Love & Literacy Paul Bambrick-Santoyo, Stephen Chiger, 2021-05-04 When our students enter middle and high school, the saying goes that they stop learning to read and start reading to learn. Then why is literacy still a struggle for so many of our students? The reality is that elementary school isn't designed to prepare students for *Othello* and *Song of Solomon*: so what do we do? *Love and Literacy* steps into the classrooms of extraordinary teachers who have guided students to the highest levels of literacy. There is magic in their teaching, but that magic is replicable. It starts with a simple premise: kids fall in love with texts when they understand them, and that understanding comes from the right knowledge and/or the right strategy at the right time. *Love and Literacy* dissects the moves of successful teachers and schools and leaves you with the tools to make these your own: Research-based best practices in facilitating discourse, building curriculum, guiding student comprehension and analysis, creating a class culture where literacy thrives, and more Video clips of middle and high school teachers implementing these practices An online, print-ready Reading and Writing Handbook that places every tool at your fingertips to implement effectively Discussion questions for your own professional learning or book study group Great reading is more than just liking books: it's having the knowledge, skill, and desire to experience any text in all its fullness. *Love and Literacy* guides you to create environments where students can build the will and wherewithal to truly fall in love with literacy.

The Cottage Life Tiffany Francis-Baker, 2023-04-25 *The Cottage Life* reflects our collective desire to escape the chaos of modern existence; to live with more purpose, more compassion and more joy. *The Cottage Life* is an essential guide to slow and simple living, inspired by the magical world of cottagecore. To follow the cottagecore aesthetic is to wear secondhand clothes that tell their own stories; to bake fresh bread and cakes, no matter how wonky the outcome; to spend time in nature, to observe and draw the plants, to breathe fresh air and to connect with species beyond our own. It is taking the time to notice the seasons change, or to turn off your screen mindfully and pick up an old novel instead. It is lighting a fire on the first cool night of autumn and sipping a fresh cup of tea by the fireplace, or watching the first spring leaves unfurl after the long, dark winter. Celebrating the small joys in life, from the first birdsong of the morning to the taste of ripe plums on a summer afternoon. And, above all else, it is learning to slow down, connect with the world around you and be a more compassionate, conscientious citizen of the earth. Each chapter explores different ways of embracing the cottagecore lifestyle, such as interacting with nature, eating seasonally and getting creative. Inherently low-impact and green, cottagecore embraces reuse and recycling and celebrates an old-fashioned no-waste ethic. Fortunately for most, possession of a country cottage is not essential to embody the cottagecore spirit. With guidance on nurturing your home and small touches for interior decoration, *The Cottage Life* brings country living ideals to any space. Cottagecore is much more than a fashion trend or social media bandwagon. It is a peaceful protest against the darker elements of modern life—*The Cottage Life* is a gentle embrace with the past, encouraging you to truly enjoy the present and nurture a brighter future.

The Red House Mary Morris, 2025-05-13 Award-winning novelist Mary Morris weaves together an unsolved family mystery, a poignant coming-of-age story, and a little-known corner of World War II history in this lyrical novel of family, loss and, ultimately, love. Thirty years ago, Laura's mother, Viola, went missing. She left behind her purse, her keys and her mysterious paintings of a red house. Viola was never found, and her family never recovered. Laura, an artist herself, held on to the paintings. On the back of each work, her mother scrawled in Italian, "I will not be here forever." The family never understood what Viola meant. Decades later, at a crossroads in her marriage and her life, Laura returns to Italy, where her parents met after World War II. Laura spent the earliest years of her childhood there before the family moved to New Jersey and settled into an American dream that eventually became a nightmare. Viola, who claimed to be an orphan, staunchly refused to speak of her life before marriage. In Italy, Laura finds herself on a strange scavenger hunt to solve the puzzle of her mother's lost years. She is certain that the paintings of the red house hold the answer to her mother's past and her search takes her from her hometown of Brindisi, deep into Puglia where she encounters a man who knew her mother and who illuminates little-known secrets of Italy's Second World War. Blending elements of true crime with settings that evoke

Elena Ferrante, Laura follows her mother's trajectory as she ventures north to Naples, Turin and finally home. Along the way, she confronts the dark truth of her mother's story and at last makes sense of her own.

Brothersong TJ Klune,2022-09-01 Brothersong is the fourth and final book in the Green Creek Series, the beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and family. "Complex and startling... Green Creek is the perfect setting." —Charlaine Harris The Bennett family has a secret: They're not just a family, they're a pack. Brothersong is Carter Bennett's story. In the ruins of Caswell, Maine, Carter Bennett learned the truth of what had been right in front of him the entire time. And then it—he—was gone. Desperate for answers, Carter takes to the road, leaving family and the safety of his pack behind, all in the name of a man he only knows as a feral wolf. But therein lies the danger: wolves are pack animals, and the longer Carter is on his own, the more his mind slips toward the endless void of Omega insanity. But he pushes on, following the trail left by Gavin. Gavin, the son of Robert Livingstone. The half-brother of Gordo Livingstone. What Carter finds will change the course of the wolves forever. Because Gavin's history with the Bennett pack goes back further than anyone knows, a secret kept hidden by Carter's father, Thomas Bennett. And with this knowledge comes a price: the sins of the fathers now rest upon the shoulders of their sons. The Green Creek Series is for adult readers. Now available from Tor Books. The Female Gaze Jan Suzukawa,2024-02-15 What is the female gaze and why is it important? Arts, entertainment, and culture have been defined through the male gaze for centuries. But things are rapidly changing. The question is not whether society is ready, but whether women themselves are ready to fully express what they see through their gaze - their unique perspective as women. The Female Gaze discusses how the female gaze differs from the male gaze in books and movies such as Star Wars, Fifty Shades of Grey, Nomadland, The Girl with the Dragon Tattoo, Emily the Criminal, and The Woman King, and also examines slash, Japanese yaoi, and m/m romance as alternatives to traditional heteronormative romance stories.
