**True Biz: Reese's Book Club** Sara Novic,2022-04-05 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • A "tender, beautiful and radiantly outraged" (The New York Times Book Review) novel that follows a year of seismic romantic, political, and familial shifts for a teacher and her students at a boarding school for the deaf, from the acclaimed author of *Girl at War* "This important novel should—true biz—change minds and transform the conversation."—Maile Meloy, The New York Times Book Review (Editors' Choice) ONE OF THE BEST BOOKS OF THE YEAR: NPR, The Washington Post, Publishers Weekly, Booklist True biz (adj./exclamation; American Sign Language): really, seriously, definitely, real-talk True biz? The students at the River Valley School for the Deaf just want to hook up, pass their history finals, and have politicians, doctors, and their parents stop telling them what to do with their bodies. This revelatory novel plunges readers into the halls of a residential school for the deaf, where they'll meet Charlie, a rebellious transfer student who's never met another deaf person before; Austin, the school's golden boy, whose world is rocked when his baby sister is born hearing; and February, the hearing headmistress, a CODA (child of deaf adult(s)) who is fighting to keep her school open and her marriage intact, but might not be able to do both. As a series of crises both personal and political threaten to unravel each of them, Charlie, Austin, and February find their lives inextricable from one another—and changed forever. This is a story of sign language and lip-reading, disability and civil rights, isolation and injustice, first love and loss, and, above all, great persistence, daring, and joy. Absorbing and assured, idiosyncratic and relatable, this is an unforgettable journey into the Deaf community and a universal celebration of human connection.

Examining British and American examples found in novels, comics, poetry, television and film, the work identifies significant trends and themes that range from the last three hundred years to the present day. It is centered on an understanding of the history and development of deaf education, its impact on the use of oral speech and sign language, and the rise of deaf identity and deaf communities. The extensive research, comments and conclusions are of value to all who are interested in the medical humanities, deaf history and culture, disability studies, and representations in literature.

*Language of Identity, Language of Access* Michelle Benegas,Natalia Benjamin,2024-08-16 Grow students' linguistic capital AND value their home language In *Language of Identity, Language of Access*, authors Michelle Benegas and Natalia Benjamin highlight the urgent need for a revolution in language education that validates home languages and dialects while equipping students with the linguistic tools for social mobility. Their original LILA framework rejects the socially constructed hierarchy of languages and provides students with a broader linguistic repertoire. This accessible and teacher-friendly guide presents an overview of this liberatory approach to language and literacy, an exploration of linguistically sustaining and expanding instruction, and practical guidance on designing lessons that attend to the language of identity and the language of access. Additional recurring features include: Voces provide real-life teacher experiences from the classroom Reflecciones encourage educators to consider how principles and ideas relate to current practice and promote translanguaging Practical applications of theories (PATs) provide conceptual frameworks and lesson plans on various topics and activities. End of Chapter Conversaciones encourage dialogue and enable educators to implement concepts in their classrooms. Offering a fresh perspective on academic language as a means to access power and social capital, *Language of Identity, Language of Access* is a guide for ALL educators committed to linguistically sustaining pedagogies and empowering students with linguistic capital for social mobility.

Mother Tongue Sara Novic, 2026-06-11 In this emotionally rich first memoir, the New York Times bestselling author of *True Biz* retraces her path out of the hearing world and into the deaf community - and seeks to understand the journeys her own children must take. Sara Nović's early years were filled with music, Bible study, and a strong desire to fit in. But when she failed her school's mandated hearing test, her worldview was thrown into chaos. Desperate not to be marked as different, she told no one, staying in the hearing world for as long as she could by brute force. Eventually unable to ignore the fact that she was deaf, Nović sought out other deaf people and was welcomed into a tight knit community rooted in the beauty and joy of American Sign Language. Nović realized that rather than maintaining the facade of her old life or trying to straddle two worlds, she would need to cultivate a life in the space between. Now the mother of two young sons - one, biological and hearing, the other, adopted and deaf - Nović reflects on her life both before and after parenthood. She's raising her children within the deaf world, offering them things her younger self needed, all the while knowing that as her children grow, their own paths will branch off from hers in ways she cannot fully predict or plan for. Interwoven with Novic's personal story is a remarkable portrait of America through reflections on some of its most complex histories: the rise of the Christian right, the thorny world of international adoption, and above all, the deaf and disabled communities' stubborn survival in the face of persistent oppression. Nović's clear, bold voice is one readers will hold onto, learn from, argue with, and be inspired by, as she asks us to recognize difference as a source of opportunity rather than fear, as a chance to draw families and communities together, and to build something new.

**Klartext** Sara Nović, 2025-04-23 »Eine augenöffnende und zu Herzen gehende Geschichte über menschliche Verbindungen und die Schönheit und Widrigkeit, die es mit sich bringt, gehörlos zu sein. Ich liebe dieses Buch!« Reese Witherspoon In einem Internat für Gehörlose kreuzen sich schicksalhaft die Wege einer Lehrerin und dreier Jugendlicher. Charlie, die rebellische Neue an der River Valley School, kämpft mit ihren Gefühlen und damit, sich verständlich zu machen, denn bisher hatte sie keinen Kontakt zur Gemeinschaft der Gehörlosen. Austin gilt als Überflieger, doch seine Welt gerät ins Wanken, als seine kleine Schwester hörend geboren wird. Und Schulleiterin February Waters weigert sich zu akzeptieren, dass ihre Schule schließen muss - und ihre Ehe womöglich vor dem Aus steht. Als Charlie und Austin zusammen mit einem weiteren Schüler aus dem Internat verschwinden, beginnt für February ein Wettlauf gegen die Zeit. Dies ist eine Geschichte über Gebärdensprache und Lippenlesen, erste Liebe und Herzschmerz und vor allem über große Beharrlichkeit, Wagemut und Lebensfreude. Eine unvergessliche Reise in die Gemeinschaft der Gehörlosen und ein Fest der menschlichen Verbundenheit. Der neue Roman von Sara Nović, die selbst gehörlos ist, entführt Leser\*innen in die ebenso spannende wie

zerbrechliche und widersprüchliche Welt der Gehörlosen, in der vieles auch nicht anders ist als unter Hörenden und die dennoch ganz eigenen Regeln unterliegt.
