**Michael Anthony, Joan F. Kaywell**

*Unwind* Neal Shusterman, 2009-08-01 In a society where unwanted teens are salvaged for their body parts, three runaways fight the system that would 'unwind' them.? Perfect for fans of THE HUNGER GAMES. Unwinding: the process by which a child is both terminated and yet kept alive. Unwinding is now a common, and accepted, practice in society. Connor's parents want to be rid of him because he's a troublemaker. Risa has no parents and is being unwound to cut orphanage costs. Lev's unwinding has been planned since his birth as part of his family's strict religion. Brought together by chance, and kept together by desperation, these unlikely companions make a harrowing cross-country journey, knowing their lives hang in the balance. If they can survive until their 18th birthday, they can't be harmed - but when every piece of them, from their hands to their hearts, is wanted by a world gone mad, eighteen seems far, far away... Gripping, brilliantly imagined futuristic thriller... The issues raised could not be more provocative - the sanctity of life, the meaning of being human - while the delivery could hardly be more engrossing or better aimed to teens. Publishers Weekly, starred review A thought-provoking, well-paced read that will appeal widely School Library Journal, starred review A breathless tale turning pages for teenage boys, as it challenges not just where life begins and ends, but what it means to be alive. Educ8 magazine a powerful, shocking, and intelligent novel... It's wonderful, wonderful stuff. The Bookbag This is the kind of rare book that makes the hairs on your neck rise up. It is written with a sense of drama that should get it instantly snapped up for film. The Times Also by Neal Shusterman: Everlost Everwild Everfound UnStrung Unwholly Unsouled Undivided

**UnDivided** Neal Shusterman, 2014-10-14 Teens control the fate of America in the fourth and final book in the New York Times bestselling Unwind dystology by Neal Shusterman. Proactive Citizenry, the company that created Cam from the parts of unwound teens, has a plan: to mass produce rewound teens like Cam for military purposes. And below the surface of that horror lies another shocking level of intrigue: Proactive Citizenry has been suppressing technology that could make unwinding completely unnecessary. As Conner, Risa, and Lev uncover these startling secrets, enraged teens begin to march on Washington to demand justice and a better future. But more trouble is brewing. Starkey's group of storked teens is growing more powerful and militant with each new recruit. And if they have their way, they'll burn the harvest camps to the ground and put every adult in them before a firing squad--which could destroy any chance America has for a peaceful future.

The Complete Unwind Dystology Neal Shusterman, 2014-10-21 Don't miss a moment of the complete New York Times

bestselling Unwind dystology from Neal Shusterman, now available as a collectible boxed set. After the Second Civil War, the Bill of Life states that human life may not be touched from the moment of conception until a child reaches the age of thirteen. However, a loophole allows parents to retroactively get rid of a teenager through a process called “unwinding.” Three teens defy the system and run away from their unwinding: Connor, a rebel whose parents have ordered his unwinding; Risa, a ward of the state who is to be unwound due to cost-cutting; and Lev, his parents’ tenth child whose unwinding has been planned since birth as a religious tithing. As their paths intersect and lives hang in the balance, Connor, Risa, and Lev must work together to survive—and they may change the fate of America in the process. This complete boxed set includes hardcover editions of Unwind, UnWholly, UnSouled, and UnDivided.

*UnSouled* Neal Shusterman, 2013-10-15 The story that began with Unwind continues. Connor and Lev are on the run after the destruction of the Graveyard, the last safe haven for AWOL Unwinds. But for the first time, they're not just running away from something. This time, they're running toward answers, in the form of a woman Proactive Citizenry has tried to erase from history itself. If they can find her, and learn why the shadowy figures behind unwinding are so afraid of her, they may discover the key to bringing down unwinding forever. Cam, the rewound boy, is plotting to take down the organization that created him. Because he knows that if he can bring Proactive Citizenry to its knees, it will show Risa how he truly feels about her. And without Risa, Cam is having trouble remembering what it feels like to be human. With the Juvenile Authority and vindictive parts pirates hunting them, the paths of Connor, Lev, Cam, and Risa will converge explosively--and everyone will be changed. Neal Shusterman continues the adventure that VOYA called poignant, compelling, and ultimately terrifying.

Between the Lines Michael Anthony,Joan F. Kaywell,2016-09-23 Michael Anthony, 20-year reading workshop practitioner at the secondary level, and Joan Kaywell, acclaimed author and advocate for young adult literature in learning, present *Between the Lines*, a creative paradigm shift for the English Language Arts workshop classroom. In contrast to the traditional sustained silent reading and individual conferencing model, an impractical commitment for most teachers, BtL invites collaborative engagement and active inquiry among students as well as on-demand writing and integrated YA literature, all designed to support existing middle and secondary level ELA classroom curriculum instruction and national academic learning standards while empowering English educators toward improved student literacy achievement and the creation of lifelong readers. The classroom activities, with student-friendly names like Book Chat Check and Pop Goes the Question, promote animated discussions in social learning contexts and produce writings supported by textual evidence from student selected texts. Clear step by step directions for facilitation and authentic models of resulting student writing are shared along with a standards-based lesson plan suitable for grades 6-12. Ongoing teacher/student journal conversations validate independent reader thought processes and provoke differentiated learning experiences. The book includes Common Core State Standards-based strategies for responding to students meaningfully and for inviting extensions beyond the book, motivating increasingly complex and connective writings. Sample dialogue journal entries are shared along with insightful commentary and practical analysis. Everything needed for implementing *Between the Lines* is contained within these pages, including a user friendly appendix filled with fully reproduceable classroom workshop materials, tips for reducing the teacher reading and writing loads, and suggestions for building an enviable classroom library stocked with award-winning adolescent literature.

*Engage Striving Students in the Common Core Classroom* Jane Feber, 2013-11 Make reading intervention engaging and effective for striving adolescent students. Thirty-five activities focus on phonemic awareness, phonics, fluency, vocabulary, and comprehension and are aligned with the College and Career Readiness Anchor Standards from the Common Core State Standards addressing literature and informational text, foundational reading skills, vocabulary, and speaking and listening. Step-by-step directions, materials lists, Common Core standards, variations for differentiated instruction, and reproducibles are included for each activity, and alternative assessment ideas, a reading interest survey, student reading suggestions by genre, and a cross-reference guide to the standards and activities complete this well-rounded resource.
