

The Vicious Lost Boys

Nikki St. Crowe

The Never King Nikki St. Crowe, 2025-11-04 The first book in the bestselling BookTok viral Vicious Lost Boys series, a Peter Pan-inspired enemies-to-lovers spicy romantasy where the villain gets the girl. The stories were all wrong--Hook was never the villain. For two centuries, all of the Darling women have disappeared on their eighteenth birthday. Sometimes they're gone for only a day, some for as long as a week or a month. But they always return broken. Now, on the afternoon of my eighteenth birthday, my mother runs around the house, making sure all the windows are barred and the doors locked. But it's pointless. Because when night falls, he comes for me. And this time, the Never King and the Lost Boys aren't willing to let me go. NOTE: The Never King is a reimagining of Peter Pan and Wendy. Characters have been aged-up for this darker, grittier version. If you like your enemies-to-lovers dark romance with hot, ruthless, morally gray love interests, you'll enjoy The Never King and the Vicious Lost Boys series. Expect hate kissing, fighting, bickering, and 'touch her and I'll unalive you' vibes. Book one ends on a cliffhanger. Please check the author's website for CWs.

Their Vicious Darling Nikki St. Crowe, 2026-03-03 The third book in the bestselling BookTok viral Vicious Lost Boys series, a Peter Pan-inspired enemies-to-lovers spicy romantasy where the villain gets the girl. The Dark One has finally accepted me...just in time for everything to change. Because Vane's brother, The Crocodile, has just arrived on Neverland soil and he's not alone. He's brought with him members of the royal Darkland family, and they want Vane's Death Shadow back at any cost. Of course, Peter Pan, Vane, Kas and Bash, they're all familiar with war. But war isn't easy when love is on the line. I know those vicious Lost Boys would do anything to protect me. But what if I'm not the one that needs saving? As power shifts on the island and shadows are claimed, all five of us have to let go of who we were, if we have any chance of becoming who we are destined to be. NOTE: Their Vicious Darling is book three in the Vicious Lost Boys series. It is a dark romantic reimagining of Peter Pan and Wendy. Characters have been aged-up for this darker, grittier version. If you like your enemies-to-lovers romance with hot, ruthless, morally gray love interests, you'll enjoy Their Vicious Darling. You can expect an island with darkness and secrets and no true hero in sight, with a found family atmosphere, and 'touch her and I'll unalive you' vibes. Their Vicious Darling ends on a cliffhanger. Please check the author's website for CWs.

Vicious Lost Boys Nikki St. Crowe, 2024

The Dark One Nikki St. Crowe, 2026-01-06 The second book in the bestselling BookTok viral Vicious Lost Boys series, a

Peter Pan-inspired enemies-to-lovers spicy romantasy where the villain gets the girl. I spent most of my life feeling dead inside--until I met Peter Pan and the Lost Boys. It wasn't until Pan and Neverland that I finally felt alive. But things are not all full of magic and sunlight on the island. There's something darker and more sinister haunting the forest. And worse, the fae queen and Captain Hook are ready to fight for control of Neverland and they will stop at nothing to get what they want. War is brewing--can the Never King get his shadow back and assume his rightful throne? And if he does, where will I fit? Or will all of Neverland be in jeopardy right along with my dark, twisted heart? NOTE: The Dark One is book two in the Vicious Lost Boys series. It is a dark reimagining of Peter Pan and Wendy. Characters have been aged-up for this darker, grittier version. If you like your enemies-to-lovers romance with hot, ruthless, morally gray love interests, you'll enjoy The Dark One. You can expect an island with darkness and secrets and no true hero in sight, with a found family atmosphere, and 'touch her and I'll unalive you' vibes. The Dark One ends on a cliffhanger. Please check the author's website for CWs.

The Fae Princes Nikki St. Crowe, 2026-03-03 The fourth book in the bestselling BookTok viral Vicious Lost Boys series, a Peter Pan-inspired enemies-to-lovers spicy romantasy where the villain gets the girl. I thought Peter Pan was a myth and Neverland was a fairytale. But there was no denying the overwhelming shadow cast by Peter Pan when he was standing in my house. Pan took me captive to Neverland, and I somehow found my place among him and the Lost Boys. I've never looked back. Now I'm entangled right alongside him in a war we can't seem to escape. We thought we had defeated our enemies. We thought we could finally have our happily ever after. But there was one enemy we never saw coming. A fairy who has nothing to lose and everything to gain. She has golden wings, a dark, twisted heart, and she wants Neverland, no matter the cost. She'll destroy anyone who stands in her way, even her own flesh and blood. NOTE: The Fae Princes is a reimagining of Peter Pan and Wendy. Characters have been aged-up for this darker, grittier version. If you like your enemies-to-lovers romance with hot, ruthless, morally gray love interests, you'll enjoy this series. You can expect hate kissing, fighting, bickering, and 'touch her and I'll unalive you' vibes. The Fae Princes is the final book in the main storyline for the Vicious Lost Boys Series. Please check the author's website for CWs.

