Because I Don't Have Wings Philip Garrison, 2022-10-04 For Mexican workers, the agricultural valleys of the inland Northwest are a long way from home. But there they have established communities, settlements recent enough that it feels like these newly arrived immigrant mexicanos are pioneers, still getting used to the Anglos and to each other. This book looks at the inner lives of Mexican immigrants in a northwestern U.S. boomtown, a loose collection of families from Michoacán and surrounding states living a mere 150 miles from Canada. They are more isolated than most mexicano communities closer to home, and they endure severe winters that make life more difficult still. Neighborhoods form, dissolve, and re-form. Family members who leave may stay in touch, but friends very often simply vanish, leaving only their nicknames behind. Without a market or a plaza, residents meet at weddings, christenings, and funerals—or at the food bank. Philip Garrison has spent most of his life in this region and shares in vivid prose tales of immigrant life, both contemporary and historical, revealing the dual lives of first-generation Mexican immigrants who move smoothly between the Yakima Valley and their homes in Mexico. And with a scholar's eye he examines figures of speech that reflect mexicano feelings about immigrant life, offering glimpses of adaptation through offhand remarks, family spats, and town gossip. Written with irony but bursting with compassion, *Because I Don't Have Wings* features vivid characters, telling anecdotes, and poignant reflections on life, unfolding an immigrant's world strikingly different from the one we usually read about. Adaptation, persistence, and survival, we learn, are traits that mexicano culture values. We also learn that, over time, mexicano immigrants don't merely adapt to the culture of el norte, they transform it.

Dichos! The Wit and Whimsy of Spanish Sayings Joseph J. Keenan, 2019-02-19 A language guide “exploring nearly 300 old and new expressions, proverbs and folk wisdom” from the author of *Breaking Out of Beginner's Spanish* (The Eagle). One of the most challenging—and entertaining—aspects of learning another language is the idiom. Those quirky phrases, steeped in metaphor and colorful cultural references, enliven conversation and make your cross-cultural communication familiar, fun, and meaningful. ¡Dichos! (Sayings) brings us a vibrant compendium of both age-old and brand-new expressions

from across Latin America, compiled by the language enthusiast whose *Breaking Out of Beginner's Spanish* transformed thousands of readers' interactions with the Spanish language. *¡Dichos!* is divided into thematic sections covering topics ranging from games and relaxation to politics, macho men, and Mondays. Packed with gems like *La barba me huele a tigre*, *y yo mismo me tengo miedo* (My beard smells of tiger, and I'm even afraid of myself) and *Para todo mal, mezcal; para todo bien, también* (For everything bad, mezcal; for everything good, likewise), this book is the ultimate tool for taking your language skills to the next level as you navigate nuance with humor and linguistic agility.
