

La Luz Del Mundo Es Una Secta

Lloyd D. Barba, Andrea Shan Johnson, Daniel Ramírez

Sectas o iglesias Elio Masferrer Kan, 1998 Este libro es parte de la colección e-Libro en BiblioBoard.

El supermercado de las sectas Rius, 2014-07-01 Rius le entrega a sus lectores el más eficaz antídoto para no caer en las garras de alguna secta de iluminados, escogidos de Dios o extraterrestres. Nadie está a salvo de este peligro -como demuestra el autor-, sobre todo si no se ha bebido El supermercado de las sectas. Este libro -escribe Rius- intenta desenmascarar a las sectas, sean budistas, católicas, protestantes o mexicanas, y liberar de telarañas a los ingenuos e ingenuas (sobre todo) que andan a la búsqueda del camino de la luz. Producto de una investigación en serio, El supermercado de las sectas disecciona en primer lugar los engañosos mecanismos que utilizan gurús, pastores, maestros espirituales, etc., para engatusar a sus clientelas. De dichos mecanismos se valen, incluso, las sectas católicas, porque, como demuestra Rius, las principales agrupaciones sectarias se presentan en el seno mismo de las religiones establecidas; en el caso católico hay que destacar al Opus Dei y a los Legionarios de Maciel. Pero el repaso abarca prácticamente a todas las sectas que han proliferado en el mundo contemporáneo y que han hecho estragos entre los ingenuos y bienintencionados. Así, la lectura de este informado y divertido libro proporciona un blindaje eficaz para no caer en las garras del fanatismo seudo espiritual.

Depredadores sagrados Bernardo Barranco, 2021-08-20 «En todas las culturas existen bestiarios en sus mitologías. En la cultura contemporánea el depredador sagrado es la bestia con sotana. Es el maligno que se arropa y disfraza con los símbolos de santidad. Un ser infausto que seduce y violenta sexualmente a sus víctimas con el rostro y ropaje de un ángel. La psiquiatría moderna y las ciencias de la conducta definen el abuso sexual de un menor como un 'asesinato psíquico'.» — D e la introducción México ocupa el primer lugar mundial en abuso sexual infantil. Y cuando éste es perpetrado por quienes deberían dar guía y consuelo, la infamia adquiere proporciones de estruendo. Con testimonios de víctimas, filósofos, teólogos y otros expertos, Depredadores sagrados ofrece el mejor análisis que se haya hecho de la pederastia clerical en nuestro país. Esta obra, es un viaje a través del dolor, la iniquidad y las repercusiones personales y sociales. Pero también de la resistencia, la solidaridad y la denuncia. Este libro es una puerta para entender y, tal vez, para empezar a sanar en lo personal y en lo colectivo. José Barba | Erika Barrón | Ruth Casas | Leopoldo Cervantes | Daniel Portillo | Cristina Sada | Analu Salazar | Mónica Uribe

La ciencia dice ¡DIOS VIVE!, pero todas las doctrinas son falsas Alberto Arenas,2017-06-05 El libro se divide en dos partes principales, la primera analiza la personalidad de Jesús de Nazaret someramente relata su historia y esencialmente analiza los acontecimientos desde el inicio del martirio de Jesús en Getsemaní desde el punto de vista de la teología, de la historia y de la ciencia, hasta su muerte en la cruz. Asumiendo que la Biblia relate fidedignamente los acontecimientos sucedidos, pues han intervenido cientos de personas en sus diferentes y diversas versiones obedientes en ocasiones a intereses desconocidos, examina teológicamente, históricamente y esencialmente científicamente. Para esto último recurrió a escritos, entrevistas personales, por medios epistolares, internet, etc. Con múltiples científicos y médicos especialistas quienes contribuyeron importantemente en el relato de las consecuencias que médicamente enfrentó Jesús durante Su martirio y muerte, lo cual concluye con la certeza de que Jesús era y es DIOS. En la segunda parte analiza las diferentes doctrinas, reduciendo su tratado a las más relevantes, buscando sus objetivos reales y demostrando que no se basan en la verdadera historia, sino en una serie de inventos que sustentan sus diversas teorías acomodadas a justificar sus intereses mundanos. Se infiere que la realidad de las doctrinas, excepto una, se reduce a la búsqueda del poder político y sobre todo económico y de acuerdo con estos objetivos inventan hasta lo inverosímil, con tal de atraer “creyentes” cuyo significado real es atraer “dinero y poder”.

Es del Cesar o es de Dios? Elio Masferrer K.,2004-01-01 Este libro es parte de la colección e-Libro en BiblioBoard.

