

Fast Times At Ridgemont High A True Story

Cameron Crowe

Fast Times at Ridgemont High Cameron Crowe,1981 Welcome to lunch court. That's Spicoli over there, trying hard to unwrap a bologna sandwich. His eyes are still red-rimmed from the three bowls of dope he smoked after his morning surf. Stacy Hamilton doesn't look any different even though she finally lost her virginity last night. Linda Barrett, Stacy's best bud, wants to hear all about it. After all, she gives lessons. And here comes Brad Hamilton, king of the lunch court and prince of the fast-food employee hierarchy. Brad's guy who takes pride in his fries. Mike Damone takes pride in the Attitude, which he developed in Philly, his hometown, where life is cheap. And here's that wussy Mark Ratner. Girls make him sweat. He'll do more than sweat when he turns up in the yearbook class picture with something missing.

The Incredible True Story of the Making of the Eve of Destruction Amy Brashear,2019-10-08 Though the story takes place in the '80s, it feels eerily timely.—Bustle Arkansas, 1984: The town of Griffin Flat is known for almost nothing other than its nuclear missile silos. MAD—Mutually Assured Destruction—is a fear every local lives with and tries to ignore. Unfortunately that's impossible now that film moguls have picked Griffin Flat as the location for a new nuclear holocaust movie, aptly titled *The Eve of Destruction*. When sixteen-year-old Laura Ratliff wins a walk-on role (with a plus-one!) thanks to a radio call-in contest, she is more relieved than excited. Mingling with Hollywood stars on the set of a phony nuclear war is a perfect distraction from being the only child in her real nuclear family—which has also been annihilated. Her parents are divorced, and her mother has recently remarried. Her father, an officer in the Strategic Air Command, is absent . . . except when he phones at odd hours to hint at an impending catastrophe. But isn't that his job? Laura's only real friend is her new stepbrother, Terrence. She picks him as her plus-one for the film shoot, enraging her fair-weather friends. But their anger is nothing compared to what happens on set after the scripted nuclear explosion. Because nobody seems to know if a real nuclear bomb has detonated or not.

The Encyclopedia of Sexism in American Films Salvador Jiménez Murguía, Erica Joan Dymond, Kristina Fennelly, 2019-11-29 The treatment—and mistreatment—of women throughout history continues to be a necessary topic of discussion, in order for progress to be made and equality to be achieved. While current articles and books expose troubling truths of the gender divide, modern cinema continues to provide problematic depictions of such behavior—with a few heartening exceptions. *The Encyclopedia of Sexism in American Films* closely examines the many, pervasive forms of sexism in contemporary productions—from clueless comedies to superhero blockbusters. In more than 130 entries, this volume explores a number of cinematic grievances including: the objectification of women's bodies the limited character types available for female performersthe lack of sexual diversity on the screen the limited range of desirable traits for female performers the use of gratuitous sexthe narrow focus on heteronormative depictions of courtship and romance The films discussed here include *As Good as It Gets* (1999), *Beauty and The Beast* (2017), *The Devil Wears Prada* (2006), *Do the Right Thing* (1989), *Easy A* (2010), *The Forty-Year-Old Virgin* (2005), *Hidden Figures* (2016), *Lost in Translation* (2003), *Mulholland Drive* (2001), *Showgirls* (1995), *The Silence of the Lambs* (1991), *Star Wars* (1977), *Thelma & Louise* (1991), *Tootsie* (1982), *The Witches of Eastwick* (1987), and *9 to 5* (1980). By digging deeply into more insidious forms of sexual/gender discrimination, this book illuminates one more aspect of women's lives that deserves to be understood. Offering insights and analysis from more than fifty contributors, *The Encyclopedia of Sexism in American Films* will appeal to scholars of cinema, gender studies, women's studies, and cultural history.

Movies to See before You Graduate from High School Michael Howarth, 2019-12-04 Most teens love to watch movies—whether a young adult fantasy or the latest comic-book-to-screen adaptation. Alongside the usual summer blockbusters, though, are more down to earth fare, movies that best define what it means to be an adolescent. Such films provide insight and depth into the challenges and issues that many teens experience as they move from childhood into adulthood. In *Movies to See before You Graduate from High School*, Michael Howarth examines sixty coming-of-age films that are essential viewing for teenagers. Whether serious or silly, scary or profound, the films discussed here comment on the trials and tribulations of adolescence. Each entry provides a plot summary, identifies key themes, and includes other useful details such as running time and MPAA rating. Most important in each entry is the “gist” section—a relaxed and informal discussion of the film’s merits and why teens should add it to their viewing list. The films discussed here span five decades, but many of the titles are recent features that contemporary teens will appreciate—from *Easy A* and *Edge of Seventeen* to *Lady Bird* and *Love, Simon*. The films also represent a range of genres, including comedy, horror, animation, and drama. Additional elements include classic lines of dialogue, “double feature” suggestions, and more than 30 photos. And with five dozen titles to choose from, some teens will want to catch up as soon as possible! *Movies to See before You Graduate from High School* is the guide to some of the best films for young adult audiences.

