

Up Country Nelson DeMille

Timothy J. Lomperis

Up Country Nelson DeMille, 2002-01-29 Much more than a blood-and-guts thriller...An insightful, moving, and sensitive look at what the war did to a country, its people, and its enemies. - Orlando Sentinel Former army homicide investigator Paul Brenner has just gotten used to the early retirement forced on him after the disastrous end of his last case when his old commanding officer asks him to return for one final mission: investigate a murder that took place in wartime Vietnam thirty years before. Brenner reluctantly accepts out of curiosity and loyalty...and maybe a touch of boredom. He won't be bored for long. Back in Vietnam, Brenner meets expatriate Susan Weber, a woman as exotic, sensual, and dangerous as the nation of her voluntary exile. Brenner is plunged into a world of corruption, lethal double cross, and haunted memories-as he's suddenly thrust back into a war that neither he nor his country ever really stopped fighting.

Crafting Dynamic Dialogue Writer's Digest Books, 2016-06-23 Write authentic dialogue that invigorates your story! Exceptional dialogue isn't just important when writing fiction--it's essential. In order to impress an agent or editor and keep readers turning pages, you need to deliver truly standout dialogue in every scene. *Crafting Dynamic Dialogue* will give you the techniques and examples you need to impress your readers. This book is a comprehensive guide to writing compelling dialogue that rings true. Each section is packed with advice and instruction from best-selling authors and instructors like Nancy Kress, Elizabeth Sims, Steven James, Deborah Halverson, James Scott Bell, Donald Maass, Cheryl St. John, and many others. They'll show you how to:

- Bend the rules to create a specific effect
- Understand the role of dialogue in reader engagement
- Use dialect and jargon effectively
- Give every character a believable, unique voice
- Set the pace and tone
- Reveal specific character background details
- Generate tension and suspense
- Utilize internal dialogue

Whether you're writing flash fiction, a short story, or a novel-length manuscript, *Crafting Dynamic Dialogue* will help you develop, write, and refine dialogue to keep your readers hooked.

Vietnam War Slang Tom Dalzell, 2014-07-25 In 2014, the US marks the 50th anniversary of the Gulf of Tonkin Resolution, the basis for the Johnson administration's escalation of American military involvement in Southeast Asia and war against North Vietnam. *Vietnam War Slang* outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War. Troops facing and inflicting death display a high degree of linguistic creativity. Vietnam was the last American war fought by an army with conscripts, and their involuntary participation in the war added a dimension to

the language. War has always been an incubator for slang; it is brutal, and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life. Furthermore, such language serves to create an intense bond between comrades in the armed forces, helping them to support the heavy burdens of war. The troops in Vietnam faced the usual demands of war, as well as several that were unique to Vietnam – a murky political basis for the war, widespread corruption in the ruling government, untraditional guerilla warfare, an unpredictable civilian population in Vietnam, and a growing lack of popular support for the war back in the US. For all these reasons, the language of those who fought in Vietnam was a vivid reflection of life in wartime. Vietnam War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War. Assuming no prior knowledge, it presents around 2000 headwords, with each entry divided into sections giving parts of speech, definitions, glosses, the countries of origin, dates of earliest known citations, and citations. It will be an essential resource for Vietnam veterans and their families, students and readers of history, and anyone interested in the principles underpinning the development of slang.

Marketing Countries, Places, and Place-associated Brands Papadopoulos, Nicolas, Cleveland, Mark, 2021-09-14 This book integrates new thinking on the image, marketing, and branding of places at all levels, from town squares to cities and countries, and of the products and peoples associated with them, thereby bridging the 'country' and 'place' silos in place-related research and practice. Insightful contributions from top scholars reflect fresh theorizing and provide a critical appraisal of conventional wisdom by juxtaposing intriguing contexts, questioning commonplace practices, and challenging methodologies and theoretical assumptions.

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New

terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language.

The 8Th Field Hospital Andrew C. Carr M.D.,2005-08-14 Welcome to the life of Dr. Andrew C. Carr, a young medical officer who was drafted into the Vietnam War and served at the 8th Field Hospital in Nha Trang. This is not a medical book; you will find few clinical details since they can be read in articles published elsewhere. Instead, Dr. Carr will transport you back to 1966 through his unique perspective about the human side of war. He will also describe his poignant return to Vietnam in 2004.

