Johnny Mercer Glenn T. Eskew,2013-11-15 John Herndon “Johnny” Mercer (1909–76) remained in the forefront of American popular music from the 1930s through the 1960s, writing over a thousand songs, collaborating with all the great popular composers and jazz musicians of his day, working in Hollywood and on Broadway, and as cofounder of Capitol Records, helping to promote the careers of Nat “King” Cole, Margaret Whiting, Peggy Lee, and many other singers. Mercer’s songs—sung by Bing Crosby, Billie Holiday, Judy Garland, Frank Sinatra, Ella Fitzgerald, Tony Bennett, Lena Horne, and scores of other performers—are canonical parts of the great American songbook. Four of his songs received Academy Awards: “Moon River,” “Days of Wine and Roses,” “On the Atchison, Topeka, and the Santa Fe,” and “In the Cool, Cool, Cool of the Evening.” Mercer standards such as “Hooray for Hollywood” and “You Must Have Been a Beautiful Baby” remain in the popular imagination. Exhaustively researched, Glenn T. Eskew’s biography improves upon earlier popular treatments of the Savannah, Georgia-born songwriter to produce a sophisticated, insightful, evenhanded examination of one of America’s most popular and successful chart-toppers. Johnny Mercer: Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world. Eskew contends that Mercer and much of his music remained rooted in his native South, being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians. At Capitol Records, Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music. When rock ‘n’ roll diminished opportunities at home, Mercer looked abroad, collaborating with international composers to create transnational songs. At heart, Eskew says, Mercer was a jazz musician rather than a Tin Pan Alley lyricist, and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience.

The Playbill Broadway Yearbook Robert Viagas, Amy Asch, 2006-08-01 (Playbill Broadway Yearbook). This second edition of The Playbill Broadway Yearbook has a chapter for each of the 71 Broadway shows that were running between June 2005 and May 2006, including alumni pages for shows held over from previous seasons. In addition, every show has a correspondent who records the special moments and relationships that develop during rehearsals and the run. Actor hangouts, most memorable ad-lib, celebrity visitors, and the record number of cell phone rings during a performance are among the information recorded. An insider Events section reports on such annual milestones as The Tony Awards, Gypsy of the Year, Broadway Bares, and the annual Broadway softball championship in Central Park. Once again, in addition to all the headshots of all the actors who appeared in Playbill, the book includes photos of producers, writers, designers, stage managers, stagehands and musicians. The goal is to include as many of the faces who worked on Broadway as possible. As a special treat, the Yearbook includes photos of opening night curtain calls from many shows. This is a book no Broadway buff will want to be without.

Alice Walker's The Color Purple, 2009-01-01 Alice Walker's Pulitzer Prize winning novel *The Color Purple* is a tale of personal empowerment which opens with a protagonist Celie who is at the bottom of America's social caste. A poor, black, ugly and uneducated female in the America's Jim Crow South in the first half of the 20th century, she is the victim of constant rape, violence and misogynistic verbal abuse. Celie cannot conceive of an escape from her present condition, and so she learns to be passive and unemotional. But *The Color Purple* eventually demonstrates how Celie learns to fight back and how she discovers her true sexuality and her unique voice. By the end of the novel, Celie is an empowered, financially-independent entrepreneur/landowner, one who speaks her mind and realizes the desirability of black femaleness while creating a safe space for herself and those she loves. Through a journey of literary criticism, *Dialogue: Alice Walker's The Color Purple* follows Celie's transformation from victim to hero. Each scholarly essay becomes a step of the journey that paves the way for the development of self and sexual awareness, the beginnings of religious transformation and the creation of nurturing places like home and community.

The World of Musicals Mark A. Robinson, 2014-04-17 This wide-ranging, two-volume encyclopedia of musicals old and new will captivate young fans—and prove invaluable to those contemplating staging a musical production. Written with high school students in mind, *The World of Musicals: An Encyclopedia of Stage, Screen, and Song* encompasses not only Broadway and film musicals, but also made-for-television musicals, a genre that has been largely ignored. The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts. Each entry lists the work's writers, composers, directors, choreographers, and cast, and includes a song list, a synopsis, and descriptions of the original production and important revivals or remakes. Biographical entries share the stories of some of the brightest and most celebrated talents in the business. The encyclopedia will undoubtedly ignite and feed student interest in musical theatre. At the same time, it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows. In fact, anyone interested in theatre, film, television, or music will be fascinated by the work's tantalizing bits of historical and theatre trivia.

Americana Knut Holtsträter, Sascha Pöhlmann, 2024 The essay collection *Americana* poses the basic question of how American music can be described and analyzed as such, as American music. Situated at the intersection between musicology and American Studies, the essays focus on the categories of aesthetics, authenticity, and performance in order to show how popular music is made American—from Alaskan hip hop to German Schlager, from Creedence Clearwater Revival to film scores, from popular opera to U2, from the Rolling Stones to country rap, and from Steve Earle to the Trans Chorus of Los Angeles.

