The Time of the End: The 10 Year Tribulation Period and The Conditional Rapture of Tribulation Saints Matthew S Crane, 2017-11-01 One of the most popular and hotly debated topics in recent years has been the subject of what is commonly called "The Tribulation Period". Theories, speculations, and predictions abound as to when this apocalyptic time begins and who will be a part of it. Some Bible teachers insist that Christians who have been born again during the "Church Age" will have no part whatsoever in this time while others teach that it is the Church's prophesied destiny to endure to the end and wait for the cataclysmic 2nd coming of the Lord Jesus Christ. Which one is right? Which one is wrong? The one thing that all current theories seem to have in common is an abundance of inconsistencies and missing pieces. This book seeks to explain many of the obscure passages in Scripture that seem to have been misunderstood and misapplied for the last two thousand years and bring to light a couple of important truths that have been right in front of us all along, which when properly understood, bring consistency to the puzzle of prophecy and causes many of the hitherto difficult pieces to fit.

Answers to Confounding Teachings of End-Time Events W. Winters, 2024-11-07 How many different views of the end-time Bible passages have you heard? Are the gospel accounts about the end-times only talking about Jesus's second coming, or do they include information on the rapture? What exactly happens when the rapture takes place? What happens to Fido, my cat, in the rapture event? What kind of body does my dad in heaven have right now if he doesn't get one until the rapture? Just how many resurrections are there? How can I know I'll be going up in the rapture to be with Jesus? And then there's the Ezekiel 38 and 39 war...the Gog/Magog war. How many different views have you sat through for that one? How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog/Magog wars? And what about Psalms 83...is it a war or a prayer? Are you tired of the unanswered questions or being told we can never know for sure? Then stop and read this book. Allow the words to, with prayer through the power of the Holy Spirit, walk you through the Scriptures to provide real answers to all the different prophetic teachings. You don't have to be confounded about these end-time questions anymore. I hope you're as blessed by God reading this book as much as I was by writing it. See you in the clouds...soon!

**The Sign of the End of the Age** Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end-times events. It is important for us to return to a careful study of these things, because the time is near. In *The Sign of the End of the Age: What Jesus Taught about the Future in Matthew 24*, author Paul Kalbach helps you discover or rediscover the Olivet Discourse, the Lord's clear road map that all other prophetic Scriptures must reckon with. To understand the discourse, we must answer one critical question: what is Matthew 24 about the future program for Israel or the end of the age events for all believers, including the church? Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position. His in-depth study adheres to a most literal interpretation method. *The Sign of the End of the Age* seeks to bring a deeper understanding of the end-times period, vital in a world that shows every sign that this time is near.

The Day of the Lord, the Key to Understanding End-Time Prophecy Allen M. Barber, 2011-07 Have modern Christians been enlightened or misled? 'Left behind' has been a catch phrase in American church culture for more than a decade, but pretribulation beliefs were virtually unheard of before the eighteenth century. Many modern-day believers await the return of the Lord to rapture the Church before a turbulent tribulation period, expecting unbelievers to be left behind to suffer the horrors of this seven-year period. This popular belief is promoted from many evangelical pulpits and popularized by books and movies, but does it really line up with the Bible? Dr. Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief. Once a pretribulationist himself, he found that his in-depth study of the Bible quickly revealed the errors of this position. With spiritual, biblical, and intellectual insight, *The Day of the Lord: The Key to Understanding End-Time Prophecy* challenges the very foundation of pretribulation theology. Dr. Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end-times prophecy.

He Always Holds Up the Heavy End Billy Coleman, 2023-01-05 Remember when you were young and you always wanted to help your dad? Sometimes, there would be things to lift--heavy things. And while your dad would let you help him, he always made sure he carried the heavy end. God is like that. Tough times are coming. Jesus promised they would. But God is always there, and when the burden becomes more than we can bear, He always holds up the heavy end! Written from an educator's perspective, *He Always Holds Up the Heavy End* encourages us to serve Christ in tough times and reminds us that

the power of Jesus Christ overcomes all obstacles in our lives. It shares the accounts of real people, who have lived out the great scripture of Philippians 4:13: I can do all things through Christ who strengthens me! It reminds us that our greatest witness for Christ is during those trials and tribulations Jesus talked about. He Always Holds Up the Heavy End is all about bringing the reader closer to Jesus Christ as we realize His greatest promise: I am with you always, even to the end of the earth. And when the tough times come, He is there, always holding up the heavy end! Thanks be to God! A very special thanks for the overwhelming prayers and support for our son Wesley who is recovering from his heart transplant on August 11, 2022. As this book is in the final stages of being published, Wesley is doing great and we give God all praise and glory. All proceeds from He Always Holds Up the Heavy End goes to Wesley, his wife Danielle, and two sons, Cade and Hudson. Our family has had its own private lesson on what this book is all about. And yes, it is and will always be true! HE ALWAYS HOLDS UP THE HEAVY END!!!. In life, in death, in life beyond death, we are not alone. Thanks be to God!

