The African Misfit Benjamin Nengwani, 2020-11-16 In life there many paths one can take but the most meaningful path, is the one you pave for yourself. However, it is also the most difficult path to take. But life is already hard, so why not live it on your own terms? This book is about an Alpha child, who is too foolish to allow life to take control of him. He refuses to be controlled by his circumstances. And therefore, he defies all logic by always pressing forward when there is no hope. In this book you will learn that there is no such thing as a “challenge free life”. Life is hard and it will never be easy, so you have to toughen up. But most importantly, you have to live. And to live is to do the liveliest thing and that is to be yourself at all times. So, release yourself to the world and leave nothing behind because you only have one chance at this life. This is a tale of an Alpha child and it is based on a true story. ABOUT THE AUTHOR Benjamin Nengwani is an author, speaker, market disruptor and a versatile coach.

The Reluctant Pilgrim, Vol. I: Ashes and Ascent Trance Blackman, 2025-01-10 What if life's greatest lessons don't unfold in a straight line, but instead come as fragments of a mosaic — beautiful, chaotic, and full of meaning? The Reluctant Pilgrim, Vol. I: Ashes and Ascent - Notes on Living Authentically and Fostering Inner Wisdom, is a unique collection of poetry and reflective essays exploring transformation, healing, and the awakening to deeper truths. Presented in the order they were written, these writings embrace life's non-linear journey, where seemingly random moments reveal hidden purpose and profound insights. Within these pages, you'll find reflections on: Inner Work and Emotional Healing: Embracing vulnerability, self-awareness, and authenticity. Personal Growth and Transformation: Navigating choice, perception, and self-discovery. Philosophical Reflections: Exploring dualities, societal constructs, and human potential. Creativity and Artistry: Pursuing passions and finding one's voice. Spiritual Insights: Energy, interconnectedness, and awakening to a deeper truth. Each piece offers a quiet challenge to look inward, find meaning in life's uncertainties, and rise through resistance into clarity and truth. Whether you're seeking inspiration, exploring mindfulness, or uncovering your authentic self, The Reluctant Pilgrim, Vol. I: Ashes and Ascent is an invitation to reflect, grow, and rediscover your light. Insights of a Poet's Soul... Jessica Michelle, 2022-04-22 Insights of a Poet's Soul... Views and Thoughts... The Way I See It By: Jessica Michelle Insights of a Poet's Soul... is a collection of poems, thoughts, and views on life. It's an affair of Jessica Michelle's heart and mind. No one is the same, but we've all been through or heard of someone going through hardships. Everyone is entitled to how they deal with misfortune...she chooses to deal with them in written form. You may not have been through exactly what she has, but by reading her work you will understand that you are not alone. Jessica's life is an open book, and her life is wrapped up in these pages.

The Irresistible Rise of Mediocre Man: The War On Excellence Joe Dixon, 2018-07-31 Imagine a world without quality. That world is coming. Quality is being assassinated by mediocrity. We are told that a rising tide lifts all boats. A rising tide of mediocrity makes everything mediocre and drowns everything of quality. You can't find any quality because it is surrounded by so much mediocrity. Nietzsche said, The higher we soar the smaller we seem to those who cannot fly. Mediocre people cannot recognize quality. For them, it's tiny, very far away, and irrelevant to their lives. Vicki Corona wrote, Remember that life is not measured by the number of breaths we take, but by the moments that take our breath away! In the land of mediocrity, life is measured more and more by the former and features none of the latter. We live in a muzak world, a world of sanitized, sterilized elevator music, designed to be as innocuous as possible, forming a uniform background, a background of absolute, mind-wiping mediocrity. The whole world is becoming like that. What will you do about it?

The Traveler's Book of Inspirations Barbara Muhammad, 2012-07 Cliche', a trite expression or idea. The Traveler's Book of Inspirations is the Author's ingenuity and a compilation of personal and others' metaphors, expressions of thought, values and beliefs. The idea to write the book came forth, from the Author's extensive dialoging in conversation over various topics, during her life's travel. She discovered that many of the same cliches were expressed in diverse places, from north to south and east to west. Cliches were also a means of communication in her family home, growing up. Each of these warm, subtle cliches being shared are to provide a wide arena for thought and problem solving, as a conversation piece or just as a relaxing read. Like traditional foods and attire, dialects, religious practices; folklores, old wives tales, superstitions and cultural celebrations are passed down through generations, the same applies to cliches. But, for whatever reason you are reading this book, the Author is humbly grateful, and wishes you Devine blessings of peace and harmony.

