Suggs and the City Suggs, 2009-09-17 Revelling in the off-beat and eccentric, Londoner Suggs takes us on a nostalgic adventure to explore the disappearing history of his extraordinary home town: from the sharp tailors of Saville Row to the sex traders of Bohemian Soho, by way of quaint and quirky habitats, brilliant but endangered boozers, unique eateries that have introduced the capital to the world's finest foods and a music scene that's dear to his heart.

The Jan & Dean Record Mark A. Moore, 2016-03-03 Jan & Dean were among the most successful artists of the late 1950s through the mid-1960s, with hits including Baby Talk, Surf City, Dead Man's Curve and The Little Old Lady (From Pasadena). Slapstick humor and offbeat personas were a big part of their shtick, but Jan Berry was serious when it came to the studio. This book chronicles Jan's career as a songwriter and arranger--and his tenure as producer for Jan & Dean and other acts--with day-by-day entries detailing recording sessions, single and album releases, concerts and appearances, film and television projects, behind-the-scenes business and legal matters, chart positions and more. Extensive commentary from Berry's family, friends and colleagues is included. Studio invoices, contract details, tape box notes, copyright information and other particulars shed light on how music was made in the Hollywood studio system of the 1960s.

American Showman Ross Melnick, 2014-03-04 Samuel ÒRoxyÓ Rothafel (1882Ð1936) built an influential and prolific career as film exhibitor, stage producer, radio broadcaster, musical arranger, theater manager, war propagandist, and international celebrity. He helped engineer the integration of film, music, and live performance in silent film exhibition; scored early Fox Movietone films such as Sunrise (1927); pioneered the convergence of film, broadcasting, and music publishing and recording in the 1920s; and helped movies and moviegoing become the dominant form of mass entertainment between the world wars. The first book devoted to Rothafel's multifaceted career, *American Showman* examines his role as the key purveyor of a new film exhibition aesthetic that appropriated legitimate theater, opera, ballet, and classical music to attract multi-class audiences. Roxy scored motion pictures, produced enormous stage shows, managed many of New York's most important movie houses, directed and/or edited propaganda films for the American war effort, produced short and feature-length films, exhibited foreign, documentary, independent, and avant-garde motion pictures, and expanded the conception of mainstream, commercial cinema. He was also one of the chief creators of the radio variety program, pioneering

radio broadcasting, promotions, and tours. The producers and promoters of distinct themes and styles, showmen like Roxy profoundly remade the moviegoing experience, turning the deluxe motion picture theater into a venue for exhibiting and producing live and recorded entertainment. Roxy's interest in media convergence also reflects a larger moment in which the entertainment industry began to create brands and franchises, exploit them through content release events, and give rise to feature films, soundtracks, broadcasts, live performances, and related consumer products. Regularly cited as one of the twelve most important figures in the film and radio industries, Roxy was instrumental to the development of film exhibition and commercial broadcasting, musical accompaniment, and a new, convergent entertainment industry.

Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's *Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993* (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Invisible Stars Donna Halper, 2015-02-11 *Invisible Stars* was the first book to recognize that women have always played an important part in American electronic media. The emphasis is on social history, as the author skillfully explains how the changing role of women in different eras influenced their participation in broadcasting. This is not just the story of radio stars or broadcast journalists, but a social history of women both on and off the air. Beginning in the early 1920s with the emergence of radio, the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s, the gradual change in status of women in the 1950s and 1960s, the increased presence of women in broadcasting in the 1970s, and the successes of women in broadcasting in the 1980s and 1990s. The second edition is expanded to include the social and political changes that occurred in the 2000s, such as the growing number of women talk show hosts; changing attitudes about women in leadership roles in business; more about minority women in media; and women in sports and women sports announcers. The author addresses the question of whether women are in fact no longer invisible in electronic media. She provides an assessment of where progress for women (in society as well as broadcasting) can be seen, and where progress appears totally stalled.

Radio Stars Thomas A. DeLong, 2024-10-14 From the time Westinghouse started commercial broadcasting in 1920 through the end of the radio soap operas in the early 1960s, hundreds of men and women performed on radio. Day after day, week after week, these performers (e.g., Jack Benny, Bing Crosby, Kate Smith, Lowell Thomas, Kay Kyser, and Bob Hope) became familiar voices and welcomed guests in the homes of millions of Americans. Actors, comedians, singers, commentators, announcers, emcees, newscasters, preachers and various other artists all gave voice to radio and 953 of them are covered in this unique reference work. Performers Fran Allison, Les Paul, Johnny Desmond, Alec Templeton, Don Wilson,

Jerry Colonna and soap opera favorites Virginia Payne, Betty Garde, Macdonald Carey, David Gothard, Page Gilman, and Jan Miner are included herein, as well as Ezra Stone, Groucho Marx, Will Rogers, Frank Sinatra and hundreds more. For each, there is a listing of radio programs, birth and death dates (where appropriate) and a biography that focuses on work in radio. Heavily illustrated.

