

Love Radio Ebony Ladelle

Dee Dee Redding

Love Radio Ebony LaDelle, 2022-05-31 “Readers won’t be able to get enough of these dope-ass characters.” —Elizabeth Acevedo, author of *Clap When You Land* Hitch meets *The Sun Is Also a Star* in this “mega swoon-worthy, effortlessly cool” (Casey McQuiston, *New York Times* bestselling author) novel about a self-professed teen love doctor with a popular radio segment who believes he can get a girl who hates all things romance to fall in love with him in only three dates. Prince Jones is the guy with all the answers—or so it seems. After all, at seventeen, he has his own segment on Detroit’s popular hip-hop show, *Love Radio*, where he dishes out advice to the brokenhearted. Prince has always dreamed of becoming a DJ and falling in love. But being the main caretaker for his mother, who has multiple sclerosis, and his little brother means his dreams will stay just that and the only romances in his life are the ones he hears about from his listeners. Until he meets Dani Ford. Dani isn’t checking for anybody. She’s focused on her plan: ace senior year, score a scholarship, and move to New York City to become a famous author. But her college essay keeps tripping her up and acknowledging what’s blocking her means dealing with what happened at that party a few months ago. And that’s one thing Dani can’t do. When the romantic DJ meets the ambitious writer, sparks fly. Prince is smitten, but Dani’s not looking to get derailed. She gives Prince just three dates to convince her that he’s worth falling for. Three dates for the love expert to take his own advice, and just maybe change two lives forever.

Love Radio Ebony LaDelle, 2023-08-29 Prince Jones, a self-professed teen love doctor known for his radio segment on the local hip-hop station, believes he can get the bookish, anti-romance Dani Ford to fall in love with him in three dates.

This Could Be Forever Ebony LaDelle, 2025-05-20 This compelling and complex romance about love across cultures follows a Black girl and Brown boy who find themselves—and each other—while pursuing their passions the summer before college. Deja’s got a plan. The first in her large family to go to college, she wants to study chemistry and sell natural skin care products, like the ones she already creates from plants grown on her family’s North Carolina farm. It all starts with the Onward Bound summer program at the University of Maryland, the summer before school officially starts. Raja’s got a dream. His traditional Nepali parents want him to study engineering and settle down in an arranged marriage, but his passion is art, and he wants to open his own tattoo parlor one day. In the meantime, he’s apprenticing at a tattoo shop in College Park, Maryland. When Deja walks into the shop where Raja’s working, they both start crushing hard—over the

course of the summer, they fall more and more deeply for one another. But the closer they get and the more their lives entwine, the more they find that dating someone who doesn't match your parents' expectations is harder than they ever imagined. Can they bridge the divide between the vision their families have for their futures and the lives—and love—that are starting to feel like destiny?

You've Got a Place Here, Too Ebony LaDelle, 2025-08-12 A heartwarming and unforgettable collection of love stories set at Historically Black Colleges and Universities, exploring hope, endurance, and what it means to leave a legacy, from some of today's most prominent Black writers and edited by the acclaimed author of Love Radio "The best kind of homecoming . . . heartbreak, self-discovery, belonging, culture, history, and Black love . . . What more could you want from your time in the HBCU universe?"—USA Today bestselling author Adriana Herrera Love can be messy, painful, and heartbreaking, but it can also be revolutionary, profound, and hopeful. For Celine, a forbidden crush on a professor evolves into a second chance at romance years later. Myra's focus on a coveted audition for the Fisk Jubilee Singers is challenged by the handsome music major determined to help her. Kiese investigates the darker side to academia, love, and identity. Like most blessings, love emerges in the most unexpected places—in a training cockpit for new pilots, during a Mardi Gras celebration, or while gathering signatures to start the first-ever LGBTQ+ student organization officially recognized at an HBCU. These are just a few of the heart-searing, tender, and transporting love stories collected in You've Got a Place Here, Too—a true celebration of Black love and the profound impact of HBCUs on the community. Featuring stories by Elizabeth Acevedo, Jasmine Bell, Carla Bruce, Aaron Foley, Kai Harris, Ebony LaDelle, Kiese Laymon, Christine Platt, Farrah Rochon, Kennedy Ryan, Dawnie Walton, and Nicola Yoon.

Thirsty Jas Hammonds, 2024-05-14 Sensitively wrought and gorgeously written. —Courtney Summers, New York Times bestselling author of Sadie and I'm the Girl From the award-winning author of We Deserve Monuments comes a searing, emotionally charged novel about a girl desperate to belong, a spiral into alcohol-fueled chaos, and the raw, unflinching path to finding herself. A Kirkus Reviews Best Book of the Year A School Library Journal Best Book of the Year A Chicago Public Library Best Book of the Year It's the summer before college and Blake Brenner and her girlfriend, Ella, have one goal: join the mysterious and exclusive Serena Society. The sorority promises status and lifelong connections to a network of powerful, trailblazing women of color. Ella's acceptance is a sure thing—she's the daughter of a Serena alum. Blake, however, has a lot more to prove. As a former loner from a working-class background, Blake lacks Ella's pedigree and confidence. Luckily, she finds courage at the bottom of a liquor bottle. When she drinks, she's bold, funny, and unstoppable—and the Serenas love it. But as pledging intensifies, so does Blake's drinking, until it's seeping into every corner of her life. Ella assures Blake that she's fine; partying hard is what it takes to make the cut . . . But success has never felt so much like drowning. With her future hanging in the balance and her past dragging her down, Blake must decide how far she's willing to go to achieve her

glittering dreams of success—and how much of herself she’s willing to lose in the process. A powerful exploration of the lengths we go to feel seen, and the devastating consequences of an unquenchable thirst. Perfect for fans of Kathleen Glasgow's *The Glass Girl* and Helena Fox's *How It Feels to Float*.

The Love Chronicles Jahmillah, 2006-01-01 A collection of love stories uniquely created to satisfy those who are interested in a good read on matters of the heart. The book include various short stories on subjects such as sex, death, murder and birth.

Love and Radio Dee Dee Redding, 2025-06-25 In the fast-paced world of radio, some broadcasts are more than just words—they're life-changing. *Love and Radio* is an emotional rollercoaster about one woman's journey to rebuild her career, confront her past, and navigate love's most complicated frequencies. Ann's life was supposed to be simple: climb the corporate ladder, run a successful radio station, and find peace amidst the chaos. But when her radio station starts losing listeners, everything she thought she knew about her career—and her future—begins to unravel. Amid the demands of business ownership and the pressure to save a failing station, Ann is forced to confront the emotional baggage she's carried for years. Can she truly have it all, or will the weight of her responsibilities tear her apart? In *Love and Radio*, readers are taken inside the high-energy world of the media industry, where business, romance, and personal growth collide. Filled with compelling characters, emotional twists, and heartfelt moments, this novel is a must-read for anyone who's ever struggled to find their voice and build the life they deserve. Perfect for readers of contemporary women's fiction, romance with a twist, and those who love stories about strong, multi-dimensional women. Don't miss out on Ann's journey. If you've ever felt the pressure of balancing love, work, and your own dreams, *Love and Radio* is the story you've been waiting for. Grab your copy now and get ready for an unforgettable ride!

In the Name of Love Tamara Y. M. Love, 2005
