The Women of Warner Brothers Daniel Bubbeo, 2010-06-21 The lives and careers of Warner Brothers' screen legends Joan Blondell, Nancy Coleman, Bette Davis, Olivia de Havilland, Glenda Farrell, Kay Francis, Ruby Keeler, Andrea King, Priscilla Lane, Joan Leslie, Ida Lupino, Eleanor Parker, Ann Sheridan, Alexis Smith, and Jane Wyman are the topic of this book. Some achieved great success in film and other areas of show business, but others failed to get the breaks or became victims of the studio system's sometimes unpleasant brand of politics. The personal and professional obstacles that each actress encountered are here set out in detail, often with comments from the actresses who granted interviews with the author and from those people who knew them best on and off the movie set. A filmography is included for each of the fifteen.

A Comprehensive Encyclopedia of Film Noir John Grant, 2023-09-21 Featuring rumpled PIs, shyster lawyers, corrupt politicians, double-crossers, femmes fatales, and, of course, losers who find themselves down on their luck yet again, film noir is a perennially popular cinematic genre. This extensive encyclopedia describes movies from noir's earliest days – and even before, looking at some of noir's ancestors in US and European cinema – as well as noir's more recent offshoots, from neonoirs to erotic thrillers. Entries are arranged alphabetically, covering movies from all over the world – from every continent save Antarctica – with briefer details provided for several hundred additional movies within those entries. A copious appendix contains filmographies of prominent directors, actors, and writers. With coverage of blockbusters and program fillers from *Going Straight* (US 1916) to *Broken City* (US 2013) via *Nora Inu* (Japan 1949), *O Anthropos tou Trainou* (Greece 1958), *El Less Wal Kilab* (Egypt 1962), *Reportaje a la Muerte* (Peru 1993), *Zift* (Bulgaria 2008), and thousands more, *A Comprehensive Encyclopedia of Film Noir* is an engrossing and essential reference work that should be on the shelves of every cinephile.

Lux Presents Hollywood Connie Billips, Arthur Pierce, 2025-02-26 The Lux Video Theatre was the longest-running radio drama program ever broadcast. Starting in 1934 the show usually featured a one-hour adaptation of a motion picture screenplay, often with members of the original movie cast. The Lux Video Theatre, the television counterpart to the radio broadcast, aired from 1950 through 1957. This reference work is a show-by-show chronicle of the series, arranged by broadcast season, and showing network affiliation, host, announcer, director, musical director, and adaptation writer. Show listings include title, date first broadcast, cast, cast of the Lux commercials, plot synopsis, and film versions of the story. Also provided are the intermission guests--D.W. Griffith, Theda Bara, King Vidor, Sid Grauman among others--interviewed between acts of the broadcasts.

The Cinema Book Bloomsbury Publishing, 2019-07-25 The Cinema Book is widely recognised as the ultimate guide to cinema. Authoritative and comprehensive, the third edition has been extensively revised, updated and expanded in response to developments in cinema and cinema studies. Lavishly illustrated in colour, this edition features a wealth of exciting new sections and in-depth case studies. Sections address Hollywood and other World cinema histories, key genres in both fiction and non-fiction film, issues such as stars, technology and authorship, and major theoretical approaches to understanding film.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23 This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three- to five-star entries (three stars=good; four stars=excellent; five stars=masterpiece), and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre (i.e. animated, drama, sports, mystery, adventure etc.) as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this

essential volume for the film buff are over 500 still photos from the author's private collection.

