Deborah B. McDermet

Walk on Water Steve Burger,2016-01-27 Have you ever felt the presence of God in the stillness of a summer afternoon? Do you wonder how Gods Word in Scripture relates to your everyday life? Walk on Water: Meditations on Christian Faith has a flexible format to study faith in the context of the world around us. The book is divided into four sections, twelve themes, and forty-eight individual meditations. The forty-eight photo/Scripture meditations are starting points for reflection, with additional Scripture references that provide opportunities for further reading and study. Questions with each meditation can be used for personal reflection, group discussion, or written response. Whether youve lived your faith a long time or are new to Christianity, this book provides opportunities for growth in your walk with God.

Walk On Water Deborah B. McDermet,2022-02-03 Most of us settle. We live average, safe, mediocre lives. But does that kind of living reflect what God has called us to? The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may “be conformed to the image of his Son” (Romans 8:29). Jesus did not live an ordinary life, and nor should we! Walk on Water invites believers to rise above the norm. This daily devotional takes a fresh look at the Word of God. Be inspired by the lives of Esther, Daniel, Jonah, and others. Be challenged with Jesus’ no-nonsense conversations with the Pharisees and the disciples. Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms. In addition to daily devotionals, twelve true stories (experienced by Deb herself) are added at the end of each month to encourage and humor the soul.

If You Want to Walk on Water, You've Got to Get Out of the Boat John Ortberg,Stephen Sorenson,Amanda Sorenson,2003-07-24 Ortberg, in his engaging and humorous style, reflects on the biblical story in Matthew 14 and applies it to our lives today. He helps us recognize what boat we're in--the comfortable situation where we're hiding--and encourages us to face our fears and embrace the unique calling of God in our lives.

The Faith to Walk on Water Lindsey Bethel,2013-04-18 Sand between my toes, the salt air wrapping around me like a warm, summer blanket, the crashing of waves, and the meeting of sky and water. The beach is where I see the handiwork of God. As a young child, it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14. It was there that I learned of faith, the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily. It is not enough to just get out of our comfort zones, but now we need to learn to grow and walk

toward Him constantly. The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option, how doubt and fear are overcome by Jesus. He does not watch from a distance, but He is always there holding out His hand for us to take hold. So what are you waiting for? Take that step, and walk on the water!

Only Walk on Water When It Rains Patty L. Luckenbach, 2016-05-26 Only Walk on Water When It Rains is a guide for mystical cosmic consciousness and questing for unity in the wilderness. It is wisdom through stories and conversation with the great Bear Spirit. The stories and conversation reveal astonishing magic, mystery, miracles and magical song. Meister Eckhart wrote, This spirit seeks to be broken through by God. Source God, the creative Love-Intelligence, leads us through a desert into the wilderness and solitude of the divine where God is pure unity, where God gushes up within Himself. To live in the rightful means to live within consciousness. There is a cosmic life that lies within us as a compass on our path. With heartfelt respect and dignity, I share my experience of the Native Americans. I'm thankful for the soul of the American Indian. I hold respect and honor for the invitation of the relationship the Hunka (Making of Relations) ceremony where the White Lance family chose my husband and me as their brother and sister. The Indigenous wisdom has opened my heart to a deeper feeling of a mystical communion. I'm grateful for the wisdom of all indigenous nations. I honor and bless the golden thread of wisdom which has been woven by stories and ceremonies. The healing thread of wisdom continues to reflect an interconnection that is available to all people. A powerful Native American leader, Duane Hollow Horn Bear, great grandson of the famous Chief Hollow Horn Bear, whose heart was healing from the broken arrows of racism said, We all have red hearts, We are all related.

If You Want to Walk on Water Get Out of the Boat John Ortberg, 2011-03-31 Out on the risky waters of faith, Jesus is waiting to meet you and offer you his Holy Spirit power that will change your life forever, deepening your faith and trust in God.

