Louis L'Amour's *Lost Treasures: Volume 2* Louis L'Amour, Beau L'Amour, 2019-11-19 "L'Amour is popular for all the right reasons. His books embody heroic virtues that seem to matter now more than ever."—The Wall Street Journal More unpublished works from the archives of Louis L'Amour: complete short stories, partial novels, treatments, and notes that will transport readers from the Western frontier to India, China, and even the future. Exploring the creative process of an American original, the Louis L'Amour's *Lost Treasures* series will uncover the hidden history behind the author's best known novels . . . and his most mysterious and ambitious unfinished works. In this second volume, Beau L'Amour examines how his father made the transition from struggling pulp writer to successful novelist and uses his father's notes, journal entries, and correspondence to continue the process of seeking out how and why many of these never-before-seen manuscripts were written as well as speculating about the ways they might have ended. These selections include the beginnings of a post-apocalyptic science fiction tale, a proposal for a nonfiction project based on the life of Renaissance-era traveler Ibn Batuta, and two chapters of a historical novel set in India about the origin of L'Amour's well-known Talon family. At the other end of the spectrum are classic adventures, such as "In the Measure of Time," a chance encounter set on the high seas, and a science fiction film treatment set in Mexico, as well as seventeen chapters of a novel that reappears throughout Louis's journals and letters and speaks to his fascination with post-revolutionary 1950s China, leading him so far as to correspond with the Dalai Lama. With rare photographs and commentary, this book further maps the journey L'Amour embarked upon to become one of our greatest storytellers and the diverse realms to which his imagination traveled, making him a true American pioneer.

The Collected Short Stories of Louis L'Amour, Volume 5 Louis L'Amour, 2015-12-29 The stories of Louis L'Amour are built around the dramatic moments when men and women cast their fears, doubts, and pasts behind them and plunge into the unknown—into split-second decisions with life-and-death consequences. Nowhere is that more evident than in this quintessential collection of stories set on the American frontier. Here L'Amour takes us across a bold, beautifully rendered landscape where old scores haunt new lives, the wrong choice leaves unwitting victims, and strangers may come to trust—or

kill—one another. Fugitives, visionaries, fortune seekers, drifters, and young women trying to build homes on a lawless frontier, the characters in these pulse-pounding stories are vintage L'Amour. Together in this vivid, rollicking collection, they bring to life the spirit of adventure and confirm Louis L'Amour's place in the pantheon of American writers.

Listen to Your Footsteps Kojo Baffoe, 2021-06-01 Kojo Baffoe embodies what it is to be a contemporary African man. Of Ghanaian and German heritage, he was raised in Lesotho and moved to South Africa at the age of 27. Forever curious, Kojo has the enviable ability to simultaneously experience moments intimately and engage people (and their views) sincerely, while remaining detached enough to think through his experiences critically. He has earned a reputation as a thinker, someone who lives outside the box and free of the labels that society seeks to place on us. *Listen to Your Footsteps* is an honest and, at times, raw collection of essays from a son, a father, a husband, a brother and a man deeply committed to doing the internal work. Kojo reflects on losing his mother as a toddler, being raised by his father, forming an identity, living as an immigrant, his tussles with substance abuse, as well as his experiences of fatherhood, marriage and making a career in a fickle industry. He gives an extended glimpse into the experiences that make boys become men, and the battles that make men discover what they are made of, all the while questioning what it means to be 'a man'.

