Fk It - Do What You Love** John C. Parkin, 2016-01-05 A recent Gallup poll in the US found that 70% of those in work didn't enjoy their job. In his latest book, John C. Parkin brings the power of saying F**k It to the subject of doing what we love. In this highly entertaining and motivational book, John sets out to prove that when we do what we love, we're actually more likely to be happier, healthier, wealthier, and more successful. He addresses the significant blocks that people experience when they consider doing what they love, including: Doing what you love is for time off, not work, Doing what I love would be selfish, I just don't know what I love and I could never make a living from doing what I love. Through no-nonsense ideas, fascinating facts and motivating calls to action, John brings us from pessimism to inspiration, so that our thoughts become powered by F**k it, I can't waste any more of my life, F**k it, I will find a way to make this work, F**k it, I will do what I love. F**k It: Do What You Love is not just a book: it's a step-by-step map to get every single person to spend their precious time on this planet doing what they love.

But none of Claudette's past battles has prepared her for this. And to make matters worse, they must stop the vicious Sea Queen and her evil children from using the Warrior Games to free the dark Wizard Grombach and conquer the world! In *Monsters Beware!*, the third and final book of the Claudette graphic novel series, Claudette is put the ultimate test. With her honor on the line will she learn that there's more to a fight than just winning?

O (meu) melhor de Portugal Sérgio A. S. Almeida, 2019-12-03 Com clássicos como a Torre de Belém e o Monumento aos Descobrimentos e pontos bem menos ilustres — mas igualmente fascinantes —, este livro é um mergulho na vida e na história de Portugal. Nele descobrimos, por exemplo, um restaurante onde o cliente tem a opção de preparar, ele próprio, o prato mais conhecido da culinária açoriana, o cozido de Furnas. As panelas são empilhadas verticalmente em diversos buracos, tapados com terra, e aguarda-se o cozimento. Cada panela é identificada por um número, e o interessado volta seis horas depois para resgatar a sua refeição. Mais que roteiros de turismo, encontram-se aqui passagens saborosas da história portuguesa, acompanhadas de curiosidades, pílulas literárias e vívidas descrições de lugares que Sérgio A. S. Almeida conheceu ao longo de suas inúmeras incursões à terra natal. Uma jornada envolvente pela ótica de um viajante experiente e de sentidos apurados. Sérgio A. S. Almeida nasceu em Portugal, em 1949, mas sua família logo se mudou para o Rio de Janeiro, em 1952. É graduado e pós-graduado em engenharia civil e ambiental, tendo trabalhado no setor durante 45 anos. Foi professor universitário por 15 anos, coeditor de seis livros técnicos de engenharia publicados pela Oxford Press (UK), tradutor para o português de diversas obras da área e por quatro anos vice-presidente da International Water Association (IWA), com sede em Londres. Sua extensa experiência em viagens internacionais adveio de trabalhos efetuados em outros países e dos 10 anos em que atuou na diretoria executiva da IWA. Hoje, afastado da engenharia, divide o seu tempo entre São Paulo, onde mora há 30 anos, e Cascais, em Portugal, dedicando-se nestes últimos anos a descobrir as maravilhas da terra onde nasceu.

Tourism as a Pathway to Hope and Happiness Tej Vir Singh, Richard Butler, David A. Fennell, 2022-12-05 Tourism is often viewed as a phenomenon that brings out the worst in human nature. Self-interest, overuse of resources, injustice and cultural erosion are but a few examples. This book explores the contrasting view that tourism can be a pathway to hope and happiness. The chapters address areas including wellbeing, positive psychology, hopeful tourism, mindfulness, peace, responsible tourism and spirituality. The volume examines the role of tourism in preserving natural wonders and architectural masterpieces, bringing out the best in tourists and locals and adding economic value if planned, developed and managed sustainably. It will be a useful resource for students and researchers in tourism, psychology and philosophy.
