Anna B Doe

Kiss To Shatter Anna B Doe,2023-06-27 Prescott Wentworth is my brother's best friend and teammate. We hate each other. But we also can't keep our hands off each other. The day I met the star wide receiver, he was acting like a grumpy ass, and I was so over big, bulky men messing with my life. He was gorgeous, with wide shoulders, a chiseled jaw hidden behind a week's worth of scruff, and the meanest glare I've seen in my life. So what if he was injured during a game? At least he's alive, not that he appreciates it. Now it's a new school year, but some things never change. Like the sizzling tension between Prescott and me every time we're in the same room. But the more we fight, the more I want to shut him up. With my mouth. Then he sees me on a date with someone else, and something in him snaps. The deal is simple: it's just sex, and nobody can ever find out. Especially not my brother. But then the demons from my past come back to haunt me. The darker they become, the more I need Prescott. And I'm beginning to feel like he needs me too. NOTE: Kiss To Shatter is book one in Shattered & Salvaged Duet. It ends on a cliffhanger. Shattered & Salvaged Duet contains dark and mature themes appropriate for readers 18+. For the full list of trigger warnings please visit www.annabdoe.com/trigger-warnings.

Kiss To Salvage Anna B Doe,2023-06-27 I never expected to fall for my best friend's little sister, and I definitely didn't count on her breaking my heart. Jade Cole entered my life like a tornado, and I never saw her coming. I should have been

strong enough to resist her. After all, she was forbidden, my best friend's little sister, and the bane of my existence. But the more she got under my skin, the harder it was to resist her. Until I couldn't fight back any longer. One kiss led to another, and the more I had her, the harder it was to let go. Then she dropped the bomb I never saw coming. I have cancer. And it's like I've been sacked to the ground all over again. I've already lost somebody I love to cancer, and I can't do it again. But I also can't walk away from her. Because Jade and I? We're like magnets. And no matter how hard you try to separate us, we'll find our way back to each other, regardless of the destruction we leave in our wake.