The Never King Nikki St. Crowe, For centuries, all of the Darling women had disappeared on their 18th birthday. Sometimes they're only gone for a day or a month. But they always return broken.

The Lost Boys Sam de Brito, 2009 Ned is 15. He and his friends while away their days smoking dope, trying to root chicks and surfing at Maroubra. Ned's life is only just beginning - tomorrow, some time. Ned is 35. He and his mates drift through the days snorting cocaine, trying to root chicks, clinging to the pub and surfing at Bondi. For Ned, this is it - tomorrow never came. What happens when life passes you by? When the drugs no longer work and the promise of the future has become the wreckage of the past? What happens when a generation of men lose their way? Confrontingly honest, blackly funny, The Lost Boys is a compelling look at the dark side of being a 21st century man from a powerful new voice in fiction.

The Lost Boys of Mr Dickens Steve Harris,2019-08-01 As engrossing as a novel, this story of the death of childhood in the cradle of the world's mightiest empire, and the atmospheric tale of crime and punishment leading to a sensational murder trial is from another time but implicitly raises questions which remain with us today.Steve Harris' book humanises a most bizarre social experiment and brings out its grotesqueness in dramatic form. The tale is so comprehensively and authentically written that it is a service to Australian and British readers.- Tom Keneally, winner of the Booker Prize and Miles Franklin Award

Lost Boys Jack Hobey,2010 Recounts the case of The People vs. Herman Swift, a story which ran on front pages of newspapers throughout Michigan for three years in the early 20th century. It is one of the most sensational cases to ever go to the Michigan Supreme Court and was reviewed on appeal by famous Michigan governors, Chase Osborn and Nathaniel Ferris. The story revolves around the complex, tragic figure of Herman Swift, his efforts to provide a home and guidance to orphaned and cast out boys, and a resulting scandal which gripped Michigan for years--P. The Lost Boys of London Mary Lawrence,2020-04-28 While her husband fights the Scots for King Henry VIII, Bianca Goddard earns her coin by concocting medicines that offer relief to London's sick. Some unfortunates, however, are beyond any remedies she can provide--like the boy discovered hanging from a church dripstone with a rosary twined around his neck. A week later, another boy is found dead at a different church. When Fisk, Bianca's impish acquaintance, goes missing, she fears he may become the third victim... There are many villains who would prey on wayward, penniless boys. Bianca suspects the killings are not brutal acts of impulse, but something far more calculated. In her room of Medicinals and Physickes, she examines the sole piece of evidence: a sweet-smelling cloth. If Bianca can unravel its secret, reputations and lives will be saved. The expected hour of the next murder is approaching, and a single misstep may mean another boy is lost forever...

The Lost Boys of Zeta Psi Laurie A. Wilkie,2010-04-02 The Lost Boys of Zeta Psi takes us inside the secret, amusing, and sometimes mundane world of a California fraternity around 1900. Gleaning history from recent archaeological excavations and from such intriguing sources as oral histories, architecture, and photographs, Laurie A. Wilkie uncovers details of everyday life in the first fraternity at the University of California, Berkeley, and sets this story into the rich social and historical context of West Coast America at the turn of the last century. In particular, Wilkie examines men's coming-of-age experiences in a period when gender roles and relations were undergoing dramatic changes. Her innovative study illuminates shifting notions of masculinity and at the same time reveals new insights about the inner workings of fraternal orders and their role in American society.

The Lost Boys Tim Potter,2008-01-15 The Lost Boys: A Parochial Novel of the Vietnam Generation deals with a group of Vietnam Veterans who enter / return to college after leaving the service and the problems they encounter in attempting to readjust to civilian life. Set, primarily, in Southern California from the late 1960s to mid-70s, the novel follows the path of the

traditional (mythological) heros journey as seen from the viewpoints of ten Lost Boys. Exhaustively researched, Lost Boys is an emotional odyssey through one of the most dramatic and painful periods in Americas recent past.

