Resumen semanal ,1996

La ilusión Graciela Fernández Meijide,2012-07-01 Reflexión autocrítica sobre el derrumbe del gobierno de la Alianza y la política de los 90 en la Argentina.

El presidente deseado Pío Pastore,2019-10-03 La libertad, la educación, la honestidad y la solidaridad ciudadana que piensa en el bien común son los pilares sobre los cuales se edificará el futuro de la Nación cuando la sociedad en su conjunto identifique a su presidente deseado. León Tolstoi decía retrata tu aldea. En un pueblo de campo el autor ubica la génesis de su obra en la década del treinta donde desde allí parte un camino de acontecimientos históricos y políticos hasta llegar a nuestros días. Tres generaciones se suceden comprometidas por la vigencia de los principios morales olvidados marcadas por una idílica profecía de un anciano cura del lugar. Así surge un movimiento social que la adhesión le otorga un perfil electoral donde emerge el candidato. Un joven médico dedicado a su profesión con vocación y apasionamiento a salvar vidas de niños con enfermedades oncológicas se ve llevado a ocupar ese rol. El ejercicio de su profesión en países de África y ciudades de Europa es un excitante recorrido cultural que se enlaza con la vida en el campo argentino. Una ingeniosa e inteligente campaña lo encamina hacia la presidencia de la nación. Un ejemplo de que con honradez, humildad, patriotismo y perseverancia, tener un país con futuro, aún es posible. La Profecía no tiene fecha de vencimiento, pero sí certeza de cumplimiento.

Los noventa Carlos Corach, Eduardo Menem, 2021-05-01 La historia definitiva sobre los 90 en la Argentina. Las dos presidencias de Carlos Saúl Menem en la voz de treinta de sus más altos y caracterizados funcionarios de gobierno. Obra de incalculable valor testimonial y documental, se propone como aporte a la comprensión de nuestra historia contemporánea. Carlos Saúl Menem fue presidente de la República entre el 8 de julio de 1989 y el 10 de diciembre de 1999. En esos poco más de diez años el país experimentó el proceso transformador más notable de su historia contemporánea. Profundos cambios en las esferas económica, política, social y cultural dieron lugar a una nueva Argentina que parecía ingresar al siglo XXI con esperanzada vocación de futuro. En efecto, durante los dos mandatos consecutivos de Menem al frente de la Nación, se implementaron reformas y se ejecutaron iniciativas de política pública inéditas en nuestro pasado reciente. El hecho de que las privatizaciones de empresas estatales o la convertibilidad de la moneda se encuentren, como medidas aisladas, entre las primeras cosas que acuden a la memoria colectiva al evocar esos años, habla a las claras de la poca profundidad con que han sido revisados y analizados; al mismo tiempo, señala la necesidad de aportar a su conocimiento a partir de información rigurosa, y a su interpretación desde puntos de vista justos y equilibrados. Con la perspectiva que brindan ya más de veinte años, este libro se propone encarar esa tarea: contar los noventa en primera persona, con datos de primera mano. Los casi treinta autores de esta obra, todos ex funcionarios del presidente Menem, dan cuenta de su labor en sus áreas específicas de gobierno y, en ese mismo gesto, dejan un testimonio de incalculable valor documental e historiográfico, indispensable para las generaciones presentes y las por venir.

Malvinas: El Ocaso de un Sueño Enrique Stel, 2022-04-18 Malvinas: El Ocaso de un Sueño es un libro donde se entremezclan experiencias personales del autor con una denodada investigación centrada en fuentes primarias y reflexiones analíticas del contexto en el cual se inserta el conflicto de las Islas Malvinas, Georgias y Sándwich del Sur. Enrique Stel abunda en relatos cargados de detalles, en particular, las operaciones llevadas a cabo por la Compañía de Comandos 602 a la que pertenecía. Otros, que hacen a cuestiones relativas al conflicto en general, son apoyados con imágenes de documentos originales que le dan un valor de excepcional fuente primaria. Es interesante cómo intenta desmitificar temas que fueron ampliamente difundidos en su momento con un claro objetivo desmalvinizador: como por ejemplo, los chicos de la guerra, el hambre y la falta de comida, las torturas, los gurruchas, los fusilamientos, los hijos de los generales, el tratamiento sobre el hundimiento del crucero ARA General Belgrano, la supuesta participación activa de la Unión Soviética, entre otras cuestiones que son poco o nada abordadas por otros autores. Además, evidencia su condición de soldado profesional cuando menciona o recuerda al lector, las obligaciones dimanantes de los Convenios de Ginebra de 1949, pilares del Derecho Internacional Humanitario, aplicable en situaciones de conflictos armados internos e internacionales. Ese profesionalismo es irrefutable cuando se refiere a los combatientes ingleses. El Ocaso de un Sueño es un legado del autor a la sociedad argentina, un cúmulo de sentimientos, datos históricos, testimonios, anécdotas, reflexiones con rigor académico que, sin lugar a dudas,

