Rachel S Tattersall

25 days post SMILE surgery : r/lasik - Reddit Jun 27, 2022 · I'm only 25 days post-op and SMILE patients can see progress 3 months after surgery, some are even quoting up to a full year. I know the light aberrations can take 6 months even for LASIK which has a quicker recovery, as for the feeling of seeing worse and the remaining astigmatism, it could maybe get completely cleared up too. **SMILE Surgery 4 months post-op - worst decision of my life** Nov 29, 2022 · Hey guys I filed a comment to the FDA and I just wanted to share it with you because my SMILE surgery 4 months ago has been a disaster : (I am 29 years old and underwent RELEX SMILE surgery on both eyes in July 2022. I had moderate myopia (around 4 diopters) with astigmatism (1.5 - 2 diopters). Before surgery, I was told I was a perfect ... **Leper's Smile Choices : r/Pathfinder_Kingmaker - Reddit** Sep 8, 2021 · Just reached Leper's smile after exploring everything it seemed I had available in that starting Act II region. Trying to do most of the game guideless at first, but was not prepared to sacrifice either a companion, or a random NPC who seems to have some use later (Nurah). After looking things up I can't find any suggestions on who to pick, except one (that's been copy ... Smile 2 : r/horror - Reddit Smile 2: Frown? I liked Smile. It got under my skin as the fish wives down at the docks might say, and it felt like a more elegant early 2000s thriller and a nice throwback. However, I'm unsure what justifies the existence of a sequel. I guess they could broaden the concept in some way, although it may diminish the personal threat it captured well. **Anyone had experience with Bionic Smile in Las Vegas? : r ...** Feb 25, 2024 · Anyone had experience with Bionic Smile in Las Vegas? Their price is too big to be true. They seem to be very busy, full of clients, but I haven't seen many reviews from them. Not in their youtube videos, or any other public available reviews. Smile 2 theory : r/movies - Reddit Jan 24, 2024 · The goal of /r/Movies is to provide an inclusive place for discussions and news about films with major releases. Submissions should be for the purpose of informing or initiating a discussion, not just to entertain readers. Read our extensive list of rules for more information on other types of posts like fan-art and self-promotion, or message the moderators if you have ... *[Smile] The entity wasn't demonic. : r/FanTheories - Reddit* Jan 22, 2023 · The entity in Smile shows no indication of having the same mission. It's not targeting religious people, it's going after anyone with trauma to exploit. It's not having it's victims snap crosses in half or draw satanic images on their walls. It's not tempting people into doing sinful/immoral things, it's usually just straight-up forcing them. **Whats the deal with the ending of Smile? : r/horror - Reddit** That being said, I also think that Smile leaned too much

into being psychological horror until the last part so that the ending feels thematically kinda disconnected from the rest of the movie. **My Relex Smile surgery and recovery experience: One month ...** Dec 7, 2022 · Before surgery: I decided on Relex Smile because of the alleged stronger biomechanics of the eye compared to LASIK, as I have two small children who could easily hit me in the eye and as I used to do some amateur boxing, and might do some boxing in the future; and much less painful and faster recovery compared to Trans-PRK. I briefly checked the list of ... **MadeMeSmile - Reddit** Welcome! /r/MadeMeSmile is a place to share things that made you smile or brightened up your day. A generally uplifting subreddit.
