It is up to two young heroes, Tal and Milla, to fend off their own darkness in order to save their world from destruction. There is mystery, magic and imagination at work here. And the Seventh Tower is the key to it all.

The Seventh Tower Robert A.V. Jacobs, 2019-09-02 Despite his reluctance to be a pushover for every waif and stray, Larry agrees to find the sister of a fifteen year old boy who turns up at his office. Having run away from parents that he claims are abusive, he and his sister had been living rough until she disappeared. Larry visits the boy's parents, in Cromwell's Seat, a village some ten miles outside of London, only to hear that MI6 are investigating suspected espionage centred on the local police station. Dragged reluctantly into that investigation, while trying to solve the disappearance, he is suddenly arrested when the boy's mother is found hanged from the seventh tower of a series of fifteen carrying new power lines. The murder of a constable in an unusual manner, a face seen, and vaguely remembered, an MI6 agent who is not quite as he appears to be, a reluctant traitor, the almost fatal shooting of Penny and the death of someone who had come to be his friend,

finally brings everything to a head at the foot of the tower.

The house holds something very important to The Evil—and Jack and Jaide must race to find it, even though they don’t know what it looks like or where it is. But Jack and Jaide aren’t the only ones searching for the treasure. And as the mystery gets bigger and bigger, they’re not sure who they can trust. Even friends are beginning to act suspicious. And their father, who should be their strongest ally, is leading them into treacherous territory. At the heart of all magic is mystery, and at the heart of this mystery is nothing less than the key to controlling magic.