deja al lector con una orfandad de sentimientos que le permite llegar a los lugares más ocultos del escritor, haciéndose partícipe de la infinita gama de emociones por la que transita y dejando entrever que, aún hoy, sigue luchando otras batallas...

Política y gobierno, 2010

Entrevistas Del Siglo Corto Marco Lupis, 2019-05-16

¿Década ganada? Carlos Gervasoni y Enrique Peruzzotti, editores, 2015-02-01 El primer libro que ofrece una evaluación temáticamente amplia, académicamente rigurosa e ideológicamente pluralista de los gobiernos kirchneristas.

Historia global de América Latina, 2010-1810 Héctor Pérez Brignoli, 2018-04-19 En esta obra destinada a convertirse en un hito en la historiografía de América Latina, Héctor Pérez-Brignoli deja de lado el tradicional planteamiento desde el origen hasta nuestros días para arrojar luz sobre la historia del continente desde el momento presente. Realiza esta admirable tarea de síntesis valiéndose con rara habilidad de un original enfoque múltiple. Así, el devenir de América Latina como comunidad se combina con el examen de experiencias individuales significativas como las de Heitor Vila-Lobos y Antonio Berni, músico brasileño y pintor argentino respectivamente, pero también con la perspectiva de la sociedad moderna interrelacionada, global, que no soslaya la presencia del poderoso vecino del norte. La perspectiva del viajero y la del flâneur (inspirada por Walter Benjamin), así como el diálogo permanente entre miradas y perspectivas diversas, y el hallazgo de hilos conductores relevantes y significativos acaban haciendo de este empeño una obra de referencia.

Desarrollo económico, 1998

Encyclopedia Corruption in the World Judivan J. Vieira, 2018-11-16 The publication of this Encyclopedia by Professor Judivan J. Vieira, PhD, is driven more by mission than editorial pursuits. The research is composed of five volumes, and it is the result of the author's willful work in a field of study that has been his passion since his graduation in law school in 1993. Corruption is inherent to the human being, and according to the author, it is a metastatic cancer capable of destroy any social doctrine, even our democracies. Throughout the five volumes, Judivan Vieira analyzes the various perspectives of this social "disease" that menaces hegemonic and underdeveloped countries. In the last volume of the Encyclopedia, the author offers the solution to remediate this disease of the soul, which prevents social well-being and relegates us to live in formal democracies that do not provide the minimum of social dignity peoples of the world deserves.

La nueva política en América Latina Carlos Moreira, Diego Raus, Juan Carlos Gómez Leyton, 2008

AMIA: la ciudadanía cuestionada GUIDO CHESTER, 2024-01-29 El objeto de estudio de este libro son tres organizaciones de familiares de víctimas del atentado a la Asociación Mutual Israelita Argentina (AMIA) de la ciudad de Buenos Aires. Estas son: Memoria Activa, Asociación Para el Esclarecimiento de la Masacre Impune de la AMIA (APEMIA) y Asociación 18J - Familiares y Amigos de las Víctimas del Atentado a la AMIA (18J). El atentado a la AMIA es uno de los

hechos políticos más sobresalientes de las últimas tres décadas. El número de muertos y heridos es incomparablemente mayor al de otras tragedias vividas en este período. Pero por otra parte, las repercusiones de la explosión han provocado una enorme conmoción institucional en el país. Las conductas de las más altas autoridades de la nación y de una potencia extranjera han sido puestas en tela de juicio a raíz de la comisión del atentado y su encubrimiento.

