**The Other "F" Word** Sara Stamp, 2019-05-02 Life is hard to control. One day you're picking up your kids from preschool and the next day you're learning your four-year-old has brain cancer. Where do you turn when your worst nightmare becomes your reality? When life is good, faith is easy. When your perfectly laid plans have been derailed, it's difficult to see the point in believing in anything. How could God allow such a thing to happen if he's really good? Death, divorce, abuse, financial ruin - the difficulties take many forms, but the way out is singular. This book is here to help you remember why you need your faith and how to hang onto it when Faith is NOT the f-word you want to use. Sara Stamp lived every parent's worst nightmare the day she and her husband heard the words your child has cancer. Standing at the edge of a darkness that welcomed her, she knew she had a choice to make. In *The Other F-Word*, Sara shares her experience of learning to give up the illusion of

control and allowing faith to fill the gap between what we want and what God has planned. This book is about the choice we have when life really hits the fan. It's how to incorporate faith into your life when you want to run away from God, not toward him. If you're suffering due to a significant life event that has left you questioning your faith, this book will remind you of why the f-word that you need the most is Faith. Grab your copy today if you're ready to fill the empty spaces with something bigger, move through your pain and anger, and allow God to work in your life.

When Faith Meets Therapy Anthony Evans, Stacy Kaiser, 2022-08-16 The power of faith intersects with the practicality of counseling in this unique partnership of a faith/worship leader and a therapist as they offer a pathway for readers to find help, hope, healing, and freedom while navigating life's struggles. No one is immune from life's difficulties, yet many people are reluctant to talk about mental health or seek professional help when they are struggling. People of faith who are battling issues such as anxiety, depression, life changes, stress, or relationship problems may suffer in silence, believing things will get better if only their faith was stronger, they prayed more, or they had more self-discipline. The stigma about needing to seek help is all too real. But seeking professional help isn't a sign of weakness; it's a sign that someone is serious about moving forward emotionally, relationally, and spiritually. Written by producer, artist, and author Anthony Evans, along with licensed psychotherapist Stacy Kaiser, *When Faith Meets Therapy* dispels the cultural myths and stigmas that surround professional therapy; shares stories from the authors' personal experiences and from others who are facing life's challenges; and provides practical steps that readers can take in the pursuit of emotional, relational, and spiritual progress. Anthony and Stacy met five years ago when he was seeking emotional and relational healing of his own. Stacy led Anthony through a process of internal renovation and continues as his personal therapist. *When Faith Meets Therapy* contains priceless, practical knowledge to break stereotypes that surround therapy while also offering immeasurable hope and encouragement.

*There are No Plan B's in the Kingdom* Marian E. Turenne, 2013-01-25 Marian writes, "Prior to sending ATTB to be published, I began feeling like I had been 'set-up'. Yeah set-up! It was as if God actually prompted my writing it to serve as a 'forerunner' for what He was really calling me to do." She encourages her readers; that if God has ever made you a promise:

- Hold onto His unchanging hand
- Meditate on His word
- Recall His faithfulness
- Observe those around you standing in faith
- Never be afraid to ask difficult questions
- and Don't Ever Forget God's promised to never leave, nor forsake you

**He's God and We're Not: The Seven Laws of the Spiritual Life** Ray Pritchard, Several years ago Pastor Ray Pritchard set out on a journey. The destination of his journey was to discover the basic laws of the Christian's life. Not surprisingly, his journey began and ended in the same place—God. Romans 11:36 poetically proclaims for from Him and through Him and to Him are all things. All spirituality flows from a correct perspective of God, and all heresy begins with a misunderstanding of God. From this beginning, Pastor Ray compiled the Seven Laws of the Spiritual Life. These laws are the basic truths that every believer needs to know in order to have a healthy relationship with God.

**Texting Faith, Hope, and Love** JoAnn Willoughby Hays, 2023-05-22 I started writing down favorite scriptures, quotes, and sayings in fifth or sixth grade. I taught children's Bible classes for 42 years and public school classes for 29 years and I always found a way to use many of the quotes and sayings in all my classes. I still get excited when I see a great quote in a book or magazine, or even on a T-shirt. I have four grandchildren I adore, and I don't get to see them as often as I did when they were children, or during the pandemic. Cale is a graduate of Oklahoma Christian University and is busy with his career. Mackenzie will be a senior at the University of Oklahoma. Tate is a newlywed and is attending the Oklahoma State University's Fire Academy to become a firefighter, and our youngest, Danny, is a 6'4 basketball player who will be a junior at Edmond Memorial High School. I found a quote a few years ago from the gymnast, Gabby Douglas. She said, By now, you've

