**Redemptive-Historical Hermeneutics and Homiletics** Yung Hoon Hyun, 2015-04-14 This book focuses on redemptive historical hermeneutics and homiletics within New Testament theology. This is a valuable legacy of the Reformed tradition, despite differences in interpreting and preaching Bible texts that surfaced in Holland (1920s and 1930s) and the United States (1970s onwards) before influencing Korean Reformed churches. The background, origin, distinctiveness, and development of these theological debates is explored and evaluated before the features of redemptive history in Korea are identified. The influence of Western redemptive-historical scholars on the Korean debate are also analyzed. Here is a major and contemporary contribution to reformed-historical hermeneutics and homiletics that is relevant for Korean Reformed churches, but also for all Reformed churches worldwide.
