Constructing Femininity in the Book of Jubilees Chontel Syfox,2025-07-24 A striking feature of the book of Jubilees is the visibility it gives to women in comparison to Genesis, with the matriarchs especially seeming to play an outsized role in the rewriting. Utilising approaches drawn from the fields of gender and feminist studies, *Constructing Femininity in the Book of Jubilees* interrogates the motives and priorities that guided the rewriter in his re-presentation of the matriarchs, asking to what extent the treatment of these characters was unique to this text and its author's attitude towards women or typical of the then literary Zeitgeist.

The Love of Neighbour in Ancient Judaism Kengo Akiyama,2018-06-05 In *The Love of Neighbour in Ancient Judaism*, Kengo Akiyama traces the development of the mainstay of early Jewish and Christian ethics: Love your neighbour. Akiyama examines several Second Temple Jewish texts in great detail and demonstrates a diverse range of uses and applications that opposes a simplistic and evolutionary trajectory often associated with the development of the greatest commandment tradition. The monograph presents surprisingly complex interpretative developments in Second Temple Judaism uncovering just how early interpreters grappled with the questions of what it means to love and who should be considered as their neighbour.

The Prophecies of Abraham Joseph F. Dumond,2010 This book is based on a deep understanding of the Chronological Order of the Sabbatical and Jubilee Years and why terrorism, severe weather, and now Pestilence dominate the nightly news-all promised events that were told to us thousands of years ago. There is more to come, like famines, earthquakes, war and slavery. Most people have no idea about any of this. Sadly many do not even want to know. The Prophecies of Abraham will show you a pattern that the Creator has used since creation. Once you see it, you can no longer deny it. You will then know exactly when these events are to come. Welcome to *The Prophecies of Abraham*