You Couldn't Ignore Me If You Tried Susannah Gora, 2011-02-22 A deep dive into the Brat Pack, John Hughes, and the timeless movies they made together—“a must-have for fans of ’80s teen flicks” (Associated Press) “As readable as it is informative, Susannah Gora’s book sets these influential films into a cultural and cinematic context—and provides compelling behind-the-scenes stories about the people who made them.”—Leonard Maltin From *Sixteen Candles*, *The Breakfast Club*, and *St. Elmo’s Fire* to *Pretty in Pink*, *Ferris Bueller’s Day Off*, and *Say Anything*, the films of the Brat Pack have influenced an entire generation who still want to believe life always turns out like an eighties movie. *You Couldn’t Ignore Me If You Tried* takes us back to that golden age of youth cinema, telling for the first time the complete story behind how these films were made. Through original and revealing interviews with scores of key players like Molly Ringwald, Matthew Broderick, Judd Nelson, Anthony Michael Hall, Andrew McCarthy, Rob Lowe, John Cusack, Cameron Crowe, and Ally Sheedy, author Susannah Gora has crafted a sweeping tribute to a body of films that stirred an entire generation and a gripping account of the people who brought these films to life.

Baudrillard, Youth, and American Film Kip Kline, 2016-05-26 Baudrillard, Youth, and American Film examines the portrayal of youth in American cinema with Jean Baudrillard's radical social theory and philosophical system. Kline uses Baudrillard's corpus to analyze the troubling effects of the portrayal of youth in American teen films, namely, its contribution to discursive violence against young people which holds such a prominent place in many adult-controlled, modern institutions

like schools. This kind of violence has multiple iterations, including the inability to imagine youth as meaningful political actors, the insistence on taking teenagers to be morally impoverished, and the propensity for viewing young people as thoroughly heteronomous. While there are certainly pockets of exception, violent discourses often animate institutional disregard for youth. Kline promotes Baudrillard's fatal theory as a way for critical educators, philosophers, sociologists, and other concerned pedagogues to argue for an alteration in the way that youth is portrayed in American films, and to discourage the negative discourse that have colonized conceptions and treatment of young people.

Songbooks Eric Weisbard,2021-04-23 In Songbooks, critic and scholar Eric Weisbard offers a critical guide to books on American popular music from William Billings's 1770 New-England Psalm-Singer to Jay-Z's 2010 memoir Decoded. Drawing on his background editing the Village Voice music section, coediting the Journal of Popular Music Studies, and organizing the Pop Conference, Weisbard connects American music writing from memoirs, biographies, and song compilations to blues novels, magazine essays, and academic studies. The authors of these works are as diverse as the music itself: women, people of color, queer writers, self-educated scholars, poets, musicians, and elites discarding their social norms. Whether analyzing books on Louis Armstrong, the Beatles, and Madonna; the novels of Theodore Dreiser, Gayl Jones, and Jennifer Egan; or varying takes on blackface minstrelsy, Weisbard charts an alternative history of American music as told through its writing. As Weisbard demonstrates, the most enduring work pursues questions that linger across time period and genre—cultural studies in the form of notes on the fly, on sounds that never cease to change meaning.

The Cinema of Sean Penn Deane Williams,2015-11-17 Although best known as an Academy Award winning actor, Sean Penn's directorial works *The Indian Runner* (1991), *The Crossing Guard* (1995), *The Pledge* (2001), and *Into the Wild* (2007), consist of some of the most interesting and singular films made in the United States over the past twenty years. Each of Penn's directorial films and much of the cinema he has acted in are set in an immediate past in which a stalled time and a restricted locale apply narrative constraints. At the same time, these films all feature a sophisticated web of intertextual relations, involving actors, songs, books, films, and directors, and the political lineage to which Penn belongs, which reveal the deep cultural structures that concern each particular film.