Their Vicious Darling. Vicious Lost Boys. Tom 3 Nikki St. Crowe, 2023-03-08 Wojna jest najstraszliwsza, kiedy stawką jest miłość. Na wyspie dochodzi do zmian. Wrogowie Pana jeszcze nigdy nie byli tak silni. Sojusze tworzą się i zrywają, jednak kiedy wystarczająco wielu graczy ma wspólny cel, ich intrygi mogą poważnie zaszkodzić królowi i Zagubionym Chłopcom. Zwłaszcza kiedy na wyspę przybywa tajemniczy Krokodyl. Co się wydarzy, kiedy jego zegarek skończy odliczanie? Tymczasem Winnie musi zmierzyć się z mrokiem, który na dobre rozgościł się w jej sercu. Do tej pory na wyspie jedynie mężczyźni dzierżyli prawdziwą władzę. Czy młodziutka Darling da radę zapanować nad nową mocą i nie zatracić się przy okazji w ciemnościach? Pan i Zagubieni Chłopcy zrobią wszystko, aby ją ratować. Ale czy to na pewno właśnie ona potrzebuje ratunku?

Wendy and the Lost Boys Julie Salamon, 2011-08-18 The authorized biography of Pulitzer Prize-winning playwright Wendy Wasserstein. In *Wendy and the Lost Boys* bestselling author Julie Salamon explores the life of playwright Wendy Wasserstein's most expertly crafted character: herself. The first woman playwright to win a Tony Award, Wendy Wasserstein was a Broadway titan. But with her high- pitched giggle and unkempt curls, she projected an image of warmth and familiarity. Everyone knew Wendy Wasserstein. Or thought they did. Born on October 18, 1950, in Brooklyn, New York, to Polish Jewish immigrant parents, Wendy was the youngest of Lola and Morris Wasserstein's five children. Lola had big dreams for her children. They didn't disappoint: Sandra, Wendy's glamorous sister, became a high- ranking corporate executive at a time when Fortune 500 companies were an impenetrable boys club. Their brother Bruce became a billionaire superstar of the investment banking world. Yet behind the family's remarkable success was a fiercely guarded world of private tragedies. Wendy perfected the family art of secrecy while cultivating a densely populated inner circle. Her friends included theater elite such as playwright Christopher Durang, Lincoln Center Artistic Director André Bishop, former New York Times theater critic Frank Rich, and countless others. And still almost no one knew that Wendy was pregnant when, at age forty-eight, she was rushed to Mount Sinai Hospital to deliver Lucy Jane three months premature. The paternity of her daughter remains a mystery. At the time of Wendy's tragically early death less than six years later, very few were aware that she was gravely ill. The cherished confidante to so many, Wendy privately endured her greatest heartbreaks alone. In *Wendy and the Lost Boys*, Salamon assembles the fractured pieces, revealing Wendy in full. Though she lived an uncommon life, she spoke to a generation of women during an era of vast change. Revisiting Wendy's works-*The Heidi Chronicles* and others-we see Wendy in the free space of the theater, where her many selves all found voice. Here Wendy spoke in the most intimate of terms about everything that matters most: family and love, dreams and devastation. And that is the Wendy of Neverland, the Wendy who will never grow old.

The Lost Boyz Justin Rollins, 2011 At age 14, author Justin Rollins went from being a bullied child to the leader of The Warriorz, a group of London street kids involved in graffiti tagging and other crimes, including a series of violent encounters. Eventually given a substantial custodial sentence for an attack with a meat cleaver in the London Underground, Rollins became determined to steer other young people away from such a life. The Lost Boyz tells the story of Rollins' descent into a form of madness, in which self-destruction, anger, wanton behavior, and fear reside at the core. Never has a book taken the reader so far inside the minds of troubled youths who gradually realize that there is no easy escape from their chaotic lifestyle. Their need - to gain respect from and stay credible with each other - stems from offending, alienation, living on the margins of society, and crazy behavior, all of which serve as barriers to rejoining the normal world and going straight. The book contains countless lessons for young people who might be attracted to crime. It will also interest students and researchers of youth offending, gang culture, criminology, mental health issues, or modern social history where graffiti became a telling symbol of disaffected youth.

