*Black, Quare, and Then to Where* jennifer susanne leath, 2023-10-20 In *Black, Quare, and Then to Where* jennifer susanne leath explores the relationship between Afrodiasporic theories of justice and Black sexual ethics through a womanist engagement with Maât the ancient Egyptian deity of justice and truth. Maât took into account the historical and cultural context of each human's life, thus encompassing nuances of politics, race, gender, and sexuality. Arguing that Maât should serve as a foundation for reconfiguring Black sexual ethics, leath applies ancient Egyptian moral codes to quare ethics of the erotic, expanding what relationships and democratic practices might look like from a contemporary Maâtian perspective. She also draws on Pan-Africanism and examines the work of Alice Walker, E. Patrick Johnson, Cheikh Anta Diop, Sylvia Wynter, Sun Ra, and others. She shows that together these thinkers and traditions inform and expand the possibilities of Maâtian justice with respect to Black sexual experiences. As a moral force, leath contends, Maât opens new possibilities for mapping ethical frameworks to understand, redefine, and imagine justices in the United States.

*The Child-Parent Relationship in the New Testament and Its Environment* Peter Balla, 2015-12-18 What was family life like in the early church? How did early Christians treat their parents? Would early Christian families have been admired or scorned by their neighbors? Did the relationships between early Christian children and their parents mirror those in the families around them? What characteristics were typical of the first few generations of followers of Jesus? Marshalling the evidence from both New Testament and nonbiblical texts, Peter Balla offers fresh insight into the first Christian families.

**Haven: The Mediterranean Crisis and Human Security** John Morrissey, 2020-10-30 The Mediterranean refugee crisis presents states across Europe with a common security challenge: how to intervene responsibly in mitigation and support. This book seeks to advance the UN concept of 'human security' in showing how a human security approach to the crisis can effectively conceptualize and respond to the intricacies of the challenges faced. It argues for a politics of solidarity in proffering integrated solutions that call out the failure of top-down, statist security measures. Leading international authors from a range of disciplines document key dimensions of the crisis, including: the legal mechanisms enabling or blocking asylum; the biopolitical systems for managing displaced peoples; and the multiple, overlapping historical precedents of today's challenges.