Vitaphone Films Roy Liebman,2015-05-20 The headline of the Variety extra on October 27, 1926, proclaimed Vitaphone1 Thrills L.A.! Vitaphone, a subsidiary of Warner Bros. formed in association with Western Electric, was one of the major producers of talkies, even though its sound-on-disc technology barely lasted four years. The Vitaphone features and shorts that have survived intact, or that have been so carefully restored, preserve much of the show business history that might otherwise have been lost with the industry's fast-paced advances in movie making. This book is a catalogue of Vitaphone features and shorts. The first section lists the features and shorts by release number. The New York productions (1926-1940) are listed first, followed by the West Coast productions (1927-1970). For shorts, the following particulars, if known and if applicable, are given: title, alternate title(s), instrumental and vocal selections performed on screen, composer(s) and performers of instrumental and vocal selections, release date and synopsis of the film, names of major cast members and directors, set information if two or fewer sets were used, and the amount paid to early performers. For features, entries list release dates, genre, and major cast members. The section on performers includes only those who appeared in shorts, listing dates and places of birth when known.

British Film Noir Guide Michael F. Keaney,2015-05-20 This work presents 369 British films produced between 1937 and 1964 that embody many of the same filmic qualities as those black films made in the United States during the classic film noir era. This reference work makes a case for the inclusion of the British films in the film noir canon, which is still considered by some to be an exclusively American inventory. In the book's main section, the following information is presented for each film: a quote from the film; the title and release date; a rating based on the five-star system; the production company, director, cinematographer, screenwriter, and main performers; and a plot synopsis with author commentary. Appendices categorize films by rating, release date, director and cinematographer and also provide a noir and

non-noir breakdown of the 47 films presented on the Edgar Wallace Mystery Theatre, a 1960s British television series that was also shown in the United States.

Bogie Richard Schickel, 2006-12-12 Features photographs from the private archives of the Hollywood icon and includes coverage of his Oscar-winning performance in *The African Queen*, his relationship with Lauren Bacall, and the ongoing legacy of *Casablanca*.

Night Drive Garnet Rogers, 2016 ...every stupid, inexplicable and bizarre thing that could happen to a pair of young idiots who were naïve enough to think they could play folk music for a living back in the mid- 70's and early 80's. The bar fights and the bike gangs, The police chases and the arrests. And a thousand gigs in every corner of North America. It's all here. At least most of it...

Working Stiffs, Union Maids, Reds, and Riffraff Tom Zaniello, 2018-05-31 The revised and expanded edition of *Working Stiffs, Union Maids, Reds, and Riffraff* offers 350 titles compared to the original edition's 150. The new book is global in scope, with examples of labor films from around the world. Viewers can turn to this comprehensive, annotated guide for films about unions or labor organizations; labor history; working-class life where an economic factor is significant; political movements if they are tied closely to organized labor; production or the struggle between labor and capital from a top-down—either entrepreneurial or managerial—perspective. Each entry includes a critical commentary, production data, cast list, MPAA rating (if any), suggested related films, annotated references to books and websites for further reading, and information about availability of films for rental and/or purchase. This edition addresses both historical and contemporary films and features many more documentaries and hard-to-find information about agitprop and union-financed films. *Working Stiffs, Union Maids, Reds, and Riffraff: An Expanded Guide to Films about Labor* features fifty-eight production stills and frame enlargements. It also includes a greatly expanded Thematic Index of Films. Two new sections will help the reader discover labor films in chronological order or by nationality or affiliation with certain cinematic movements. To read Tom Zaniello's blog on the cinema of labor and globalization, featuring even more reviews, visit <http://tzaniello.wordpress.com>. Praise for the earlier edition—Zaniello has created a useful and far-reaching guide with abundant information.... These are the sorts of films that prove what James Agee wrote in these pages nearly fifty years ago: 'The only movies whose temper could possibly be described as heroic, or tragic, or both, have been made by leftists.'—*The Nation* Zaniello has done a monumental job identifying the films that should be included in this genre.... *Working Stiffs, Union Maids, Reds, and Riffraff* is sorely needed and long overdue.—*Cineaste* An engaging and opinionated book.... Even though mining, trucking, Jimmy Hoffa, and class warfare are the book's major themes, what holds the project together is Zaniello's sense of fun and wit. [Zaniello is] a better writer than most major film critics.—*Village Voice Literary Supplement*
