Casebook on Contract Law Jill Poole, 2016 'Casebook on Contract Law' provides students with a comprehensive selection of the cases most likely to be encountered on contract law courses and is specifically designed to meet their needs.

Card and James' Business Law Lee Roach, 2014 Card & James' Business Law is the most detailed and analytical account of business law for those new to the subject. It provides commanding analysis of the English legal system, contract law, tort law, and commercial law together with coverage of company law, and the relevant aspects of employment law. All of this is discussed using relevant examples from the business environment, and the key legal cases to help develop a greater understanding of the interconnections between the law and corporate setting. The new learning features which have been incorporated throughout make a difficult subject more accessible and support study; key case, example, and discussion boxes demonstrate the application of law and highlight core principles, whilst self-test questions allow students to assess their progress. Online Resource Centre The accompanying Online Resource Centre provides a wealth of resources for students to further develop their understanding and test their knowledge, including additional practice questions with answers, a flashcard glossary of key legal terms and quarterly audio updates. Also included is a testbank of MCQs for lecturer use.

Text, Cases and Materials on Contract Law Richard Stone, James Devenney, 2022-07-01 Written by leading authors in the field, this clear and highly accessible volume provides full coverage of the topics commonly found in the contract law syllabus, alongside up-to-date illustrative case examples and stimulating commentary. Composed of approximately one-quarter authors' commentaries and three-quarters cases and materials, including academics' articles and extracts from books and Law Commission papers, this book takes account of a variety of theoretical perspectives, including economic, relational and empirical conceptions of the law. This book facilitates the development of personal study skills and encourages readers to engage with the leading academic commentaries in the area. Features to support your learning include: chapter introductions to highlight the salient features under discussion and signpost topics to guide readers through this comprehensive text; additional reading listed at the end of each chapter to assist further study and independent research; clear and attractive text design that differentiates between the authors' commentaries and the materials; a companion website that provides skills materials and self-assessment tasks to help further your learning. The range of material covered, straightforward style and targeted updates to this fifth edition make Text, Cases and Materials on Contract Law a

comprehensive and invaluable resource for all undergraduate and postgraduate students of contract law.

Essential Contract Law for SQE1 Fred Motson, Stephen Bunbury, 2025-04-02 Essential Contract Law for SQE1 explains the key principles of contract law in a clear, concise, and easy-to-understand style. Written specifically for SQE study, this book covers all of the topics contained in the syllabus for the contract law subject area in SQE1 Functioning Legal Knowledge (FLK) assessments. The book provides a clear and structured approach with opportunities to apply the relevant principles to contract law. It also includes a range of features designed to help you test and confirm your knowledge of contractual legal principles, including: Revision points: Each chapter concludes with a concise list of key revision points Multiple choice questions: Each section of the book provides multiple choice questions following the SQE1 question format (with answers to enable you to test your knowledge) Part of Routledge's Essential Law for SQE1 series, this concise and accessible text provides a clear understanding of the key contractual principles and the core rules that underpin contract law and will enable you to test your assessment skills. Without the assumption of any prior knowledge of contract law, it is suitable for both undergraduates and non-law graduates.

California Law Review, 1914

Corpus Juris William Mack, William Benjamin Hale, 1917

Contract Law Neil Andrews, 2011-05-26 This textbook takes a fresh approach to contract law; as a first edition it reflects the subject in the 21st century more accurately than other texts. Comprehensive and scholarly, it maps the curriculum perfectly but detailed references and further reading sections encourage students to explore the subject further. Understanding is paramount and chapter introductions clearly guide students through the material. The textbook takes an innovative approach to case law: breaking down and discussing individual elements of a case and selecting short key extracts it gives students the tools to read cases independently and with confidence. An examination of the historical and theoretical foundations of the subject and a concluding chapter tracking emerging fields ensure the broadest possible perspective. Discussion of key recent cases such as *Durham Tess Valley Airport* (2010) and *Chartbrook* (2009) make this important new text a must for contract law students.
