From Mayor to Fool Tim Mayeur,2009-04-15 From Mayor to Fool is a series of transcribed conversations that took place in Spring 2008, between the Author (Tim Mayeur), his parents, his close friends, two Tarot Card Readers, a Psychic Medium and a Hypnotherapist. It is a journey where you get to follow the Author as he transforms and comes to terms with his life, the loss of his sister, struggles with what it means to be a Middle Class Man and evaluates his life in order to improve it. There were no rehearsals and the Psychics were not given any information about Tims life prior to the meetings. Tim met them for the first time for these sessions. This is what happens when a nihilistic and skeptical man has a spiritual awakening. As a true story about the factors in ones life, it can be overwhelming, looking at all the possibilities and probabilities but in the end, people need to trust their own intuitions and judgment of where they want to go in life. Change involves stress and risk. Are you ready for a Change?

What is Heaven Saying? Michael Maiden,2020-08-18 God's Prophetic Voice is Our Only Hope As Christians, if we are not careful, we will allow our culture or circumstances to influence our perspective of reality, rather than relying on the voice of God. As we live in the last days, it is crucial that we learn to listen to the Holy Spirit, and speak forth His words. As chaos...

Spirit Answers Jacqueline McNeil Watts,2016-06-07 The secret is out. Spirit Answers reveals what used to be taught in the mystery schools to an elite audience. The time has come for this information to become known and understood by all. Presented in a simple, easy to understand manner, Spirit Answers addresses topics that include: Who is God? How are we related to God? Why are we here? What is heaven? How do we get to heaven? What happens when we die? Do we really live many lifetimes in physical bodies? The explanations provided by Jackie Watts and her Spirit co-author are unlike any that you have probably heard, for based in Ageless Wisdom teachings, they reveal hidden Truths. Due to our current level of evolution, Earths humanity is now ready to receive these Truths.

A Trilogy That Explains Spiritual Growth Jacqueline McNeil Watts,2022-06-21 In A Trilogy That Explains Spiritual Growth, Jacqueline McNeil Watts has written and published under one cover, three books that reveal information that used to be taught in mystery schools to an elite audience. These Ageless Wisdom teachings are truths that have been hidden and/or misunderstood by Earth's humanity for many, many years. Due to our current level of evolution, we are now ready to receive and understand this information. We are also ready to learn how we can participate consciously in our growth from

third-dimensional human beings to fifth-dimensional spirit beings, and how we are co-creating a new Earth along with more evolved beings and with the Supreme Creator of all that exists. This trilogy will be a rewarding and delightful eye-opener to those who wish to understand spiritual truths on a deeper level than that which is presented by most religions.

A Conspiracy Of Love Wendy Read, Though this book is intended to speak primarily to adults who have suffered childhood sexual abuse, anyone who seeks to find meaning in suffering, or who grapples with the concepts of evil and holiness, will appreciate the truth and wisdom contained in this book. Issuing from a deep appreciation of and wrestling with

scripture, A Conspiracy of Love can also empower preachers, educators, and pastoral care providers to hear the Word anew, from the perspective of one who has suffered much. In short, those who have been abused, their friends, and their ministers will find A Conspiracy of Love thought-provoking, inspirational, and a beacon of comfort and hope. Not that it is an easy read. At times the reflections lay bare both the horrific reality that some children endure, and the searing emotional and spiritual pain that is carried into adulthood. The Archbishop of Canterbury, Rowan Williams, has described the writing as heart-breaking and heart-enlarging.

Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare Ramsis F. Ghaly FACS, MD, 2019-08-26 This is the twelfth book of the series “Christianity and the Human Brain.” It integrates the neuroscience and the Bible, the Holy Book of our Lord Jesus. My love for our Lord, Jesus Christ, abides with my lifetime passion for neurosurgery and medicine, my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation. It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world, even while living on earth. In other words, a big part of the human brain is actually outside the skull and the body. As I perform brain surgeries for three decades, I realize my theory is so true. The majestic human brain can’t be just the 1,500 grams of jelled matter inside the skull. The human journey, therefore, is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God. The spiritual human brain never dies, only the flesh. It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me. My life is dedicated to my Lord Jesus, patients, and residents. As a physician, I have reached the top in America, I am a professor of both neurological surgery and anesthesiology, and I am well-published in famous medical journals. As an academic teacher, I trained for more than thirty-four years, graduating thousands of trainee. But all is nothing as I strive for the Christian holiness and fullness. In a weeping healthcare with many patients’ falling victims, I included actual patients’ miracles, testimonials, and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine. This book is full of many vibrant stories that I love to share. It is timely since I consider my generation soon will be viewed obsolete to the future generations, and what will remain are the books I authored. The book is a text of wealth covering broad and diverse topics of my life’s journey in 134 chapters and organized over 14 sections. So many chapters are written about my special love for Lord Jesus Christ and His children. In poems, deep reflections, and spiritual release of mind, I wrote extensively. In fact, I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories. A special section is dedicated to the mothers, newborns, and little children. While my soul is grieving, a section is designated on the ongoing Christian persecution, especially the genocide of Christians in my country Egypt, the ancient region of the Middle East, and the oldest historic continent of Africa.

Furthermore, I wrote some of my dreams and thoughts that I couldn't otherwise convey for one reason and another, such as neuroscience in aerospace and some of the timely, touching subjects like drug overdose, human trafficking, and healthcare crises. Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics. Friends, human life starts with love and ends with eternal love for our Savior. It is never enough to share our love, write about love, and talk about actual love stories of heavenly roses, joy, Christmas, healing touch, miracles, and our calling for his purpose. This is what my twelfth book is all about.

Knowledge of Spirit Worlds and Life After Death Bob Woodward,2020-12-17 'Everyone with a curiosity for spiritual knowledge should read this excellent book.' – Peter John, psychic artist Based on direct communications with his eight spirit guides, Dr Bob Woodward confirms that we have all lived in spirit worlds before our birth – and that we will enter these same realms again after our material deaths. In a very real sense, these higher spirit worlds are actually our true home, he says, rather than our present physical existence, which is only a temporary abode. In consultation with his spirit guides – including a Tibetan Lama, a Jewish Rabbi, a Native American and his personal guardian angel – Bob Woodward gives a detailed survey of our lives in spirit worlds before birth and after death, our relationships there with friends, family and even pets, and our connections with both good and evil spiritual beings. He also gives a commentary on a range of subjects such as reincarnation and climate change. In a final extensive and moving interview, Woodward finds and speaks with the soul of his deceased father, who offers enlightening glimpses of life after death. Whilst the author's knowledge is grounded in decades of study of the work of Rudolf Steiner – with which he compares the results of his own extrasensory perceptions – Knowledge of Spirit Worlds is not intended as a dry philosophical study. Rather, it has a warm, experiential quality – based as it is on personal interaction with spirit entities – and emphasizes the love that connects all worlds and beings together.

Idolatry of Christian Leaders Debra A. Seaton,2007-10 Idolatry in the Church is practiced through images of Christian leaders implanted in the hearts and the minds of believers. Christian leaders are not gods. There is a demonic spirit attached to this fleshly worship of man. Idolatry of Christian Leaders is a book which captures your heart from start to finish. Written in a straight forward, honest, and confrontational style, the Holy Spirit compels Christian believers to evaluate their true motives for Christian service and their love relationship with God. Proper heart alignment with God through the Lord Jesus Christ and the Holy Spirit is the book's central theme. Idolatry of Christian Leaders confronts idolatry of Christian leaders, denominations and other aspects of the Church which cause believers to walk in religion, traditions of men and deception.
