The Tapping Solution for Manifesting Your Greatest Self Nick Ortner, 2019-02-19 The New York Times best-selling creator of the Tapping Solution offers a three-week program of practical self-inquiry and hands-on work designed to unlock your life's full potential. Have you ever had the feeling your life just isn't working? That no matter how much you push and direct, or sit back and let go, the square peg you're holding just won't fit into the round hole that is your life? What if, instead, the roadblocks went away? What if you could experience more ease and flow in your life, banish self-doubt, fear, and anxiety, and live your greatest life? Can you imagine what that would look like--and more important, what it would feel like? Now Tapping Solution creator and New York Times best-selling author Nick Ortner helps you not only imagine it but make it a reality. The Tapping Solution for Manifesting Your Greatest Self guides you through a 21-day process of self-discovery and self-development using the simple, proven practice called Tapping (also known as Emotional Freedom Techniques). Each of the 21 stages includes a Daily Challenge and a Tapping Meditation to help the changes you're making take root. And you can work through the program at your own pace--doing one stage every day, every three days, every week, or whatever you like--with exclusive e-mail reminders from Nick to support you throughout the process. Drawing on wisdom sources from Aristotle to Dr. Seuss, along with Nick's own deep well of insight and stories from his daily life, this book is terrific fun to read. It's also a powerful tool for transformation. We're going to work together to let your light shine brighter than ever before, Nick writes, to create the life experiences you most deserve and desire. Ready? Then let's get tapping!

On the Shoulders of Our Ancestors Jimmy McJamerson Ph.D.,2020-10-21 *On the Shoulders of Our Ancestors* is an individual effort to articulate that Africans and African-Americans are achievers, that our history is one of being contributors to society instead of destroyers, that playing the “dozens” or “snapping” is unacceptable in our communities. Our history is not one of killing each other, nor is it one of negativism, but rather it is one of strength, hope, achievement, excellence and creativity. *On the Shoulders of Our Ancestors* seeks to redirect our youth’s miseducation through reminders of African-American achievement in the form of studying history through the poetic form.

Motivation A Key to Success Dr Savita Mishra, 2017-07-26 One day when I was lazily sitting in my balcony, I saw a bird's nest in one corner of the balcony. I removed it and cleaned the balcony properly with the hope that the little bird would not dare to build its nest again. To my surprise, after few days, again I noticed the little bird, busy in collecting small pieces of straw, hay, dry leaves etc. for making her nest at the same place.

The Complete Idiot's Guide to Overcoming Procrastination, 2E Michelle Tullier, 2012-09-04 Everyone procrastinates from time to time. But when putting things off becomes a habit, it can be debilitating and have devastating effects. Clear, concise, and highly usable, *The Complete Idiot's Guide® to Overcoming Procrastination, Second Edition*, will help anyone who has a hard time getting things done - from the occasional procrastinator to the worst of the worst. This new edition is more streamlined and written to give readers strategies they can apply right away. Part 1 starts with key insights on why we procrastinate, how our surroundings (and our brains) affect our tendency to put things off, and how

simply changing our thinking can be key to changing our bad habits. Part 2 gets more into the nitty gritty of how we can begin to change our behaviors, and gives clear, simple steps so they can quickly banish the clutter, get organized, and get things done. Part 3 moves into more strategic thinking with specialized strategies for overcoming procrastination at work, in school, in relationships, and with everyday matters (even in a reader's digital life).

The Ordinary Leader Randy Grieser, 2017-01-17 An ordinary leader is someone who leads a small organization or team that is doing great things. They manage the majority of the world's workforce, but they don't lead large corporations or big government agencies. Ordinary leaders are rarely written about in books or quoted in magazines. They are, however, important. Maybe not globally, but in their own realm of influence, their leadership makes a difference. The term "ordinary" is also used to highlight the belief that no one ever arrives as a leader. In fact, if someone thinks of themselves as extraordinary, they will not be a very effective leader. Author Randy Grieser presents 10 key insights for building and leading a thriving organization. These are the principles he identifies as instrumental to success as a leader. Writing for leaders everywhere, he inspires, motivates, and explains how to make each insight a reality in your organization. Become a more passionate, productive, and visionary leader by exploring and embracing these 10 insights: Motivation and Employee Engagement: Organizations flourish when employees go beyond what is expected of them. Passion: A passionate, inspired workforce begins with the leader. Vision: Visionary leaders energize and inspire people to work towards a future goal. Self-Awareness: Knowing your strengths and weaknesses is vital for leading any organization. Talent and Team Selection: The right employees must, first and foremost, fit the workplace culture. Organizational Health: Employees are most engaged when leaders are committed to the emotional well-being of everyone. Productivity: Focusing on how and what things get done increases efficiency. Creativity and Innovation: Building processes for innovation puts creativity to work. Delegation: As you free up your time, you will also increase employee engagement. Self-Improvement: Personal development makes all the other principles easier to achieve. Also included are the perspectives of 10 ordinary leaders from a range of professions, survey feedback from over 1,700 leaders and employees, and a resource section that provides detailed guidance and examples for putting these ideas into action.

If These Walls Could Talk Ernie Palladino, John Mara, 2013-09-01 Chronicling what can arguably be called the most productive years in New York Giants football—with nine playoff appearances and two Super Bowl titles—this work is an insiders-account of the last 20 years of the team's history. A behind-the-scenes look at the era from the players' and coaches' perspectives, this guide highlights coaches Dan Reeves, Jim Fassel, and Tom Coughlin as well as the team's brightest stars, from Phil Simms, Lawrence Taylor, and Michael Strahan to Eli Manning and Victor Cruz. From the locker room to the press box, this book covers all of the successes and failures, elation and embarrassment of recent Giants history, making it essential reading for any fan.

Simple Principles to Think Big and Achieve Success Alex A. Lluch,2008-02 Do you want to earn more money? Would you like to have more time and closer friends? Do you want a better job?