Coming of Age in Popular Culture Donald C. Miller, 2018-10-25 Documenting the evolution of teens and media from the 1950s through 2010, this book examines the films, books, television shows, and musical artists that impacted American culture and shaped the coming of age experience for each generation. The teenage years are fraught with drama and emotional ups and downs, coinciding with bewildering new social situations and sexual tension. For these reasons, pop culture and media have repeatedly created entertainment that depicts, celebrates, or lampoons coming of age experiences, through sitcoms like The Wonder Years to the brat pack films of the 1980s to the teen-centered television series of today. *Coming of Age in Popular Culture: Teenagers, Adolescence, and the Art of Growing Up* covers a breadth of media presentations of the transition from childhood to adulthood from the 1950s to the year 2010. It explores the ways that adolescence is characterized in pop culture by drawing on these representations, shows how powerful media and entertainment are in establishing societal norms, and considers how American society views and values adolescence. Topics addressed include race relations, gender roles, religion, and sexual identity. Young adult readers will come away with a heightened sense of media literacy through the examination of a topic that inherently interests them.

Time Has Come Today Harold Bronson, 2023-09-27 People who take up a life of rock and roll either make music, collect it, write about it, sell it or get into the record business. Harold Bronson has done all of those things. In *Time Has Come Today: Rock and Roll Diaries 1967 - 2007*, he recounts the fascinating adventure of his musical life. Before he co-founded Rhino Records - America’s leading reissue label -- and put decades of rock and roll history back into musical circulation, Bronson

was just another devoted fan growing up in Southern California in the 1960s. But with boundless enthusiasm, a discerning ear and a near-photographic memory, he channeled his passion into writing for the UCLA Daily Bruin and then Rolling Stone and other magazines. After meeting and interviewing many of the era's greats, he launched the Rhino label from the back room of the Los Angeles record store he managed. His new role put him behind the scenes with many of those same artists, working to bring their old - and sometimes new -- music to the public. Completing a trilogy that began with *The Rhino Records Story* (2013) and *My British Invasion* (2017), *Time Has Come Today* is a 40-year memoir in diary form that documents Bronson's progress from student musician and journalist to label executive, where his fandom, wit and creative imagination augmented and altered the course of many great careers. *Time Has Come Today* contains concert accounts, historical events and meetings with many noted hitmakers with fascinating details that have never before been made public. This unique, behind-the-scenes document is packed with dates and details and loaded with many boldface names. · Lunches with Peter Noone, Terri Nunn, Wally Amos and Henny Youngman · A limo ride and platinum-record award ceremony with all four Monkees · In the studio with Black Sabbath · Home visits with George Carlin, Howard Kaylan of the Turtles, Mike Nesmith of the Monkees, Stephen Bishop and others · Bail Arthur Lee of Love out of jail · Parties with Gene Simmons, Alice Cooper and many other celebs · Conversations with the Bee Gees, the Doors, the Knack, George Clinton, ELO, Mickie Most, Hunter S. Literature into Film Linda Costanzo Cahir, 2014-12-24 For most people, film adaptation of literature can be summed up in one sentence: The movie wasn't as good as the book. This volume undertakes to show the reader that not only is this evaluation not always true but sometimes it is intrinsically unfair. Movies based on literary works, while often billed as adaptations, are more correctly termed translations. A director and his actors translate the story from the written page into a visual presentation. Depending on the form of the original text and the chosen method of translation, certain inherent difficulties and pitfalls are associated with this change of medium. So often our reception of a book-based movie has more to do with our expectations and reading of the literature than with the job that the movie production did or did not do. Avoiding these biases and fairly evaluating any particular literary-based film takes an awareness of certain factors. Written with a formalistic rather than historical approach, this work presents a comprehensive guide to literature-based films, establishing a contextual and theoretical basis to help the reader understand the relationships between such movies and the original texts as well as the reader's own individual responses to these productions. To this end, it focuses on recognizing and appreciating the inherent difficulties encountered when basing a film on a literary work, be it a novel, novella, play or short story. Individual chapters deal with the specific issues and difficulties raised by each of these genres, providing an overview backed up by case studies of specific film translations. Films and literary works receiving this treatment include *The Unbearable Lightness of Being*, *The Manchurian Candidate* (1962), *Lady Windemere's Fan* by Oscar Wilde and Shakespeare's *Henry V*. Interspersed throughout the text are suggestions for activities the film student or buff can use to enhance his or her appreciation and understanding of the films.
