The Lives of Robert Ryan J R Jones, 2015-05-11 An “engrossing new biography” of the actor famed for his menacing onscreen persona—and his offscreen work for peace and civil rights (Film Quarterly). The Lives of Robert Ryan is an in-depth look at the gifted, complex, intensely private man Martin Scorsese called “one of the greatest actors in the history of American film.” The son of a Chicago construction executive with strong ties to the Democratic machine, Ryan became a star after World War II on the strength of his menacing performance as an anti-Semitic murderer in the film noir Crossfire. Over the next quarter century, he created a gallery of brooding, neurotic, and violent characters in such movies as Bad Day at Black Rock, Billy Budd, The Dirty Dozen, and The Wild Bunch. His riveting performances expose the darkest impulses of the American psyche during the Cold War. At the same time, Ryan’s marriage to a liberal Quaker and his own conscience launched him into a tireless career of peace and civil rights activism that stood in direct contrast to his screen persona. Drawing on unpublished writings and revealing interviews, film critic J.R. Jones deftly explores the many contradictory facets of Robert Ryan’s public and private lives, and how these lives intertwined in one of the most compelling actors of a generation. “Engaging . . . Jones describes a complex man who grappled publicly with the world’s demons and privately with his own, among them alcohol and depression.” —Associated Press “Jones has done a superb job . . . A masterly biography.” —Library Journal Includes photographs

Sorta Like a Rock Star Matthew Quick, 2024-09-24 Juno meets Stargirl in this fresh, funny, and heartbreaking novel that

inspired the major motion picture All Together Now. Amber Appleton lives in a bus. Ever since her mom's boyfriend kicked them out, Amber, her mom, and her totally loyal dog, Bobby Big Boy (aka Thrice B) have been camped out in the back of Hello Yellow (the school bus her mom drives). Still, Amber, the self-proclaimed princess of hope and girl of unyielding optimism, refuses to sweat the bad stuff. But when a fatal tragedy threatens Amber's optimism--and her way of life, can Amber continue to be the rock star of hope? With an oddball cast of characters, and a heartwarming, inspiring story, this novel unveils a beautifully beaten-up world of laughs, loyalty, and hard-earned hope. The world is Amber's stage, and Amber is, well...she's sorta like a rock star. True? True.

Writing Achievement of California Eighth Graders, Year Two Mary Frances Claggett, California. State Department of Education, 1989 The second statewide direct writing assessment was conducted for grade eight by the California Assessment Program (CAP) in the spring of 1988. Each student wrote an essay in response to 1 of 45 prompts (writing tasks) representing 6 types of writing: autobiographical incident, report of information, problem solution, evaluation, story, and firsthand biography. A total of 294,859 essays were scored at 6 regional scoring sites by 384 teachers; this number includes a 5% sample of papers that was double-scored for reliability studies. Approximately 96% of the students who took the essay test comprehended the writing tasks and responded to the topic. Scores were assigned for rhetorical effectiveness, special features (such as coherence or elaboration), and conventions. Results revealed that most students wrote adequate or marginally adequate essays (62%), some wrote exceptionally well (12%), and others wrote poorly (22%). Eighth graders were most competent at reporting information, less competent at writing autobiography and firsthand biography, and least able to write a story and to produce the two kinds of persuasive writing. Also, students exhibited better control of conventions than of rhetorical strategies. Overall, students' scores increased. Recommendations for school administrators, teachers, and parents are included. (KEH)