Lost Boys James Garbarino, 2000-08-15 Remarkable. What sets Lost Boys apart from the ordinary lament is the author's palpable sense of care and compassion.--The Washington Post Book World Our national consciousness has been altered by haunting images of mass slaughters in American high schools, carried out by troubled young boys with guns. It's now clear that no matter where we live or how hard we try as parents, our children are likely to be going to school with boys who are capable of getting guns and pulling triggers. What has caused teen violence to spread from the urban war-zones of large cities right into the country's heartland? And what can we do to stop this terrifying trend? James Garbarino, Ph.D., Cornell University professor and nationally noted psychologist, insists that there are things that we, both as individuals and as a society, can do. In a richly anecdotal style he outlines warning signs that parents and teachers can recognize, and suggests steps that can be taken to turn angry and unhappy boys away from violent action. Full of insight, vivid individual portraits, practical advice and considered hope, this is one of the most important and original books ever written about boys.

Lost Boys of the River Camp Jeff Turner, 2017-04-24 Freckle-faced fifteen and sixteen-year-old uniformed sentries no longer stand guard at the summer camp's main entrance, .30 caliber rifles slung over their shoulders. The roar of the artillery drills, once rattling the window panes of nearby cottages and the frayed nerves of summer vacationers, is silent. Ther bugle calls piercing the stillness of dawn and dusk on the river are no more. Over a century ago, the civilian-backed Junior Naval Reserve established its first summer station in Uncasville, Connecticut. The river camp sought to prepare our nation's youth for service in the navy or merchant marine. Youngsters were taught the lore and lure of the sea along with a heavy dose of military training: rifle practice, artillery drills, saber tactics, marches and bivouacs, and battle formations. The heart of this tale lies with Henry Cameron, a fifteen-year-old struggling to find a place for himself in a world torn apart by war. Emboldened by a thirst for adventure, Henry enrolls and embarks on an eventful summer journey, one shaped by those

he meets along the way: a war-weary but wise cavalry lieutenant, a puzzling Uncle, a summer sweetheart, and an untamed bully set upon terrorizing the entire camp. This is an imaginative story capturing a forgotten piece of Connecticut military history. As a historical novel, it offers a seamless blend of fact and fiction and a thought-provoking portrait of junior midshipman training during WWI.

The Lost Boys of Sudan Jeff Burlingame, 2012-01-15 How did anyone manage to escape from the Nazi death camps or the killing fields of Cambodia? Great Escapes presents gripping accounts of narrow escapes to illuminate historical events from a distinct, personal perspective. Here are the brave individuals caught in history's worst atrocities and their amazing will to survive. David Bol, one of Sudan's many lost boys, tells of his four-month trek across Ethiopia to a refugee camp during a horrific civil war. William Wells Brown depended on the station masters on the Underground Railroad to help him escape to the North and to freedom from slavery. Jewish prisoners Rudolf Vrba and Alfred Wetzler smuggled out proof of Nazi extermination practices, outrunning German bullets to tell everyone about Auschwitz. Primary sources add drama to each compelling narrative while the text addresses the broader significance of the event, the social issues at stake, and how society continues to be affected.

J M Barrie and the Lost Boys Andrew Birkin, 2019-06-18 This literary biography is a story of obsession and the search for pure childhood . . . Moving, charming, a revelation (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of Peter Pan, or The Boy Who Wouldn't Grow Up, led a life almost as interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this absolutely gripping read reveals the dramatic story behind one of the classics of children's literature (Evening Standard). A psychological thriller . . . One of the year's most complex and absorbing biographies. — Time [A] fascinating story. — The Washington Post

A Dark Vampire Curse Nikki St. Crowe, A cursed vampire claims she's the key he's been searching for. Emery would think Rhys Roman was insane if it wasn't for this annoying ability she's had her entire life: she can read minds. And oddly enough, she can't read his. Suddenly, Emery is ushered into a dark, deadly underworld of the city she loves where Rhys is reigning king. Or at least he is until the curse plaguing him and his vampires turns them all into feral bloodsuckers. Time is running out. Rhys thinks only Emery can break the curse. She'd tell him to buzz off if every time he was near, her body didn't turn electric with desire. Rhys has money, power, and a face to die for, but he only has eyes for Emery. The thrill of it is intoxicating, but what happens if she can't help him? Does he want Emery only to save himself? Or is it Emery that needs

saving? In A Dark Vampire Curse you can expect lots of should-I-shouldn't-I tension between the main characters and plenty of snark, sass and diehard loyalty between the members of this powerful vampire family. A Dark Vampire Curse is a full length novel with HEA for the main characters. Note there is a teaser epilogue for new series with cliff.
