Reading Across Multiple Texts in the Common Core Classroom, K-5 Janice A. Dole, Brady E. Donaldson, Rebecca S. Donaldson, 2014-07 This teacher-friendly resource addresses one of the most important critical reading skills in the Common Core State Standards --reading across multiple texts. As the world grows ever more complicated, students more than ever need to become skillful at reading multiple sources, comparing, contrasting, and integrating texts. Responding specifically to Standards 7 and 9, this guide shows teachers how to work with students as they read, think about, critique, and evaluate multiple texts, including narrative and informational, print, graphic, and video, hard copy and online. The authors provide strategies for helping students answer text-dependent questions, find evidence in a text, and scan for information. Model lessons developed and taught by the authors and their professional colleagues will be especially useful to teachers whether they are beginning or expanding their own teaching of multiple texts.

Native North Americans in Literature for Youth Alice Crosetto, Rajinder Garcha, 2013-09-12 Native North Americans have rich and diverse cultures and traditions. However, many misconceptions, prejudices, and stereotypes exist due to the lack of understanding and ignorance of these cultures. It is important that children and adolescents learn about and appreciate the invaluable contributions that North American Native groups have made to American society. Equally important is the availability of resources that accurately and objectively portray the historical events that occurred when European settlers displaced thousands of Native North Americans from their ancestral homelands. In *Native North Americans in Literature for Youth*, Alice Crosetto and Rajinder Garcha identify hundreds of appropriate and quality resources, including books, Internet sites, and media titles for K-12 students and educators. Entries are subdivided into chapters covering geographic regions, history, religions, social life, customs and traditions, nations, oral tradition, biographies, and fiction. Additionally, there are chapters for general reference resources, curricular resources for educators, media, and Internet sites. Annotations provide complete bibliographical descriptions of the entries, and each entry is identified with the grade level for which it is best suited. Reviews, awards, series, and URLs for supplemental online resources are also included. Anyone—especially students, teachers, librarians, and parents—interested in locating useful and accurate resources regarding Native North Americans will find this reference book a helpful and essential tool.

On the Street where You Live: Victoria's early roads and railways Danda Humphreys,2000 In the mid-1800s, Victoria grew from a fur-trading post into a provincial capital--the jewel in British Columbia's golden crown. Meanwhile, many of the early residents, happy to leave the Hudson's Bay Company behind, followed simple trails from the fort or discovered new routes of their own. In her first book, Danda Humphreys introduced readers to some of the people who forged those pioneer pathways. Now she takes us another step back in time to the roads and railways that connected the original city's core to today's suburbs. From Saanich to Sooke, street names tell stories of intrigue and adventure: Rowland Avenue, named for the farm labourer with a sinister sideline: hangman for the HBC. Joan Crescent, where coal baron Robert Dunsmuir's widow once resided in solitary splendour in a castle called Craigdarroch. Sidney Avenue, close to where the Brethour brothers donated land for the northern terminus of the Cordwood Express, first train to link the city with the Saanich Peninsula and the islands in the Strait of Georgia. In this second book in her *On the Street Where You Live* trilogy, Danda once again combines her passion for the past with a penchant for lively prose to bring you stories about Victoria's pioneers. You know the streets; now meet the people--their lives, their loves and the legends they left behind.
