Up and down the Cline □ The Nature of Grammaticalization Olga Fischer, Muriel Norde, Harry Perridon, 2004-05-28

The basic idea behind this volume is to probe the nature of grammaticalization. Its contributions focus on the following questions: (i) In how far can grammaticalization be considered a universal diachronic process or mechanism of change and in how far is it conditioned by synchronic factors? (ii) What is the role of the speaker in grammaticalization? (iii) Does grammaticalization itself provide a cause for change or is it an epiphenomenon, i.e. a conglomeration of causal factors/mechanisms which elsewhere occur independently? (iv) If it is epiphenomenal, how do we explain that similar pathways so often occur in known cases of grammaticalization? (v) Is grammaticalization unidirectional? (vi) What is the nature of the parameters guiding grammaticalization? The overall aim of the book is to enrich our understanding of what grammaticalization does or does not entail via detailed case studies in combination with theoretical and methodological discussions.

Scientific English Alessandra Damiani, Aaron Harwood, 2020-12-17 Scientific English: Conceptual Understanding and Abstract Writing è un compendio di Inglese Scientifico scritto in lingua inglese, uno strumento per meglio scrivere e comprendere il linguaggio accademico in lingua. Il testo identifica nei connettivi enunciativi i perni del discorso scientifico, offre una serie di spunti per aumentare la propria velocità di lettura e mostra come scrivere un abstract che risulti corretto da un punto di vista accademico e accattivante da un punto di vista bibliometrico. Il compendio analizza la tipologia degli articoli scientifici e la loro articolazione in sezioni, facendo esplicito riferimento al formato IMRAD; nel contempo, provvede una griglia per la coniugazione dei verbi proprio in funzione di tali sezioni, fornisce uno schema per l'uso e l'identificazione dei connettivi enunciativi, esamina i tipi di paragrafo utilizzati in ambito scientifico, offre una tabella per il corretto posizionamento degli avverbi e una lista di frasi fatte utili nella composizione dei resoconti scientifici. Scientific English: Conceptual Understanding and Abstract Writing is a compendium of Scientific English written in English, and a tool to better understand academic language both spoken and written. The text identifies sentence connectors as the pillars underpinning scientific discourse, offers a number of ideas to increase one's reading speed and shows how to write effective abstracts that are both appropriate from an academic perspective, and conducive to a high bibliometric score. This compendium analyses

the typologies of scientific articles and their articulation into sections, making specific reference to the IMRAD format, whilst providing a framework for the conjugation of verbs according to these sections and offering a scheme for the use, as well as identification of sentence connectors. Furthermore, it also examines the various paragraph types used within science, offering a table to assist in the correct positioning of adverbs and providing a list of common phrases and idioms useful in the composition of scientific reports.

Corpus-based Research on Variation in English Legal Discourse Teresa Fanego, Paula Rodríguez-Puente, 2019-02-15 This volume provides a comprehensive overview of the research carried out over the past thirty years in the vast field of legal discourse. The focus is on how such research has been influenced and shaped by developments in corpus linguistics and register analysis, and by the emergence from the mid 1990s of historical pragmatics as a branch of pragmatics concerned with the scrutiny of historical texts in their context of writing. The five chapters in Part I (together with the introductory chapter) offer a wide spectrum of the latest approaches to the synchronic analysis of cross-genre and cross-linguistic variation in legal discourse. Part II addresses diachronic variation, illustrating how a diversity of methods, such as multi-dimensional analysis, move analysis, collocation analysis, and Darwinian models of language evolution can uncover new understandings of diachronic linguistic phenomena.

Meaning Through Language Contrast Katarzyna Jaszczołt, Ken Turner, 2003 In four parts, this title deals with: grammaticalization; metaphor in contrast; cross-cultural pragmatics and speech acts; and the semantics/pragmatics boundary - theory and applications.

Ancient Greek Linguistics Felicia Logozzo, Paolo Poccetti, 2017-11-07 The volume assembles about 50 contributions presented at the International Colloquium on Ancient Greek Linguistics, held in Rome, March 2015. This Colloquium opened a new series of international conferences that has replaced previous national meetings on this subject. They embrace essential topics of Ancient Greek Linguistics with different theoretical and methodological approaches: particles and their functional uses; phonology; tense, aspect, modality; syntax and thematic roles; lexicon and onomastics; Greek and other languages; speech acts and pragmatics.

Pragmatic Markers, Discourse Markers and Modal Particles Chiara Fedriani, Andrea Sansó, 2017-11-15 This book offers new perspectives into the description of the form, meaning and function of Pragmatic Markers, Discourse Markers and Modal Particles in a number of different languages, along with new methods for identifying their 'prototypical' instances in situated language contexts, often based on cross-linguistic comparisons. The papers collected in this volume also discuss

different factors at play in processes of grammaticalization and pragmaticalization, which include contact-induced change and pragmatic borrowing, socio-interactional functional pressures and sociopragmatic indexicalities, constraints of cognitive processing, together with regularities in semantic change. Putting the traditional issues concerning the status, delimitation and categorization of Pragmatic Markers, Discourse Markers and Modal Particles somewhat off the stage, the eighteen articles collected in this volume deal instead with general questions concerning the development and use of such procedural elements, explored from different approaches, both formal and functional, and from a variety of perspectives – including corpus-based, sociolinguistic, and contrastive perspectives – and offering language-specific synchronic and diachronic studies.