probably caught on to something: my mother is always standing by with just the right scripture or inspirational saying to get me through any tough situation. I was so blessed to have my grandchildren living in the same town when they were growing up and all four of them were in my sixth grade Sunday school class. I think all of us who are grandmothers want to be like Timothy's grandmother, Lois. I read Gabby's quote and realized how important that was to her. I can't stand by my grandchildren, but I thought I can text scriptures and quotes to them. Also, Corrie ten Boom's book, *The Hiding Place* came out when my girls were babies. I read it during their nap times. I also watched as many of her interviews as I could. She and her family were Christians in Holland and hid hundreds of Jews being smuggled to safety in a secret hiding place in their combination home and watch and clock repair store. Her entire family was caught by the Nazis and sent to concentration camps. They weren't allowed Bibles, so they taught people using the scriptures they had memorized. I heard her tell a story of finding a broken piece of pencil and writing scriptures down on little scraps of paper and giving them to people to give them hope. That inspired me to memorize more scriptures, so I could always have a Bible close to me. I started texting scriptures and different quotes to my grandkids group once or twice a week. I prayed that this would keep them in the Word and remind them their words and actions need to glorify God. One night I needed to send a new text and it took me about thirty minutes to write one and send it. I remember thinking I wish I could go online or go to Mardel's store to find a book that had the type of devotionals I wanted. My next thought was why don't I write one. I'm retired and I already have over thirty devotionals finished. I could just add about a hundred more and I would have a book of devotionals. I said a prayer and started compiling my devotion lesson plan book the next day.

**The 'Ism' Dilemma** George I. Bailey, 2020-11-09 My wife and I have been born again saved Christians for over 20 years. We do have a non-denominational church home and we study The Holy Bible together regularly at home. We have a blended family with 3 adult children and 2 grandchildren. I have worked for 20 years in electric operations and transportation. I have a Bachelor's Degree in Psychology and am currently pursuing a Master's Degree in Christian Apologetics. The book is primarily about relationship issues that result from illegitimate people groupings in modern day society. The book has an overwhelming focus on the spiritual impact on people, when pride based problems are not properly addressed with a biblical relationship with Jesus Christ. I have personally struggled with many of the people grouping issues discussed in this book; pride has been one such stumbling block for me. Creating this book has in part been a personal journey for me, helping me to heal some of the wounds inflicted upon me by others, as well as heal wounds I've caused others. It is my sincere hope and prayer that your journey through this book will heal you and your loved ones, as it has done for me and my family. With God's help, Christians and Non-Christians alike can all benefit from the experiences, tools, and methods in this book by improving themselves spiritually, and by improving the quality of their relationships with others

**Every Woman Is a Female but Not Every Female Is a Woman** Minister Roberta L Robertson, 2022-06-12 When, a human female, is born, birth doesn't automatically make her a mature, godly woman. Instead, living through life experiences, tests, trials, fleshly decisions, and mistakes helps her transition from female to Godly Womanhood. Despite the enemy's attempt to castrate her God-given purpose through scars and insecurities, God has plans to elevate and promote her to new

territories and dimensions. Every female has taken a bite of the forbidden fruit at some point. And each chapter paints canvases of a scene, which helps walk her through evolving moments into deliverance, restoration, and victorious outcomes without regret. God wants to meet every female right where she is in her life. In Every Woman is a Female but not Every Female is a Woman, Minister “Ro” will demonstrate transparency and personal testimony. She will use scriptural references to share how trusting God’s process will revolutionize her life and lead her to discovery.

**The Divine Inquiry** Sanford Zensen, 2023-01-10 Jesus had a lot to say about the way we live out our daily lives. In the process, he asks a lot of questions that are insightful, penetrating, and thought-provoking, all demanding an honest appraisal of oneself and an appropriate, life-changing response. He asks the same questions today. For example, Why are you so afraid? What do you want me to do for you? What good will it be for a man if he gains the whole world, yet forfeits his soul? This book explores a sampling of the questions Jesus asked, as he walked the streets of the ancient world. Every divine inquiry was/is designed to confront, convict, challenge, conform, and/or comfort (cf John 16:7-13) His listeners. His intention has always been the same - to give us a fresh, new set of eyes with which to assess our individual lives, address areas of personal weakness, encourage spiritual and emotional maturity, and press us to apply practical life-principles that actually work in everyday living. His purpose is discipleship, Christlikeness. His objective is to move us to consider the deepest of

truths regarding the person I am, the person I could be, and the person I must be.

**We Are Never Alone** Diane Whitaker, 2024-11-01 Things I wish someone told me sooner: Parents are human. Most people question what the best way is to read the Bible and understand it. Is there a way to use our knowledge so it isn't wasted? Now is the time to find insight and discover the truth of your existence. God approached someone and proclaimed, I am real. Then said, Write me a book about myself. She rejected the request. After thirty years, God presented her with a final test of her faith through an incurable illness. Her faith stayed intact, yet she suffered brain damage. No memory of words, people, and God. Emotions of a five-year-old. God's plan is unfolding as she embarks on a new life, slate wiped clean. God allowed her to gain faith in him on her own accord. She searched for God, and he revealed himself. God once more said, Write a book about me. She agreed. With God as her foundation, he invested a couple of years in nurturing her heart and teaching how he thinks. She came out completely changed, settled, and at peace. Living like she was already in paradise. God revealed his fundamental concepts that you will eagerly share with your children throughout their lives. Her entire life was orchestrated by God to give you his message. In *We Are Never Alone*, you'll discover. Why we exist on earth The God Talk How to get God's attention Experience God directly Notice God's presence in the lives of his servants, both past and present. You have come to a crossroad. It is your time. What actions do you plan to take? I know God placed this book before you for a reason!
