The Power of God's Word Ronald Makaringi, 2025-01-03 The power of God's word' is a faith, Christian based book that consist of ten chapters which are spiritually discerned from the bible as the reference, and my experience and my personal walk with God aided me in writing this book. The book is to help believers and non-believers comprehend the significance of God's word and to understand the kind of life that God designed for his people, it will also cause people to live a life of abundant satisfaction than living a life of pain and stress, I also outlined the purpose of God through the illustration of the word. The book will lead nonbelievers to salvation as they study it and realize what a life God has freely given. I believe that God wants our relationship with him enhanced and grown, and so this book will help the world to grow with God in their walk. The biblical references made in this book are quoted from the King James Version and New International Version. I believe that this book will bring a clear meaning of the scriptures that everyone who will read it will grasp the meaning. This book will help people to raise their self-esteem and develop an unstoppable mega faith to demoralize the enemy's weapon. I have a strong believe that this book will help release destinies.
