My Return to the Walter Boys Ali Novak, 2025-04-15 The highly anticipated sequel to *My Life with the Walter Boys*, the internationally bestselling novel that inspired the Netflix series! Jackie Howard returns to the Walter ranch after a summer in New York. She needed space--and got it. But she doesn't know where things stand with her and Cole Walter after that goodbye kiss. Over the summer, she stopped texting him. She never stopped thinking about him. Still, with Cole living off in town to work at Tony's garage before he heads off to college, Jackie thinks it'll be easy to avoid him--only to find that when she sees him face to face at last, it's, well... impossible to resist him. Things are getting complicated: he's the boy she can't get off her mind, and the Walters have become the family she loves and needs. How can Jackie move forward when she's afraid of taking the next step?

My Life with the Walter Boys Ali Novak, 2014-03-01 From a fresh new voice on the contemporary YA scene, *My Life with the Walter Boys* centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades--the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak car accident. Surprise #2: Jackie has to move cross-country to live with the Walters--her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy--loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring--no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect? Ali Novak wrote *My Life with the Walter Boys* when she was just 15 years old. First a hit on the online community Wattpad, this debut novel has already been read over 33 million times and is loved by readers around the world.

Making Sense of the Men in Your Life Kevin Leman, 2001-04-10 What really goes on in a man's mind? How does he perceive the world, and how does that perception differ from a woman's view of reality? And how can knowing what a

husband, son, father, or male colleague is really like help a woman succeed in her relationships with the male half of the species? Dr. Kevin Leman gives women an up-close and personal look at how the other half thinks, feels, and behaves. Topics include: understanding the male sex drive, understanding the boy your husband once was (and in some ways still is), and what makes a husband fulfilled, working with the male ego, advice for single and divorced women, and building a stronger relationship with your father. Leman says, This is a hard-hitting book that finally tells it like it is. Half the women who read it probably won't believe it, but the half who take it to heart will have very grateful husbands who will return the love tenfold!