Manual of Discourse Markers in Romance Maj-Britt Mosegaard Hansen, Jacqueline Visconti, 2024-12-02 Virtually unstudied until the 1980s, discourse markers have gone on to become a growth industry. Research on markers is central to comprehensive theories of the synchronic linguistic system as such, of the use of language in communication, and of language change. From the very beginning, linguists working on Romance languages have been at the forefront of research on discourse markers. Including among its contributors many of the foremost experts in the field, this volume not only offers substantial state-of-the-art introductions to the diverse facets of contemporary research on discourse markers, with a focus on Romance, but it achieves added value by including in each chapter original and previously unpublished results. The first part of the book addresses foundational issues: What are discourse markers? What is their relationship to other types of pragmatic markers? The second part considers discourse markers at different levels of linguistic description, in particular: their grammatical status, their semantics and pragmatics, their prosodic features, their positioning within discourse units. The third part outlines different approaches to the study of discourse markers, namely contrastive studies, corpus linguistics, discourse traditions, and historical linguistics. The fourth part explores discourse markers at the interface with central topics in linguistics, such as politeness, social variation, language acquisition and psycholinguistic processing. The final part focuses on discourse markers in each of the major Romance languages, namely French, Italian, Spanish, Catalan, Portuguese and Romanian. The volume will be of interest to researchers and students working in the field of Romance studies, general linguists, pragmatists, discourse analysts, educationalists, and psychologists.

A Reference Grammar of Modern Italian Professor Martin Maiden, Dr Cecilia Robustelli, Martin Maiden, Cecilia Robustelli, 2014-02-04 This Italian reference grammar provides students, teachers and others interested in the Italian language with a comprehensive, accessible and jargon-free guide to the forms and structure of Italian. Whatever their level of knowledge of the language, learners of Italian will find this book indispensable: it gives clear and detailed explanations of everything from the most elementary facts such as the relation between spelling and pronunciation, or the forms of the article, to more advanced points such as the various nuances of the subjunctive. Formal or archaic discourse is distinguished

from informal, everyday usage, and regionalisms are also indicated where appropriate. The authors have taken care to make it an easy and illuminating reference tool: extensive cross-referencing enables readers to quickly find the information they require, and also stimulates them to discover new, related facts.

Ontologia Formale Gianfranco Basti, Jurgen Haamas, John Searle, Angela Ales Bello, Shahid Mobeen, Raffaella Giovagnoli, Roberto Poli, Benedict Kanakappallj, 2015-09-07 In questo volume sono raccolti gli scritti frutto della ricerca effettuata nell'ambito del Progetto: "Ontologia Formale e Ontologie: uno Strumento per il Dialogo Interdisciplinare e Interculturale". Scopo del progetto è mostrare al pubblico intellettuale italiano, sia di estrazione scientifica che umanistica, le potenzialità dello strumento dell'ontologia in generale, e dell'ontologia formale in particolare, per il dialogo costruttivo interdisciplinare e interculturale. Dialogo interdisciplinare per il rapporto fra discipline scientifiche e umanistiche, dialogo interculturale per il rapporto fra le diverse culture e religioni in una società globalizzata.

Researching Language and the Law Davide S. Giannoni, Celina Frade, 2010 This volume reflects the latest work of scholars specialising in the linguistic and legal aspects of normative texts across languages (English, Danish, French, Italian, Spanish) and law systems. Like other domains of specialised language use, legal discourse is subject to the converging pressures of internationalisation and of emerging practices that destabilise well-established norms and routines. In an integrated, interdependent context, supranational laws, rules and procedures are gradually developed and harmonised to regulate issues that can no longer be dealt with by national laws alone, as in the case of the European Union. The contributors discuss the impact of such developments on the construction, evolution and hybridisation of legal texts, analysed both linguistically and from the practitioner's standpoint.

Il parlato nella scrittura italiana odierna Angela Ferrari, Anna-Maria De Cesare, 2010 La scrittura italiana contemporanea

non letteraria si è oramai appropriata di strutture linguistiche che la norma tradizionale confinerebbe al parlato, e che effettivamente fino a qualche decina d'anni fa appartenevano solo all'orale. Il fenomeno coinvolge tutti i livelli linguistici: lessico, morfologia, sintassi, punteggiatura, testo. Ma, al di là di questo suo aspetto 'pan-strutturale', qual è la reale estensione del fenomeno? Quali le precise forme della sua manifestazione, e quale la sua ragion d'essere? Gli studi qui proposti si configurano come un piccolo insieme di analisi di strutture linguistiche che possono essere considerate come particolarmente rappresentative e adeguate a offrire un contributo alla comprensione dell'assorbimento del parlato nella scrittura italiana odierna. Il loro taglio è volutamente diverso, in modo da individuare le molteplici sfaccettature del problema. Li accomuna la stessa ipotesi di fondo: lo scritto si appropria di quelle strutture linguistiche orali che sono provviste di una motivazione testuale, vale a dire che portano iscritte nella loro forma caratteristiche semantiche e informative che le rendono preziose per mettere in scena in modo univoco e trasparente l'architettura del testo.

Downloading Connettivi In Inglese provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With

the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Connettivi In Inglese has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Connettivi In Inglese . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an

excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Connettivi In Inglese . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Connettivi In Inglese , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Connettivi In Inglese has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF

downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
