Cataloging beyond the Notes: Annotating Bibliographic Records for Music Effectively in RDA Ralph Hartsock, Peter H. Lisius, 2022 In *Cataloging beyond the Notes: Annotating Bibliographic Records for Music Effectively in RDA*, authors Ralph Hartsock and Peter Lisius present examples illustrating the effective use of notes in the description of music, and this is especially important with RDA. Since RDA has increased granularity in the description of music, whether in score, recording, video, or data formats, the expert direction offered in *Cataloging beyond the Notes* makes it a key reference for music cataloging. Bibliographic records are presented using MARC21. An essential resource for practicing music catalogers, *Cataloging beyond the Notes* begins with a comprehensive introduction, including instructions on how to use the book, and presents examples of the granular data that informs users about specific details. In addition, the examples are augmented by the authors' commentary, so that the result is expert guidance in a single, highly accessible publication. More than that, navigation to and from the newer RDA format is facilitated by an appendix keyed to specific RDA details. Frequently used and related terms are also covered in a glossary specific to this volume. Taken as a whole, *Cataloging beyond the Notes* belongs in every music library and on each cataloger's desk.

The Tears of Dark Water Corban Addison, 2015-10-13 A sailing trip meant to save a family in crisis. A nightmare hostage situation with modern-day pirates. And an FBI negotiator faced with memories of his own family tragedy. Daniel and Vanessa Parker are an American success story. He is a Washington, DC, power broker, and she is a physician with a thriving practice. But behind the gilded façade, their marriage is in shambles, and their teenage son, Quentin, is self-destructing. In desperation, Daniel dusts off a long-delayed dream—a sailing trip around the world. Little does he know, the voyage he hopes will save his family may destroy it instead. Half a world away on the lawless coast of Somalia, Ismail Adan Ibrahim is living a life of crime in violation of everything he was raised to believe—except for the love and loyalty driving him to hijack ships for ransom and plot the rescue of his sister, Yasmin, from the man who murdered their father. There is nothing he will not do to save her, even if it means taking innocent lives. Paul Derrick is the FBI's top hostage negotiator. His twin sister, Megan, is a celebrated defense attorney. They have reached the summit of their careers by savvy, grit, and a secret determination to escape the memory of the day their family died. When Paul is dispatched to handle a hostage crisis at sea, he has no idea how far it will take him and Megan into the past—or the chance it will give them to redeem the future. Across continents and oceans, through storms and civil wars, the paths of these individuals converge in a single, explosive moment. It is a moment that will test them and break them, but it will also leave behind an unexpected glimmer of hope—that out of the ashes of tragedy and misfortune, the seeds of justice and reconciliation can grow. Stand-alone, page-turning thriller Includes discussion questions for book clubs and author's note Also by international bestselling author Corban Addison: *Harvest of Thorns*