How to Walk on Water Renee Milton,2015-05-29 Are you struggling with faith because your problems feel like they will never end? Are you having trouble seeing the light at the end of the tunnel? Do you need help with spiritual growth? How to Walk on Water gets to the root of why so many Christians miss the life lessons that God is trying to teach. It offers thoughts and tips to help Christians get spiritual gold out of their trials. Through the lens of her own life and spiritual growth, the author uses her personal story and counseling examples to show how God can take you from the prison of trials to the palaces of victory. We often feel weak and struggle to survive while waiting on God to change our circumstances. We face depression and loss of hope during turbulent times. How to Walk on Water is a reminder that God never forgets us and that soaring above our tribulations doesn't always mean happy feelings. Soaring means having strong enough wings to hold steady against the wind.

Do They Walk on Water? Leonard J. Santow,2008-11-30 A crowd gathers. People crane their necks. Cameras flash. The limo door opens. Who is it—Mick Jagger? Oprah? Tiger Woods? No. It's Alan Greenspan—and the crowd still goes wild. Many felt Greenspan walked on water during his lengthy term as Chairman of the Federal Reserve System. But was he a genius or, as Tolstoy might portray him, simply someone who could manifest confidence while attempting to captain an uncontrollable ship? In this book, economist Leonard Santow casts a steely eye on the Fed and its five most recent chairmen—Arthur Burns, G. William Miller, Paul Volcker, Alan Greenspan, and Ben Bernanke. Along the way, readers learn what function the Fed performs and why, how monetary policy differs from fiscal policy, which levers the Fed uses to change the money supply and control inflation, and more. This is one of the few books to explain the inner workings of the Fed and its Open Market Operations in layman's terms, while evaluating its most recent chiefs in their efforts to keep inflation at bay and the economy humming. Written in an easy and accessible style, the book also contains insights on the subprime mess and the securities that helped bring down the real estate house of cards, and it offers prescriptions for smoothing the choppy economic seas going forward.

Learning to Walk on Water Dr. Corey Endsley,2015-01-23 Being limited in life is a helpless feeling. The mentality of our society today is limited in their finances, relationships, knowledge, and even in health. The enemy knows that if he can keep you limited, he will keep you from becoming a threat to his kingdom. What if you could be limitless? What if you were free to give when God said give or go when God said to go? It is not impossible. It will take faith and a new mentality to believe God can use you as his instrument. Jesus taught the importance of having faith and the benefits of having a limitless mentality. Faith got Peter out of the boat, but his limited mentality made him sink. None of us have arrived. Learning to Walk on Water is a journey that every Christian must take. If we desire to be used by God to the fullest, we need to step beyond the confines of a limited mentality and do as Peter did. He learned to walk on water!

Although God knows our flaws and brokenness, He places His hands around our life, molding and making us into the vessel of His design. Break Open the Sky Stephan Bauman, 2017-05-23 In a World that Thrives on Fear, Have Faith Compared to all previous generations, we are safer, live longer, hurt less, and earn more. Yet we are more afraid than ever. Fear has slipped into our souls, leaving us on edge and constantly anxious. No longer a safe harbor, a source of strength, or a bastion for love, faith has fallen prey to a culture of fear. We face a defining moment. Will we cave to fear or rise in faith? Stephan Bauman, the former president of World Relief, has seen firsthand in some of the most difficult places in the world how it is possible to embrace love in the face of fear. Break Open the Sky is an invitation to live in authentic faith, free from fear and its debilitating symptoms. By embracing Jesus’s core yet counterintuitive teachings on truth, love, and risk, you can find freedom from the fear of the unknown, release from the uncertainty of the other, and liberation from the anxieties that hold you back. Are you ready to pursue a countercultural kingdom of grace and love rather than safety and comfort? If so, here is your guide for changing the atmosphere of your culture, church, and world. It will only happen as you take risks big enough to break open the sky.