War Crimes and Justice Howard Ball,2002-11-15 A thorough introduction to the laws of war, the savagery of war crimes, and the international system that demands justice. How do you speak of the unspeakable and defend the indefensible? War Crimes and Justice: A Reference Handbook thoroughly examines the laws of war and how the world community handles the monstrous brutalities of war through the international justice system. Highlighted are 20th century war crimes and trials including Yugoslavia, Kosovo, and the Kerry incident in Vietnam. Also covered are the four international tribunals established to punish violators in Nuremberg, Tokyo, Yugoslavia, and Rwanda. Pulitzer Prize-nominated author Howard Ball discusses those who committed unspeakable acts during war, others who sought justice for victims, and case studies portraying both victims and perpetrators. Significant treaties and conventions are explored, as well as all the options available to nations emerging from the throes of bloody civil wars to ensure peace with justice.

The General's Daughter Nelson DeMille,2001-04-01 NEW YORK TIMES BESTSELLER Thegripping murder mystery about an upstanding military officer - the base commander's daughter - who's been leading an unsavory double life. When a professional military woman with a pristine reputation is found raped and murdered, a preliminary search turns up certain paraphernalia, and sex toys that point to a scandal of major proportions, The chief investigator is reluctant to take the case when he learns that his partner will be a woman with whom he had a tempestuous affair and an unpleasant parting. But duty calls and intrigue begins when they learn that several top-level people may have been involved with the golden girl - and many have wanted her dead. DeMille is a master at keeping the reader hanging on to see what happens next. - Associated Press

The Marine and the Flower Child Dale McInerney,Michael (Mac) McInerney,2018-06-15 The Marine and the Flower Child By: Dale McInerney, with Michael (Mac) McInerney The story of a Marine overseas and his girl back home in New York. Their letters encompass a first handlook at the Vietnam War and the love forged during a year apart. MAC: "Everything I've ever done □whether it was a mistake or a great success □ I'll stand up to □ all my letters are a part of me □ I don't care who

sees them □ you can print them in the NY Times if you want □ and I'll say yup □ I sure did say that!" Dale: "Pretty soon there'll be no room for clothes in the drawer where I keep your letters. Ruby said I should make them into a book. So I got a loose leaf folder and titled it 'Letters from Mac - July 1968'. I'll start another for August. The mailman was funny, handing me your letter today he said, "Why don't you marry this guy, it would save an awful lot of postage." MAC: "Today has been one of those long days □ DaNang started to get hit □ the VC are still rocketing and mortaring the city and surrounding installations. When I was on the flight deck, I could hear and see the explosions. Then we started to take medevacs aboard the ship hospital." Dale: "As long as you are honest with me about what you're doing in Nam, I'll rest a lot easier. I believe there is basic reason at work in the universe, we met at that specific time, to make sure both of us knew that we had a reason for staying alive. We are going to stay together." MAC: "I must have started six letters without getting past the second line. After a year apart I have nothing left to say □ and everything to say. I know, for both of us □ we're tired of missing each other □ tired of living in the past and the future □ it takes the life right out of me □ and having you involved in all of this □ tears me apart. But loving you fills me with more happiness than I ever dreamed possible."

When Duty Whispers Low John J. Gobbell, 2004-04-19 John J. Gobbell's spectacular epic novel captures all the intrigue, deception, and heroism of the confrontation between the U.S. Navy and the Japanese in the South Pacific during World War II.

One Day at a Time David M. Sloan, 2011-08-17 One Day at a Time is an inspirational story of David Sloan's battle against MS. This book is about using hope and attitude as weapons to fight through the mental gymnastics and roadblocks that MS created as Sloan's disease progressed. It features a step-by-step description of searching for answers that resulted in finally finding a label for his disabling symptoms. Sloan's life as a successful investment banker, always in control, gave way to learning that health and family were much more important than money and power when he finally retired on long term disability. His journey included traveling alone to Brazil where he spent time with a spiritual healer. This experience strengthened Sloan's resolve to never give up and use attitude to his advantage. Whoever he knows or meets has never met anyone with a stronger positive attitude. One can only understand his strength by learning about a similar battle with MS fought by Sloan's mom, who spent thirteen years in a nursing home yet never complained.

The Vietnam War from the Rear Echelon Timothy J. Lomperis, 2023-04-21 Timothy Lomperis knows the Vietnam War, both as a soldier and as a scholar. In the latter role he has published extensively, including *The War Everyone Lost*—and *Won*, hailed as one of the best books ever written on that conflict. Even though he served two tours in country during the war's most frustrating period—from the infamous Easter Invasion through the Paris Peace negotiations—this is the first time he has written about the war from such a personal perspective. An intelligence officer at the Military Assistance Command, Vietnam (MACV), Lomperis and his comrades were tasked with translating Washington war policy into action. Lomperis

