

La Orientación Vocacional Como Experiencia Subjetivante

Roman Wölfel

La orientación vocacional como experiencia subjetivante Sergio Rascovan, 2023-02-21 ¡Por primera vez en formato digital! La orientación vocacional como experiencia subjetivante es una obra que invita a pensar las problemáticas denominadas vocacionales desde el reconocimiento de las potencialidades del sujeto, el respeto por su singularidad, el registro de los atravesamientos propios del contexto sociohistórico, la inexistencia de un saber certero sobre el enigma de la vida y las vicisitudes del elegir. Por fuera de toda estandarización, Sergio Rascovan sostiene que el proceso de orientación vocacional es, ante todo, un espacio para que circule la palabra, un dispositivo para alojar a un sujeto en la búsqueda de su qué hacer a través de la transformación de la pregunta socialmente instituida en otra singular, propia. Reedición de un libro fundamental para soñar, imaginar y pensar una elección vocacional frente a los imperativos sociales y los valores dominantes de época.

La orientación vocacional como experiencia subjetivante Sergio Eduardo Rascovan, 2016

La paz, un talento de la niñez. Aproximaciones en clave de investigación libre Alberto Shamosh, Alejandro Martínez, Edwin Rodríguez, Roberta Flaborea, 2023 La realidad interna debe ser de alguna manera una realidad expresada, como una melodía interna que se transmite, como el fluir subterráneo de una linfa que sube a animar las flores y los frutos, una unidad interior que se manifiesta por todas partes... - Dr. David Ferriz Olivares. Fundador Fundación Elle Entre la exacerbación colorida y lumínica de las pantallas: se despliega otra vía, la de la transformación, abriendo infinidad de micro esperanzas que ampliadas y potenciadas establecen un camino con sentido y futuro para la humanidad. Lo pequeño es hermoso y muestra horizontes éticos y estéticos para el diseño de un mejor presente en la tercera década del siglo XXI. Podríamos decir hoy, jugando con los títulos de estas dos enormes obras, que hay una vía hermosa en lo pequeño y que transitarla implica indefectiblemente reconocer en los niños, niñas y adolescentes y en su talento, una brújula, para ese futuro que adviene. Intentado contribuir al cuidado de lo pequeño, entregamos este trabajo, apenas como una “invitación libre a desenvolver los talentos. Nuestros sinceros deseos de avanzar conjuntamente. Seamos servidores, seamos más sensibles, seamos más colaboradores, más solidarios, más profundos, más trascendentales, más humanos, investiguemos la Paz. - Alberto Shamosh

y Alejandro Martínez

Cerebro y ficción Valeria Abusamra, Montserrat Armele, Analía Arévalo, 2024-10-12 Con la proliferación de textos divulgativos vinculados a las neurociencias, hay montones de neuromitos dando vueltas en la sociedad, como el que dice que solo usamos el 10 % de nuestro cerebro o el que sugiere que una persona es más racional o más creativa por ser más de un hemisferio que del otro. En principio no serían un problema, pero las dificultades surgen cuando se malinterpretan o descontextualizan hallazgos científicos y se toman decisiones supuestamente vinculadas a ellos en ámbitos clínicos y educativos. En *Cerebro y ficción. Mitos y verdades en la neurociencia*, las investigadoras Valeria Abusamra, Analía Arévalo y Montserrat Armele analizan algunos de estos mitos en una trama interdisciplinaria y geolocalizada en el Cono Sur, apoyándose en la literatura científica más actual y con una prosa amena. Se trata de un texto que sirve tanto para saciar la curiosidad como para discutir el impacto que los datos neurocientíficos bien interpretados podrían tener sobre el planteo de políticas públicas y de aspectos ligados a la educación.

Elegir con/sin angustia Sergio Rascovan, Sergio Enrique, 2025-06-09 Este libro es un encuentro que nos convoca a seguir revisando y repensando una práctica centenaria con el propósito de problematizar las condiciones en las que se llevan a cabo las elecciones vocacionales. Encuentro entre autores y lectores que se produce en un tiempo en el que recrudecen variadas tiranías que exigen un estricto cumplimiento: tiranía de la elección, del mérito, de la felicidad, del rendimiento, algorítmica, del tiempo, del mercado. Tiranías que demandan obediencia, aunque motorizadas a través de la seducción y sin coacción. La notable eficacia de estas tiranías amigables se debe a que los seres humanos en esta época social del capitalismo nos sentimos libres. Una libertad que nos lleva a obedecer dócilmente a las diferentes exigencias sociales: ser felices, emprendedores, alegres, positivos. En este clima de época, el libro que estamos presentando es una invitación a pensar y sostener una práctica de la orientación vocacional que ponga en cuestión las tiranías en general, y la de elegir, en particular y promueva un espacio y un tiempo creativo para revisar críticamente el conjunto de las significaciones imaginarias instituidas en nuestra sociedad.