Diario de sesiones de la Cámara de Senadores Argentina. Congreso de la Nación. Senado de la Nación,1991-05

Argentina, la república posible Santiago Sapag,2023-12-28 En Argentina, la república posible, el autor nos ofrece una inmersión cautivadora en la rica historia de una nación de contrastes y diversidad inigualable. Desde los días de la Revolución de Mayo hasta las complejidades socioeconómicas contemporáneas, el libro explora con maestría los momentos de grandeza y los desafíos que han forjado la identidad argentina. El autor no solo destaca las adversidades que enfrenta Argentina, sino que también nos lleva a una profunda reflexión sobre las posibles sendas hacia un futuro más prometedor. A través de una narrativa que abarca justicia social, gestión económica, preservación ambiental y construcción de una sociedad inclusiva, se examinan estrategias y políticas que podrían allanar el camino hacia un mañana más próspero y equitativo. Este libro invita al lector a explorar el pasado, comprender el presente y contemplar el futuro de Argentina, reconociendo la importancia de una visión compartida y un compromiso continuo. Con un enfoque en la resiliencia y determinación del pueblo argentino, el autor nos guía en un viaje intelectual que ofrece una comprensión única de la complejidad y evolución dinámica de este fascinante país.

Protest State Mason Wallace Moseley,2018 Why is social protest a normal, almost routine form of political participation in certain Latin American democracies, but not others? In light of surging protests in countries like Argentina, Brazil, and Peru, this book answers this question through a focus on recent trends in the quality of governance and socioeconomic development in the region. Specifically, it argues that increasingly engaged citizenries -- forged by economic growth and technological advances -- coupled with dysfunctional political institutions have fueled more radical modes of participation in Latin America, as citizens' demands for government responsiveness have overwhelmed many regimes' capacity to provide it. Where weak institutions and politically engaged citizenries collide, countries can morph into protest states, where contentious participation becomes so common as to render it a conventional characteristic of everyday political life. Drawing on cross-national surveys from Latin America and a case study of Argentina, which includes a rich dataset of protest events and dozens of interviews with political elites and citizen activists, Mason W. Moseley tests his explanation against other leading theories in the contentious politics literature. But rather than emphasizing how worsening economic conditions and mounting grievances fuel protest, this book builds the case that it is actually the improvement of economic conditions amidst low quality political institutions that lies at the root of surging contention in the region. *Protest State* offers a comprehensive study of one of the most intriguing puzzles in Latin American politics today: in the midst of an unprecedented era of

democratic governments and economic prosperity, why are so many people protesting?

Camino al colapso Julián Zícari, 2020-05-15 ¿Qué significó el año 2001 para la Argentina? ¿Cómo se desató ese gigantesco vendaval? Estas son algunas de las preguntas centrales que se intentan responder en *Camino al colapso*, una radiografía exhaustiva de la mayor crisis argentina de la historia. Este libro analiza los diferentes conflictos sociopolíticos ocurridos durante los últimos años de la convertibilidad. Estudia cómo operaron las disputas entre actores, agentes e instituciones. Indaga sobre las dinámicas partidarias y los liderazgos al interior del peronismo, el Frepaso, el radicalismo y la Alianza. Repasa las luchas de las clases populares, concentrando la atención especialmente en los grupos piqueteros. Y evalúa las contradicciones económicas del uno a uno, que culminaron en el antagonismo dolarización/devaluación. En suma, se trata de una tesis sobre un orden social en decadencia, que hizo del país una sociedad estallada. *Camino al colapso* es, entonces, el trabajo más completo sobre la crisis del 2001, al combinar un abordaje histórico, económico, político y sociológico. Y, como tal, va camino a convertirse en un clásico.

La energía en tiempos de Alfonsín Jorge E. Lapeña, 2016-06-01 En esta obra Jorge Lapeña describe específicamente la gestión energética durante la presidencia de Raúl Alfonsín, entre 1983 y 1989, pero extiende su análisis más allá de la gestión discutiendo incluso la problemática actual del sector energético. Deja claramente establecidos los planes modernizadores del primer gobierno democrático; un aspecto que enfrentará, en algunas ocasiones, la censura de sectores partidarios propios y la feroz oposición de sindicatos de la oposición política. Además la obra tiene la característica de ser escrita por alguien que fue protagonista de gran parte de los hechos relatados y ello la aleja, naturalmente de la metodología de la investigación historiográfica.

Right here, we have countless ebook **Presidencia De Menem Resumen** and collections to check out. We additionally provide variant types and moreover type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily comprehensible here.

Presidencia De Menem Resumen Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files

legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Presidencia De Menem Resumen free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Presidencia De Menem Resumen free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of

publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Presidencia De Menem Resumen free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Presidencia De Menem Resumen. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Presidencia De Menem Resumen any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Presidencia De Menem Resumen Books

1. Where can I buy Presidencia De Menem Resumen books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