West of 98 Lynn Stegner, Russell Rowland, 2012-07-25 What does it mean to be a westerner? With all the mythology that has grown up about the American West, is it even possible to describe how it was, how it is, here, in the West—just that, in the words of Lynn Stegner? Starting with that challenge, Stegner and Russell Rowland invited several dozen members of the western literary tribe to write about living in the West and being a western writer in particular. *West of 98* gathers sixty-six literary testimonies, in essays and poetry, from a stellar collection of writers who represent every state west of the 98th parallel—a kind of Greek chorus of the most prominent voices in western literature today, who seek to characterize the West as each of us grew to know it, and, equally important, the West that is still becoming. In *West of 98*, western writers speak to the ways in which the West imprints itself on the people who live there, as well as how the people of the West create the personality of the region. The writers explore the western landscape—how it has been revered and abused across centuries—and the inescapable limitations its aridity puts on all dreams of conquest and development. They dismantle the boosterism of manifest destiny and the cowboy and mountain man ethos of every-man-for-himself, and show instead how we must create new narratives of cooperation if we are to survive in this spare and beautiful country. The writers seek to define the essence of both actual and metaphoric wilderness as they journey toward a West that might honestly be called home. A collective declaration not of our independence but of our interdependence with the land and with each other, *West of 98* opens up a whole new panorama of the western experience.

Education of a Wandering Man Louis L'Amour, 2008-04-29 From his decision to leave school at fifteen to roam the world, to his recollections of life as a hobo on the Southern Pacific Railroad, as a cattle skinner in Texas, as a merchant seaman in Singapore and the West Indies, and as an itinerant bare-knuckled prizefighter across small-town America, here is Louis L'Amour's memoir of his lifelong love affair with learning—from books, from yondering, and from some remarkable men and women—that shaped him as a storyteller and as a man. Like classic L'Amour fiction, *Education of a Wandering Man* mixes authentic frontier drama—such as the author's desperate efforts to survive a sudden two-day trek across the blazing Mojave desert—with true-life characters like Shanghai waterfront toughs, desert prospectors, and cowboys whom Louis L'Amour met while traveling the globe. At last, in his own words, this is a story of a one-of-a-kind life lived to the fullest . . . a life that inspired the books that will forever enable us to relive our glorious frontier heritage.

How to Write a Million Dollar Adventure Novel: Novel Writing as a Profitable Profession Ray Mesluk, 1999

Weird Westerns Kerry Fine, Michael K. Johnson, Rebecca M. Lush, Sara L. Spurgeon, 2020-08 2021 Top Ten Finalist for the Locus Awards in Nonfiction Joshua Smith's chapter "Uncle Tom's Cabin Showdown" won the 2021 Don D. Walker Prize from the Western Literature Association *Weird Westerns* is an exploration of the hybrid western genre—an increasingly popular and visible form that mixes western themes, iconography, settings, and conventions with elements drawn from other genres, such as science fiction, horror, and fantasy. Despite frequent declarations of the western's death, the genre is now defined in part by its zombie-like ability to survive in American popular culture in weird, reanimated, and reassembled forms. The essays in *Weird Westerns* analyze a wide range of texts, including those by Native American authors Stephen Graham Jones (Blackfeet) and William Sanders (Cherokee); the cult television series *Firefly* and *The Walking Dead*; the mainstream feature films *Suicide Squad* and *Django Unchained*; the avant-garde and bizarre fiction of Joe R. Lansdale; the tabletop roleplaying

game Deadlands: The Weird West; and the comic book series Wynonna Earp. The essays explore how these weird westerns challenge conventional representations by destabilizing or subverting the centrality of the heterosexual, white, male hero but also often surprisingly reinforce existing paradigms in their inability to imagine an existence outside of colonial frameworks.

The Age of Dimes and Pulps Jeremy Agnew, 2018-07-31 From the dime novels of the Civil War era to the pulp magazines of the early 20th century to modern paperbacks, lurid fiction has provided thrilling escapism for the masses. Cranking out formulaic stories of melodrama, crime and mild erotica—often by uncredited authors focused more on volume than quality—publishers realized high profits playing to low tastes. Estimates put pulp magazine circulation in the 1930s at 30 million monthly. This vast body of disposable literature has received little critical attention, in large part because much of it has been lost—the cheaply made books were either discarded after reading or soon disintegrated. Covering the history of pulp literature from 1850 through 1960, the author describes how sensational tales filled a public need and flowered during the evolving social conditions of the Industrial Revolution.