Love Is Love Is Love Aaron C. Thomas, 2023-03-24 The politics of Broadway musicals matter a great deal more to U.S. American culture than they appear to mean, and they are especially important to mainstream politics surrounding sex,

gender, and sexuality. *Love Is Love Is Love* looks to the Broadway musicals of the past decade for help understanding the current state of LGBTQ politics in the United States. Through analyses of *Promises, Promises*, *Newsies*, *Hedwig and the Angry Inch*, *The Color Purple*, and *Frozen*, this book attempts to move past the question of representational politics and asks us instead to think in more complex ways about LGBTQ identity, what LGBTQ politics are, and the politics of Broadway musicals themselves. Producing new, complex readings of all five of these musicals, author Aaron C. Thomas places each of them within the context of the LGBTQ politics of their day. Some of the issues the book treats are controversies of casting, the closetedness and openness of musical theatre, LGBTQ identities, adaptation from movies into musicals, and the special power of the musical form by examining how these shows differ from the books and movies on which they're based. *Love Is Love Is Love* places contemporary LGBTQ political tensions and conversations in a new light, making this an essential companion for students and scholars of contemporary theatre, musical theatre, cultural studies, Queer studies, and gender studies.

The A to Z of African American Theater Anthony D. Hill, Douglas Q. Barnett, 2009-09-02 African American Theater is a vibrant and unique entity enriched by ancient Egyptian rituals, West African folklore, and European theatrical practices. A continuum of African folk traditions, it combines storytelling, mythology, rituals, music, song, and dance with ancestor worship from ancient times to the present. It afforded black artists a cultural gold mine to celebrate what it was like to be an African American in The New World. The A to Z of African American Theater celebrates nearly 200 years of black theater in the United States, identifying representative African American theater-producing organizations and chronicling their contributions to the field from its birth in 1816 to the present. This is done through a chronology, an introductory essay, a bibliography, and over 500 cross-referenced dictionary entries on actors, directors, playwrights, plays, theater producing organizations, themes, locations, and theater movements and awards.

Embodied Nostalgia Phoebe Rumsey, 2023-07-11 *Embodied Nostalgia* is a collection of interlocking case studies that

focus on how social dance in musical theatre brings forth the dancer on stage as a site of embodied history, cultural memory, and nostalgia, and asks what social dance is doing performatively, dramaturgically, and critically in musical theatre. The case studies in this volume are all Broadway musicals set during the Jazz Age (1910-1950), however, performed and produced after that time, creating a spectrum of nostalgic impulses that are interrogated for social and political resonance and meaning. All reflect the fractures or changes in the social dance when brought to the stage and expose the complexities of the embodied nostalgia – broadly interpreted as the physicalizing of community memories, longings, and historical meaning – the dances carry with them. Particular attention is focused on the Black ownership of the social dances and the subsequent appropriation, cultural theft, and forgotten legacies. By approaching musical theatre through this lens of social dance--always already deeply connected to notions of class and race--and the politics of choreography therein, a unique and necessary method to describing, discussing, and critically evaluating the body in motion in musical theatre is put forth.

Changed for Good Stacy Wolf, 2011-07-07 In this lively book, Stacy Wolf illuminates the women of American musical theater--performers, creators, and characters--from the start of the cold war to the present day, creating a new feminist history of the genre. Moving from decade to decade, Wolf highlights the assumptions that circulated about gender and sexuality at the time and then looks at the leading musicals, stressing the aspects of the plays that relate to women. The musicals discussed here are among the most beloved in the canon--West Side Story, Guys & Dolls, Cabaret, and many others--with special emphasis on *Wicked*.

Experiencing Music Video Carol Vernallis, 2004 Treats music video as a distinct multimedia artistic genre, different from film, television, and photography and describes how musical and visual codes work together.

Ebony, 2006-08 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

The Womanist Preacher Kimberly P. Johnson, 2017-07-28 The Womanist Preacher: Proclaiming Womanist Rhetoric from the Pulpit performs a close textual analysis of five womanist sermons to answer the question: how does womanist preaching attempt to transform/adapt the tenets of womanist thought to make it rhetorically viable in the church? And what is gained and lost in this? The sermons come from five women who are considered exemplars of womanist preaching: Elaine M. Flake, Gina M. Stewart, Cheryl Kirk-Duggan, Melva L. Sampson, and Claudette A. Copeland. This book takes the first step in womanist scholarship to dissect what is rhetorically going on in womanist preaching, to categorize womanist sermons under the four tenets of womanist preaching, and to then create four rhetorical models that reflect the rhetorical attributes of the four different categories or phrased tenets that Stacey Floyd-Thomas uses to represent Alice Walker's "womanist" definition.

Reframing the Musical Sarah K. Whitfield, 2019-03-01 This critical and inclusive edited collection offers an overview of the musical in relation to issues of race, culture and identity. By questioning ideas about what the musical is about and who it for, this groundbreaking book retells the story of the musical, prioritising previously neglected voices to reshape our understanding of the form. Timely and engaging, this is required reading for undergraduate and postgraduate students of musical theatre. It offers an intersectional approach which will also be invaluable for theatre practitioners.
