The Edible Woman Margaret Atwood, 1978 Ever since her engagement, the strangest thing has been happening to Marian McAlpin: she can't eat. First meat, then eggs, vegetables, cake, pumpkin seeds--everything! Worse yet, she has the crazy feeling she's being eaten. She really ought to feel consumed with passion. But she just feels...consumed. A brilliant and powerful work rich in irony and metaphor, *The Edible Woman* is an unforgettable masterpiece by a true master of contemporary literary fiction.

The Edible Woman Margaret Atwood, 2010-12-10 Marian has a problem. A willing member of the consumer society in which she lives, she suddenly finds herself identifying with the things being consumed. She can cope with her tidy-minded fiancé, Peter, who likes shooting rabbits. She can cope with her job in market research, and the antics of her roommate. She can even cope with Duncan, a graduate student who seems to prefer laundromats to women. But not being able to eat is a different matter. Steak was the first to go. Then lamb, pork, and the rest. Next came her incapacity to face an egg. Vegetables were the final straw. But Marian has her reasons, and what happens next provides an unusual solution. Witty, subversive, hilarious, *The Edible Woman* is dazzling and utterly original. It is Margaret Atwood's brilliant first novel, and the book that introduced her as a consummate observer of the ironies and absurdities of modern life.

The Edible Woman Margaret Atwood, 1998-03-16 The novel that put the bestselling author of *The Handmaid's Tale* and *The Testaments* on the literary map. The Booker Prize winner's first novel is both a scathingly funny satire of consumerism and a heady exploration of emotional cannibalism. Marian McAlpin is an "abnormally normal" young woman, according to her friends. A recent university graduate, she crafts consumer surveys for a market research firm, maintains an uneasy truce between her flighty roommate and their prudish landlady, and goes to parties with her solidly dependable boyfriend, Peter. But after Peter proposes marriage, things take a strange turn. Suddenly empathizing with the steak in a restaurant, Marian finds she is unable to eat meat. As the days go by, her feeling of solidarity extends to other categories of food, until there is almost nothing left that she can bring herself to consume. Those around her fail to notice Marian's growing alienation—until it culminates in an act of resistance that is as startling as it is imaginative. Marked by blazingly surreal humor and a colorful cast of eccentric characters, *The Edible Woman* is a groundbreaking work of fiction.

Cooking by the Book Mary Anne Schofield,1989 The essays collected here explore the power and sensuality that food engenders within literature. The book permits the reader to sample food as a rhetorical structure, one that allows the individual writers to articulate the abstract concepts in a medium that is readily understandable. The second part of *Cooking by the Book* turns to the more diverse food rhetorics of the marketplace. What, for example, is the fast food rhetoric? Why are there so many eating disorders in our society? Is it possible to teach philosophy through cookery? How long has vegetarianism been popular?
