance, and they explore the renewed enthusiasm with which each new generation has come to it. Telling the sexy, enthralling story of this stylish and dramatic dance, *Tango* is a book for casual fans and ballroom aficionados alike.

Theatre World 2008-2009 Ben Hodges, 2009-11-01 Scenes from the plays and portraits of leading actors accompany a statistical record of the current season

Schwann opus ,1998

The Top Books of the Year Astor Piazzolla *Libertango* Score The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to

please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