Is the End Near? Michael Youssef, 2022 When will the insanity end? This book will answer your questions about end times issues by examining statements that Jesus Himself made about what was to come. You will be encouraged as you anticipate Christ's return. Both inside and outside the church, people are asking the same question: Is this the end of the world? With a global pandemic that has killed millions; nations spending millions of dollars to update their nuclear weapons arsenals; and an increase in fire, floods, plagues, and other natural disasters, Christians and non-Christians alike are concluding that history appears to be drawing to a close. Yet Dr. Michael Youssef says now is not the time to fear. In *Is The End Near?* Dr. Youssef looks at Jesus' words in Matthew 24 and 25 about the end of civilization and the coming of the one world ruler and examines: Whether the birth pains Jesus predicted in Matthew 24 are signs that the end times are near Evidence for potentially apocalyptic events such as asteroid or comet collisions with earth--events that could trigger unprecedented tsunamis and global darkness Whether it's possible for Christians to be deceived by the Antichrist and other false messiahs in the end times The four dimensions of the coming judgment How to live in the hope and security of the Lord's return, even as the world is collapsing around us As believers, we don't have to fear the end. Using God's Word as our guide, we can look toward the future with hope, because we know the One who holds the future in His hands. FOREWORD BY R. T. KENDALL

*Far Beyond the Dead End* Saikat Baksi, 2014-05 They called it the 'mound of dead'. In other words, Mohenjo-Daro! But beneath those layers of ruin, once flourished a town pulsating with life. There lived Koli with her enigmatic charm, Sindhu with an eyeful of dreams, Girad with his raging passion, the decrepit priest prophesying the doom, and many others. They loved, hated and chased their fixations in manic rage. A series of mysterious deaths ensued from such frenetic hunt for lust, riches and glory. Yet, the inexorable game of destruction did not cease to play, until... they ventured *Far Beyond the Dead End*... only to be discovered under a heap of rubble four thousand years later.

**Understanding the New Testament and the End Times, Second Edition** Rob Dalrymple, 2018-04-16 Many

evangelicals have come to embrace a populist eschatology that has neither the support of the historical church, nor of the scholarly world today. For some, this has led to a disillusionment with eschatological speculations. For others, the results are apathy and a failure to understand the mission of God's people. This is tragic! For when the entirety of the New Testament is read and understood from an eschatological perspective, the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus. A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God's people, who are themselves carrying forth the biblical story as we approach the New Jerusalem. To fail to comprehend eschatology is to fail to comprehend our mission. This book has two objectives: First, to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview. Second, to demonstrate that a proper eschatological framework relates to the mission of God's people and the demand for holiness. Thus, eschatology matters!

After he earns his robe and staff, rewards for passing the tests required to become a wizard, the door to his dreams stands open. But a nightmare awaits him on the other side, a black-hearted wizard who, along with his vile undead minions, systematically assassinates all of Kalan's heroes. **Regicide the Bitter End of the King of Hearts** Matthew DaPonte, 2014-12-26 After stealing a diamond with a ghoulish legacy from a ruthless business man, the person Interpol has ranked as the King of Hearts (Larceny, theft, and antiquities smuggling) in their card deck of most wanted criminals, a person known only as N. Kermin finds that their customarily flawless getaway has been impeded by a shadowy man in a fedora with a pistol and an ultimatum: steal a state of the art computer encryption program for him, or else. Shaken by this near brush with death, a longtime companion, William Cardinal takes notice of Kermin's subtle but abrupt change in demeanor and soon discovers that his friend has been keeping a hidden avocation. Despite the breach of trust, Cardinal agrees to help seize the cipher and sabotage it with the aim of uncovering anything they can use to their advantage and hopefully deal lethal blow to the fedora topped man and whatever organization he represents. Struggling to define their friendship in light of this revelation, the two must now rely on one another if they wish to survive not just the heist of a lifetime but evade an army of special forces security agents, outwit potential spies in their midsts, elude a pair of the finest private dicks a billionaire can buy, fend off the wrath of an invisible criminal empire

and dodge an assassins cold retribution.

**The Lost Message of the End Times** Ian Miller, 2021-08-05 The second coming is perhaps the most confusing, controversial, and contentious of biblical doctrines. In *The Lost Message of the End Times*, Ian Miller guides the reader through the many Old and New Testament prophecies that speak of Jesus's return. As he does so, he brings their powerful, hope-filled, faith-inspiring, and life-changing message to life. With clear and easily understood explanations, this book will show you how the Scriptures reveal a world of promise, not fear; a kingdom present, not to come; and the powerful bride as she is, not one that needs to be raptured away.
