Cataloging Sheet Music Music Library Association. Working Group on Sheet Music Cataloging Guidelines,2003-07-08 Discussions are designed to expand the music cataloger's understanding of publishing practices peculiar to sheet music. While much of the content emphasizes the description of the music, there are also sections devoted to subject access to illustrations, first-line/chorus/refrain text, illustrators, engravers, and publishers, and extensive reproductions of title pages from the 18th through mid-20th centuries, accompanied by examples of the cataloging, are also included.

Early Broadway Sheet Music Donald J. Stubblebine,2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Presidential Sheet Music Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. These two volumes of Presidential Sheet Music present an exhaustive listing of presidential-related

music in all printed forms, with information on each piece.

History, Heroism and Home Terence Kearey,2012-02-20 In 1816 the author's great-great grandfather, Thomas Kearey, arrived in England to seek his fortune. He was the latest – but by no means the last – in a line of strong and resourceful men. This book is the story of the Keareys, and of their place in history through the centuries. It relates how the Ciardha ('Ciar's people') in the Ireland of the Dark Ages evolved into the modern Keareys, how holders of that name laboured, loved and fought through the centuries, and how in more recent times they were proud to fight with honour for their adopted country of Britain in two world wars. Terence Kearey has woven the carefully-researched story of what happened to his family over the centuries into the economic and social history of these islands, explaining how his ancestors coped with, and in some cases helped to change, the vicissitudes of poverty, war and economic and social change. The result is a detailed and vivid picture of a past that is quickly fading from memory.
