E. W. Kenyon, Don Gossett

By His Stripes We Are Healed Cheryl Forrest, 2010-10 By His Stripes We Are Healed God loves us and He wants us healthy, not sick. He has given me a mandate to reach the world with the message that God is still healing, and delivering people today. God can turn your negative report around; He did it for me, by healing me twice from cancer, and He wants to do it for you. God has blessed me to tell my testimony and pray for many people that were deaf, lame, had M.S., cancer, growths, injuries, back problems and much more, that are now healed. To God be the Glory! Our Church, New Creation Ministries, located in Cobbs Creek, Virginia, has also seen God move miraculously over the years through Healing and Deliverance. There is nothing too hard for God. Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed. Isaiah 53:4-5 Cheryl Forrest is the Co-pastor of New Creation Ministries, along with her husband Apostle Steven and is an ordained Prophet. They have four sons, Willie, Anthony, Michael and Steven, Jr., and a beautiful granddaughter Chloe. She's also a spiritual mother, to many wonderful anointed men and women of God.

With His Stripes We Are Healed Larry Holt, 2016-01-23 This book was written to give people hope through the word of God pertaining to health and healing. I myself was healed from asthma which I had from childhood. Through the word of God confessing scripture and believing what the word of God says my healing was manifested. Jesus took 39 stripes on his back for our healing and by his stripes we are healed. Acts 10:38 How God anointed Jesus of Nazareth with the Holy Ghost and with power, who went about doing good, and healing all that were oppressed of the devil; for God was with him. Those who read this book stay on your medication until your doctor gives you the all clear. Jesus wants you to be healed spirit, soul, and body.

In the eighteenth volume of these series of sermons: these charismatic and inspiring sermons are enough to encourage, convict and inspire anyone who seeks a closer and more intimate relationship with God.

Discover Your Divine Purpose Margaret Mutandwa, 2017-09-22 A divine pathway recoups the neglected youths

suffering from broken hearts, the victimized parents, and all those who are vulnerable to abuse despite their age. Ironically, without judging, everybody is biblically guiltless. Regrettably, conspiracy and disorderly pressure from community is tarnishing lives of the young generation. Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends. The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet. Teenage pregnancy, drugs, magazines and bullying the innocent is the devils work because teenagers of today are the witnesses of coming of Christ. Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24/7. Some single parents blame their status because of the behaviour of their children. Some couples are also failing to control their teenage children. As a result, the Victorian times of high opinion of elders is now regarded as a thing of the ancient. Parents are neglecting their children because of parenting ineffectiveness and at times out of fear. Presumably, lacking of common ground with teenage children is a grey area impediment. As a parent, I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow. Truthfully, only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ-like. The same Spirit moulds parents to be real models to youths. Every day is a learning curve. No one is perfect and learning does not end. Parents should not blame themselves or the children for bad behaviour though there is always a cause. They should leave no stone unturned and find the root cause first.

Self Care Through Prayer and Forgiveness Dr. Helen Orme, 2011-03-29 Forgiveness is a channel God has made for the flow of fresh water. The scripture state: . . . out of your belly shall flow rivers of living waters (John 7:38 [KJV]). Rivers of life, rivers of fresh ideas and rivers of fresh creative energy spring from the belly to refresh the heart, mind, and soul, bringing greater reasons and passion to love and give again. This depth of self-care stimulates you to the core with a new surge of the Holy Spirit and creates a divine release of laughter, joy, and peace. This invigorating state of being is nurtured by the Holy Spirit. Prayer is one of the vehicles God uses to talk to you. Forgiveness is one of His commandments. We routinely use both of these disciplines to nurture and minister to others. It's vital to use them when caring for yourself, too. Those who do, experience spiritual depth and wholeness because they are renewed in their spirit every day and abide in a fresh place. The act of letting go is another action you can take toward self-care. It is essential to self-care to release, and to let go. You can't receive anything when you're full of caring and attending to others, full of unsettled concerns, emotions, or thoughts. Your ability to let go allows you to move to a place of wholeness. It creates the space you need to receive more. It is impossible to pour more into a full cup. By letting go of past experiences you create room for something new to emerge. Behold, the former things are come to pass, and new things do I declare: before they spring forth I tell you of them (Isa. 42:9 [KJV]).

Mastering Stress, Maximizing Success Dr. L.L. Gill LPC, 2016-04-20 Yes, stress is a curse, as well as, a blessing, in that it occurs in malignant, as well as, benign forms. Stress can be both constructive and destructive, in that it may open the

doors of possibility, while shutting the doors of others. It is the negative side of stress that creates the overall problem for us as living beings. Stress has been known to be devastating and problematic to us. It creates difficulties for us when it does not let up; and when it is triggered by ordinary, everyday events. We are currently living in a psychologically, hyped up, exhausted, and stressed out society; whereby, we are experiencing nervous breakdowns, burnout, stress-related illnesses; and ultimately death. What am I prepared to do about this stress that I am experiencing? Fortunately, there are more constructive ways of handling stress. This book is not intended to be a do-it-yourself guide to mental and emotional health, although it may provide information and insights that will direct ways toward self-improvement. This book is designed to help both individuals and organizations.

War On Sickness Brenda Kunneman, 2023-10-16 Are you ready to get your healing back? Then let's dive into the Word of God, because the fact is that we stand on one incredible truth that precedes all others: it is God's will for us to be healed. **War On Sickness** will show you the message God has given for His people-for you-because He always wants to heal you! The war against sickness isn't over; no, despite all the things the enemy has tried to do, overwhelming victory is ours through Christ. So if you are hungry for divine healing, get ready to shout, because God is empowering the Church to take the war on sickness to the devil-and he'd better look out, because the gates of hell cannot stand before us! It is time for the Church to rise up, seize the promises God has given to us, and fight back with the Brenda Kunneman spiritual weapons of our warfare against the tide of fear and disease under which the enemy desires to crush us. We, as a body, have gotten weak about divine healing, including the charismatic Church. You can tell by the way you hear people talking about and glorifying negative things-the conditions, the aches and pains, the diseases. The way we have been using our words has been diminishing our covenant right, a promise God has given His people, to be healed.