Oneness Pentecostalism Lloyd D. Barba,Andrea Shan Johnson,Daniel Ramírez,2023-03-13 This volume traces the history of Oneness Pentecostalism in North America. It maps the major ideas, arguments, periodization, and historical figures; corrects long-standing misinterpretations; and draws attention to how race and gender impacted the growth and trajectories of this movement. Oneness Pentecostalism emerged in the aftermath of the Azusa Street Revival (1906–9), baptizing its members in the name of Jesus Christ rather than the Father, Son, and Holy Spirit, and splintering from trinitarian Pentecostals. With its rapid growth throughout the twentieth century, especially among ethnic minorities, Oneness Pentecostalism assumed a diversity of theological, ethnic, and cultural expressions. This book reckons with the multiculturalism of the movement over the course of the twentieth century. While common interpretations tend to emphasize the restorationist impulse of Oneness Pentecostalism, leading to notions of a static, unchanging movement, the contributors to this work demonstrate that the movement is much more fluid and that the interpretation of its history and theology should be grounded in the variegated North American contexts in which Oneness Pentecostalism has taken root and dynamically developed. Groundbreaking and interdisciplinary, this volume presents diverse perspectives on a significant religious

movement whose modern origins are embedded within the larger Pentecostal story. It will be welcomed by religious studies scholars and by practitioners of Oneness Pentecostalism. In addition to the editors, the contributors to this volume are Daniel Chiquete, Dara Coleby Delgado, Patricia Fortuny-Loret de Mola, Manuel Gaxiola, David A. Reed, Rosa Sailes, and Daniel Segraves.

Terrorismo religioso Jorge Erdely,2001

Caminando en sentido contrario Eleazar Barajas,2024-01-23 CAMINANDO EN SENTIDO CONTRARIO es una reflexión sobre las enseñanzas y prácticas en la Iglesia primitiva y en la actualidad. El pastor Barajas, tomando la Carta de Judas como base, a escritos esta reflexión en una serie de mensajes para el pueblo cristiano evangélico. El pastor Barajas es el pastor principal en Ministerios Huntington Beach, en el sur de California, USA y también es el director del Seminario de Liderazgo Cristiano en la misma ciudad.

Migración y creencias Olga Odgers Ortiz,Juan Carlos Ruiz Guadalajara,2015-01-22 El aumento y complejidad que en las últimas décadas han registrado los movimientos migratorios no tiene precedentes en la historia humana. En el marco de la globalización económica y de lo que se ha dado en llamar la era de la información la movilidad humana, sobre todo aquella de carácter transfronterizo, ha generado nuevas realidades y espacios de conflicto y adaptación tanto en los contextos receptores como en aquellas regiones que se han convertido en exportadoras de población. En esta dinámica, estimulada por la pauperización de diversas regiones y por la aspiración a una mejor vida, los migrantes enfrentan una diversidad de peligros, vulnerabilidades y rechazos que dejan tras de sí, año con año, una cifra notable de abusos y mortandad, sobre todo en la amarga aventura de intentar el cruce clandestino de fronteras terrestres y marítimas. En estos procesos los migrantes utilizan sus creencias como un valioso recurso que les permite atenuar y procesar el trayecto migratorio, o bien como parte de sus estrategias de inserción social y resignificación identitaria en nuevos ámbitos, ajenos muchas veces a sus prácticas culturales. Estamos ante el esfuerzo interdisciplinario de 28 investigadores dirigido a analizar, a través de estudios de caso y reflexiones teóricas, el papel que ocupan las creencias religiosas y sus prácticas asociadas en los procesos de cambio social derivados de la experiencia migratoria, en el cual se involucra en estudio de realidades migratorias de América, Medio Oriente, África y Europa, y que abre nuevas perspectivas y posibilidades comparativas para una sociología de las religiones en movimiento.

Creyentes y creencias en Guadalajara Patricia Fortuny Loret de Mola,1999

PUB-LICIDAD Cristián F. Núñez Sacaluga,2013-11-20 En un contexto sociocultural caracterizado por la contingencia

entre lo posible y lo probable; entre la belleza y la fealdad; entre la utilidad y la inutilidad, a juicio del que escribe, los análisis meramente morfológicos de las manifestaciones publicitarias de hoy, se tornan en meras descripciones de lo representado, sin contemplar en su totalidad la fluctuante esencia identitaria de los consumidores como modificadora de la cultura, en tanto, flexible y temporalmente cambiante en términos de deseos y/o necesidades. El presente libro, analiza los acontecimientos publicitarios de los últimos años, para luego realizar un exhaustivo examen semiológico de los símbolos como inagotables modificadores de los imaginarios sociales y/o colectivos de la vida social de las comunidades y su cultura. En definitiva, define la publicidad y otras comunicaciones integradas de marketing, como creadoras sistémicas de símbolos que constantemente modifican y homogenizan los actos de consumo y por tanto las características que especifican los actos de los diversos grupos sociales.

Despersonalización Mediática: Abuso linchamiento y genocidio Josué Vicente Ocegueda Hernández, 2021-05-20
Como una extensión humana de poderosas dimensiones, los medios de difusión fueron y muy probablemente seguirán siendo usados como antesala del abuso y el linchamiento. Tal como ocurre en las calles de las metrópolis, en las plazuelas de algunos pueblos y en las redes sociodigitales, previamente se interviene a la persona deformándola, arrebatando sus vestiduras para colocarle otras y despojándole de toda su complejidad con teclado y cámara en mano. Este trabajo pretende explorar algunos de estos fenómenos en que se ha instrumentado la comunicación para causar daño a personas, grupos de personas o incluso a poblaciones enteras, pero también asoma la posibilidad de volver a reconocer en la persona, algo más que un perfil o un usuario.

Tratado breve contra la secta mahometana ... Manuel Sanz (S.I.), 1603