provides a rare view of the war from the perspective of a rear echelon officer. He and other so-called REMFs were deeply involved in trying to devise and implement strategies that would win the war. This largely neglected perspective takes center stage in Lomperis's memoir, presenting a seldom-seen midlevel perspective that provides the missing links between the Washington-Hanoi peace negotiations and the deadly battles between troops in the field. In exposing the inner workings of a military headquarters during wartime, Lomperis recounts the tensions of a command caught between the political imperatives of Washington and the deteriorating military situation on the ground. Involved in the planning and execution of Nixon's 1972 Christmas Bombing Campaign, designed to push the North Vietnamese into peace negotiations, Lomperis sheds new light on Nixon's secret plan to end the war while offering rare glimpses of military operations and decision making on the ground in Saigon. Giving color to the REMF story, he also offers a portrait of life in wartime Saigon, writing with genuine respect for and curiosity about Vietnamese culture. And ultimately, he describes his own moral conundrum as the son of missionaries and an initial Cold Warrior who undergoes a gradual disillusionment that resolves into peaceful reconciliation. This incisive memoir is essential for better comprehending what the Vietnam experience was like for the large contingent of Americans who served there. It suggests the need for some fundamental rethinking about Vietnam—not only for the war's veterans but also for those concerned with the lessons it carries for U.S. involvement in current insurgencies.

Brilliant Marne Davis Kellogg, 2004-06-14 Set in the art world of London, *Brilliant* is a novel of taut suspense and masterful revenge. Kellogg's sophisticated and lavishly fun tale of greed and daring in the high-stakes auction house world presents a full-figured, tough, and atypical heroine readers will cheer for.--Booklist. Martin's Press.

The Cat Dancers P. T. Deutermann, 2005-11-29 When two lowlifes rob a gas station, murder the attendant, and then incinerate bystanders who are filling up their minivan, the Manceford County, North Carolina, police quickly arrest the killers at a nearby motel.

The Moonpool P. T. Deutermann, 2008-05-27 A nuclear power plant comes under attack in this frightening, authentic what-if thriller.

War and Warriors Volume One Jeff Morris, Don Brown, Craig W. Drummond, 2020-02-04 Three real-life accounts of the struggles of American soldiers from the Iraq and Afghanistan battlefields to, in two cases, US military tribunals. *Legion Rising: Surviving Combat and the Scars It Left Behind* by Jeff Morris Follow Jeff through up-close, fast-paced accounts of the thrills and dangers of combat as a Platoon Leader in Iraq. Feel the weight of the gruesome and tragic loss of eight men whose lives were taken in the line of duty. *Journey through his battle to face the scars and shadows that followed him long after his time serving in the military was over.* *Travesty of Justice: The Shocking Prosecution of Lt. Clint Lorange* by Don Brown The Book That Won a Presidential Pardon! On July 2, 2012, three Afghan males crowded on a motorcycle and sped down a Taliban-controlled dirt road toward Lt. Clint Lorange's men. In a split-second decision, Lorange ordered his men to

fire. When no weapons were found on the Afghan bodies, the Army prosecuted Lorange for murder. “The most powerful case to date for the exoneration of imprisoned Army Lt. Clint Lorange.” —Sun-Sentinel Saving Sandoval by Craig W. Drummond While deployed in Iraq, Sandoval, an airborne infantryman and elite sniper, was instructed to “take the shot” and kill an enemy insurgent wearing civilian clothes. Two weeks later, Army Criminal Investigation Command descended upon Sandoval’s unit, trying to link Sandoval and others to war crimes, including murder. “A revealing, real-life courtroom drama, reminiscent of A Few Good Men.” —Hunter R. Clark, International Law and Human Rights Program and Drake University Law School

South of Saigon Martin Wilens, 2012-07-18 A secret mission sends the author to Vietnam's Mekong Delta, the bread basket of old Indo - China. He uncovers a sophisticated enemy supply network unknown to our military hierarchy. Using intelligence data covertly gathered in Cambodia and analyzed at the Center for Naval Analyses in Arlington, Virginia they discover and destroy Vietcong forces and interdict VC supply lines with a mixture of intrigue and romance. A U. S. Naval story never told, complete with declassified maps from the Office of Naval Intelligence, and illuminating pictures of Saigon and archaic areas of the Delta taken by the author forty - six years ago, a depiction of old Saigon and real relationships between North and South Vietnam are related. Headquartered in Saigon, the true interaction between our Navy and Army (MACV) brass couched in the background of wartime Saigon, often referred to as the Paris of the Orient, and Washington, D. C. is insightfully told.

The First One Hundred Years ,

The Routledge Dictionary of Modern American Slang and Unconventional English Tom Dalzell, 2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.