Ingenieras de ayer y de hoy Eda Lía Artola, Luciana Paula Cavalieri, María Florencia Rossi, Yann Cristal, Julieta Labandeira, Lubin Daza, 2023-05-01 Esta publicación presenta una cronología de la trayectoria de las mujeres en la Facultad de Ingeniería de la Universidad de Buenos Aires. Con datos estadísticos y entrevistas personales, se recaban los recorridos de las mujeres desde los inicios de la ingeniería en la UBA, en 1865. Se discuten, con una perspectiva de género, las complejidades a las que se enfrentan las estudiantes y graduadas en un ámbito tradicionalmente pensado para hombres.

Psychology of Career Adaptability, Employability and Resilience Kobus Maree, 2017-12-05 This book examines how the career counselling profession should respond to the changes in the world of work that have resulted from the increasing need to communicate faster and disseminate information more efficiently. It emphasizes the twin aims of enhancing a

persons' career adaptability and helping them to become more employable, rather than linearly trying to find a job and remaining in one organisation for their entire career-lives. The book shows that, to achieve these aims, people need to acquire career resilience, especially since the world of work no longer provides workers with work-holding environments for the duration of their career-lives. It takes into account historical analyses which show that whenever major technological change has occurred and widespread job losses have ensued, people have managed to use the new technology to create new employment opportunities. Readers from career psychology and management research, vocational and professional career coaching, and students of career psychology will find this book delivers sound, updated theory demonstrating how perceived threats in the 21st century can conceivably be turned into opportunities.

La TransConstrucción de un Espacio Habilitante en la Esfera Virtual Nadia Sichi Mujica, 2021-12-02 Con la irrupción de la pandemia COVID-19, se produjeron nuevos modos de trabajo, donde la psicología no escapa de ello. Por tal motivo la praxis profesional dentro de este contexto de contingencia encuentra nuevos desafíos. Se presentó la necesidad de repensar el perfil del psicólogo. La teoría esbozada sobre estas páginas, contiene diferentes vertientes como la antropología, filosofía y psicoanálisis, las cuales intentan dotarla de elementos a los fines de lograr un abordaje integral. En la virtualidad, la transferencia, el encuentro con los cuerpos y los procesos de identificación se encuentran mediatizados por las pantallas. La ausencia de ritos y rituales debido al aislamiento obtura los procesos de duelos en la población adolescente. Por lo tanto, construir un espacio habilitante que aloje a lxs adolescentes para que no sólo puedan pensarse a futuro, sino también elaborar los conflictos resultantes como efecto de este aislamiento, implica que el profesional de construcción vocacional y ocupacional (PCVO) despliegue sus aptitudes, adquiera habilidades e innove integrando recursos tecnológicos y artísticos que aporten a la confección de estrategias convocantes. Desde la TransConstrucción, proponemos que la esfera virtual, se transforme en un espacio habilitante donde lxs jóvenes puedan sedimentar su proyecto de vida, a través de un acto de libertad, a saber, un espacio que asegure la emergencia de la subjetividad, distanciándose de los mandatos sociales y el discurso capitalista, el cual busca producir un aplastamiento del sujeto. En otras palabras, el PCVO funcionará como un medio para que lxs adolescentes se posicionen como sujetos de deseo.

Orientación vocacional, una experiencia realizada en 1965 Elba Rodríguez Aparo, Elma E. López Camelo, 1967

La Investigación en Orientación Vocacional Teresa De León Mendoza, Ricardo Briones, Miguel Ángel Briones, 2013 Hasta hoy, la mayor parte de los programas de orientación vocacional que existen, son asistemáticos y poco confiables, no se sustentan en investigaciones que orienten sobre las necesidades que se deben atender. El papel que juega la orientación vocacional en la formación de los alumnos, es de gran relevancia, ya que sabemos que el discernimiento vocacional genera en el estudiante una serie de conflictos, repercutiendo esto en las actitudes y problemas que se presentan en las Instituciones de Educación Superior, tales como los altos índices de deserción, reprobación y los cambios de carrera. Es importante destacar

que el trabajo de investigación que se describe en esta obra, cumple con los objetivos trazados, en primer lugar medir los intereses, aptitudes y áreas universitarias que permita al alumno tener la mayor información previo a la elección de carrera y determinar la correlación entre estos y la carrera que eligen los jóvenes, al egresar del nivel medio superior.

La Orientacion Vocacional Como Experiencia Subjetivante Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost

associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading La Orientacion Vocacional Como Experiencia Subjetivante free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this

treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading La Orientacion Vocacional Como Experiencia Subjetivante free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading La Orientacion Vocacional Como Experiencia Subjetivante free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading La Orientacion Vocacional Como Experiencia Subjetivante . In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide

access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading La Orientacion Vocacional Como Experiencia Subjetivante any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About La Orientacion Vocacional Como Experiencia Subjetivante Books

1. Where can I buy La Orientacion Vocacional Como Experiencia Subjetivante books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more

- expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a La Orientacion Vocacional Como Experiencia Subjetivante book to read?
Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations.
Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of La Orientacion Vocacional Como Experiencia Subjetivante books?
Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are La Orientacion Vocacional Como Experiencia Subjetivante audiobooks, and where can I find them?
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read La Orientacion Vocacional Como Experiencia Subjetivante books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