Gentleman Troubadours and Andean Pop Stars Joshua Tucker, 2013-04-19 Exploring Peru's lively music industry and the studio producers, radio DJs, and program directors that drive it, *Gentleman Troubadours and Andean Pop Stars* is a fascinating account of the deliberate development of artistic taste. Focusing on popular huayno music and the ways it has been promoted to Peru's emerging middle class, Joshua Tucker tells a complex story of identity making and the marketing forces entangled with it, providing crucial insights into the dynamics among art, class, and ethnicity that reach far beyond the Andes. Tucker focuses on the music of Ayacucho, Peru, examining how media workers and intellectuals there transformed the city's huayno music into the country's most popular style. By marketing contemporary huayno against its traditional counterpart, these agents, Tucker argues, have paradoxically reinforced ethnic hierarchies at the same time that they have challenged them. Navigating between a burgeoning Andean bourgeoisie and a music industry eager to sell them symbols of newfound sophistication, *Gentleman Troubadours and Andean Pop Stars* is a deep account of the real people behind cultural change.

A Symphony for the Stars Alexander Sloan, 2025-01-09 The universe hums with a melody of impending doom, a cosmic dissonance only Dorian Kael can hear. For Dorian, a renowned composer, music isn't just sound—it's a symphony of senses. C sharp tastes of burnt sugar, F minor feels like sandpaper. But this new, alien melody, chilling and discordant, is unlike anything he's ever experienced. It whispers in the wind, throbs beneath the city, and threatens to shatter his sanity. Then Krystal Webb arrives, an emissary from a dying nebula light-years away. Voxis, a sentient star, is disintegrating, its final scream echoing across the cosmos as a symphony of destruction. Earth, Krystal reveals, is inextricably linked to Voxis's fate. And Dorian, with his unique synesthesia, holds the key to salvation. He must compose a symphony for the stars, a counter-melody of cosmic proportions to soothe Voxis's dying song. But as he delves deeper into the nebula's pain, his synesthesia becomes a conduit for cosmic horror. He tastes dying stars, feels collapsing gravity, sees supernovae explode behind his eyelids. Each note he writes is a battle against encroaching madness. Joined by Dr. Robert Murray, a skeptical astrophysicist witnessing the inexplicable cosmic events unfolding, Dorian embarks on a harrowing journey into the heart of a dying star. As the symphony takes shape, his bond with Krystal deepens, mirroring the fragile connection between Earth and Voxis. But Krystal's fate is intertwined with the nebula's, and as Voxis weakens, so does she. Can Dorian complete the symphony before the dissonance consumes him? Can his music bridge the gap between human frailty and a celestial mind of infinite complexity? The fate of two worlds hangs in the balance, waiting for the final, resonating note. A symphony for the stars, a

testament to hope amidst cosmic despair, where music becomes the language of salvation.

She has already delivered six. When Katrina Nguyen, a young transgender runaway, catches Shizuka's ear with her wild talent, Shizuka can almost feel the curse lifting. She's found her final candidate. But in a donut shop off a bustling highway in the San Gabriel Valley, Shizuka meets Lan Tran, retired starship captain, interstellar refugee, and mother of four. Shizuka doesn't have time for crushes or coffee dates, what with her very soul on the line, but Lan's kind smile and eyes like stars might just redefine a soul's worth. And maybe something as small as a warm donut is powerful enough to break a curse as vast as the California coastline. As the lives of these three women become entangled by chance and fate, a story of magic, identity, curses, and hope begins, and a family worth crossing the universe for is found. Presidential Sheet Music Danny O. Crew,2001-01-01 Political historians have traditionally interpreted the people and events of each presidential era by studying books, periodicals, letters, diaries and speeches. One source of printed material

that has not received much scholarly attention is published music, much of which has been all but lost in the archives of libraries and museums. These two volumes of Presidential Sheet Music present an exhaustive listing of presidential-related music in all printed forms, with information on each piece.

From Dixie to Rocky Top Carrie Tipton, 2023-10-15 Listen as you read! From Dixie to Rocky Top: Book Playlist, now on Spotify. The first book to explore the history of college fight songs as a culturally important phenomenon, From Dixie to Rocky Top zeroes in on the US South, where college football has forged a powerful, quasi-religious sense of meaning and identity throughout the region. Tracing the story of Southeastern Conference (SEC) fight songs from the late nineteenth to the early twenty-first century, author Carrie Tipton places this popular repertory within the broader commercial music industry and uses fight songs to explore themes of authorship and copyright; the commodification of school spirit; and the construction of race, gender, and regional identity in Southern football culture. This book unearths the history embedded in SEC football's music traditions, drawing from the archives of the seventeen universities currently or formerly in the conference. Alongside rich primary sources, Tipton incorporates approaches and literature from sports history, Southern and American history, Southern and American studies, and musicology. Chronicling iconic Southern fight songs' origins, dissemination, meanings, and cultural reception over a turbulent century, From Dixie to Rocky Top weaves a compelling narrative around a virtually unstudied body of popular music.
