**Deborah E. Parks**

Poems, Quips, and Quotes Doug Dial, 2010-07-30 Poems, Quips and Quotes is Doug Dial's second volume of writings. In this book the reader will be enriched, inspired and entertained. Since life comes to us in quite a random fashion, Doug decided to publish this work in much the same way. At times, the reader will be treated to a poem or idea of spiritual content, only to be followed by a simple, silly poem meant to tickle your funny bone. Throughout the book are quotes, quips and poems of love and loss and living large, often causing the reader to stop and reflect on the simple things in life. As was true for his first volume, once you pick it up you won't want to put it down until the last poem has been read.

**Stuck In-between** Fancy Writer, 2024-06-01 As the saying goes, You can't have your cake and eat it too. But what happens when you're stuck with two slices of cake and can't choose which one to eat? For 17-year-old Kishimia, that's exactly the dilemma she's facing. She attended a party that threw two hot guys in her lap. One becomes her boyfriend and the other a popular guy at her school. Kissing both of them has caused her to have so much confusing feelings. As Kishimia navigates her feelings for both boys, she's forced to confront the harsh realities of growing up. Can she really have a relationship with both Rolan and Austin or will she have to choose between the two? And what happens when the boys discover her secret?

**In the Deepest of Pain God Dies** Clairon T Hall, 2021-09-13 In this theatrical suspense of real crisis, this book takes you into the depths and heart of the hurting soul in nine different aspects. Here, you will find that in many cases the tree of the human person that bears certain fruits in their behavior, is a by-product of the seed that was sown in the area of their soul. Seeds of molestation, rape and abuse tend to produce trees that bear fruits of rage, bitterness, rebellion, hate, jealousy and even murder. Those seeds of rejection oftentimes result in trees bearing fruits of distrust, inferiority, low self-esteem and inadequacy. These many issues can be a deteriorating factor in an individual's life, and can be very destructive to society. However, this book gives the basic foundations upon which one can build by first discovering the remedy for inner healing, then having the opportunity to build on a solid foundation for spiritual, mental, psychological, and emotional growth and development.

**DESIRE TO PERDITION** C G Sreedevan, 2013-10 The story of a middle-class teenager and his journey to adulthood, his experiences of love, friendship, sex, and career; and his endeavor to seek the true meaning of life. A social and psychical insight of the life of an Indian youth in the twilight of the twenty-first century. It is not just a teenage love story, but the story

of how love becomes your shadow throughout your life until your last breath. Sijill John has a story to tell. Born in a small town of Himachal to a couple from Kerala, he begins his tale from getting enrolled in his favorite school the place that gave him memories of a lifetime with a girl who became his biggest source of inspiration in the later part of his life. But before reuniting with her, he was caught in this materialistic world cornered with never-ending desires. Did he succeed despite obstacles? What compromises he makes? Why does his one desire prove fatal for all other desires? And why does he damn them for eternity? Can an average youth like him remain alien to the political or communal unrest in the country? Is love just the result of a chemical reaction in brain or a lifetime source of enlightenment? Does it have the power to kill violence and hatred among us? Sometimes the biggest setback can be the brightest hope!

*Friends* Jennifer C. Dunn,2019-12-04 A cultural phenomenon for a decade, *Friends* ranked in the top ten for every year of its original run, an accomplishment unmatched by any other scripted series. And more than twenty-five years since its theme song promised "I'll be there for you," Rachel, Monica, Phoebe, Joey, Chandler, and Ross are still entertaining audiences around the world. As the characters maneuvered their ways through dating, love, and the occasional conflict, their loyalty to each other remained steadfast. In *Friends: A Cultural History*, Jennifer C. Dunn explores why the show immediately took hold of viewers and how the series remained must-see TV for so long. Dunn examines the cultural landscape that allowed a show not centered on traditional sitcom norms of family and career to become such a critical and commercial success. The author also addresses how the show's complicated depictions of gender roles and class distinctions—as well as its lack of ethnic diversity—did not detract from its popularity. In addition to exploring memorable plotlines, cherished moments, and the

quirks of the principal players, this book analyzes the show's enduring cultural relevance. Featuring a discussion of the show's 25 best episodes, *Friends: A Cultural History* offers an engaging look at the series that has resonated with generations of television viewers.

**An Ounce of Gratitude** Shashidhar Bairapu,2022-09-03 When I decided to stop my education with a bachelor's degree, Prof. Tanuku said, "These are not problems at all. You will be in real trouble if you stop your education now." He agreed to pay the expenses to complete my post-graduation. We need hooks to hold when life hits us harder. I held on to his advice, completed the MSc and have been working since 2005. One evening in August 2010, I was walking home and thinking about how to end my life. Then, I remembered my dad's caution: "Do not make Srinivas Sir think twice when he wants to help another student in the future as he did to you today." So, I decided to face my failures and become successful. In March 2019, my dad's words questioned all the success I had been thinking about. As a result, I lost all my emotional hooks and was vulnerable. Name it to tame it - a fundamental in emotional coaching. Instead, I chose gratitude to find my pillars to stand firmly and victorious again. The book presents the reviewed events from the earliest memories of my life to date while practising 100 days of gratitude. In the beginning, it seemed complicated. Now, 100 days are not sufficient to thank people in my life. If you are feeling low, lost and lonely, this book will help you find your emotional support within and allows you to stay strong.

*You Have Been Catfished* Wanda Stevens Reilly,2023-05-26 I am a divorced mother of two young men. They are thirty-two and thirty. Five years ago, I was scammed by a man that pretended he was in the army. They call it catfishing. At first, I didn't want anyone to know that I was swindled out of my hard-earned money. Then I thought about how many more people this has happened to; and I thought that if I wrote about what happened, maybe-just maybe-I could prevent someone else from giving their money away to someone who is trying to catfish them. I was a medical coder, CPC, and COC and left the hospital to do insurance in New Hampshire. Three years ago, I drove to Tennessee by myself to start over. I am now a key carrier manager on duty and a customer experience coordinator for a Marshalls branch. My primary goal is to get my message out to anyone that may be going through what I went through and have them keep their money.