Congressional Record United States. Congress, 1961

American Miler Paul Kiell, M.D., 2014-11-07 Glenn Cunningham set the world record for the mile in the 1930s. But as a boy, he had been terribly burned in a schoolhouse fire, a fire that took the life of his older brother Floyd. And that is when Glenn's life quest began. He was bed-ridden for months. The doctors thought he might never walk again. But he recovered, slowly, agonizingly, with fierce determination—and within a year was both walking and running. Huge burn scars covered his legs. In high school, he was a champion athlete, and set a world high school record in the mile. He went on to be one of America's greatest runners, setting records and winning races with astonishing ease. His story, however, is now largely forgotten—but it is an inspiring and timeless one that bears telling in our modern age. Throughout the book there is a portrait of sportsmanship and decency rarely seen these days. And how Glenn Cunningham spent his life after track is just as inspiring as his accomplishments on the track. Paul Kiell has created a detailed, dramatic biography of this extraordinary American athlete. "American Miler inspires while capturing the power of the human spirit! Kiell's prose and accompanying period photographs vividly chronicle Cunningham's heroic determination in the face of physical challenge. A great American

story of forging strength from hardship.” —Trisha Meili, author, *I Am the Central Park Jogger: A Story of Hope and Possibility* “Dr. Kiell has written the definitive biography of a giant figure in American sport who became a vital influence in many young lives.” —Robert J. Corrigan, author, *Tracking Heroes: 13 Track & Field Champions* “Glenn Cunningham refused to let adversity keep him from his goals. His life is an inspiration to athletes in any sport, and to anyone with the will to succeed in the face of overwhelming odds. Thank you, Dr. Kiell, for sharing his story so beautifully.” —Richard Traum, Ph.D., Founder and CEO, Achilles Track Club “Dr. Kiell’s comprehensive portrayal of Glenn’s outstanding athletic career and personal life enables the reader to appreciate the exploits and character of this great American hero—Cunningham the athlete and Cunningham the man.” —Howard Schmertz, Millrose Games Meet Director Emeritus “American Miler has brought my teammate back to life: The race is on. I feel again the ache of muscle, the sear of lung, the sting of cinders as we stride. I hear, too, our cheering Jayhawks urging Glenn to yet another record; and I remember Cunningham as a friend, the noblest of the best.” —Paul Borel, former classmate and teammate of Glenn Cunningham

View from the Top Aaron Walker, 2017-02-07 “Down to earth wisdom from a successful, creative entrepreneur” (New York Times–bestselling author Ken Abraham). Despite a childhood shadowed by financial disaster and a father who struggled with alcoholism, Aaron Walker has created opportunities where there appeared to be none—pushing through barriers and monumental hurdles to build a string of successful businesses. In this inspirational memoir, he reveals how he confronted bitterness, pushed through pride, and was granted grace for a horrifying pedestrian fatality. *View from the Top* recounts Aaron’s own powerful story—and shares techniques and strategies that will allow you to flourish regardless of your current circumstances. “There’s an old saying I love: ‘Pray like everything depends on God, but work like everything depends on you.’ That could also be a great summary statement for *View From The Top*. Aaron Walker is a man who trusts God while putting a lot of sweat equity into everything he does. That balance of faith and diligence is something we all could learn from.” —Dave Ramsey, New York Times–bestselling author of *The Total Money Makeover: A Proven Plan for Financial Fitness* “For anyone who prefers reality over ‘reality shows’ . . . Aaron Walker’s *View from the Top* is as real, honest, and believable as it gets.” —Ken Abraham, New York Times–bestselling author of *When Your Parent Becomes Your Child: A Journey of Faith Through My Mother’s Dementia*

That Reminds Me of a Story James E. Collins, 2023-11-14 I probably watch too much news, read too many newspapers, magazines, and blogs, and have too many conversations with people about politics. Often in my mind, I consider myself better than politicians. I may be better than some but not all of them. What I notice is that I make similar mistakes to those in

charge. Because of this, I'm willing to say I'm not perfect. And I have the experiences to prove it. Join me in a journey to tell people why I should not run for public office, nor should I receive any write-in votes in the next election. If you do opt for writing my name in on your ballot and are uncertain how, ask for assistance from the helpful people at your voting location and write in my full name, James E. Collins. You may not change an election, but maybe it will change your outlook, knowing that you can vote for whom you want to, not someone you are being told to vote for. As an afterthought, please don't tell me about ending a sentence with a preposition. I tend to do that.

The Bottom Line Bruce Andrew Jones, 2017-06-01 This book was written and intended for teens and young adults to help guide those who are uncertain in their choices and decisions—good and bad. The author intended to show some of the things that can happen if you choose the wrong one and the consequences that result from both in the hopes that you will make the right choices, because you may not survive the wrong ones. His intention is to show young people that there is hope no matter how bad it may seem. All you have to do is believe in God and pray the whole time and do the right thing to become successful. Always remember, when praying and doing the right thing, it may not come or happen when you want it to, but the Lord says, “I’m always on time.” And that is the bottom line. Good luck! The sky’s the limit. May God bless and guide you through your life’s challenges.
