Drunvalo Melchizedek

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek, 2012-04-27 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science, stories, logic, and coincidence on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation--step-by-step techniques for the re-creation of the energy field of the evolved human--which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others, and even of the planet. You may discover a memory or a fleeting reflection of yourself in the following topics: - The Unfolding of the Third Informational System: the circles and squares of human consciousness, Leonardo da Vinci's true understanding of the Flower of Life, and exploring the rooms of the great pyramid - Whispers From Our Ancient Heritage: the initiations of Egypt, the mysteries of resurrection, interdimensional conception, ancient mystery schools, Egyptian tantra, and sexual energy and the orgasm - Unveiling the Mer-Ka-Ba Meditation: chakras and the human energy system, energy fields around the body, the seventeen breaths of the Mer-Ka-Ba meditation, and the sacred geometry of the human lightbody.

The Ancient Secret of the Flower of Life, Volume 1 Drunvalo Melchizedek, 2012-04-28 Once, all life in the universe knew the Flower of Life as the creation pattern - the geometrical design leading us into and out of physical existence. Then from a very high state of consciousness we fell in darkness and forgot who we were. For thousands of years the secret was held in ancient artifacts and carvings around the world, and encoded in the cells of all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to be, why the

world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation.

How to Become the True You Jeff Michaels, 2015-03-01 Are You Seeking to Create a Spiritual Life? Spiritually minded humans often look to those in the spirit realm for guidance and a higher perspective. We are Onereon, a family of beings dwelling in that realm of spirit. Our chosen path is to assist humanity, helping you gain the opportunity to enjoy life to the fullest and to improve your karmic future. In life there are myriad opportunities for significant personal growth. Spiritually motivated beings living in difficult times on Earth may find themselves distracted from their true path of attaining a higher vibrational state of existence. One of the strongest proponents of growth is to begin making individual choices based on self-awareness and practical guidance. Vital questions you can ask now include the following: Who is the true you? Who are you at your karmic core? Who would you be without outside influences? What is my true karmic purpose? By asking yourself these questions, you begin a process of deep spiritual development that will change what is important to you now and in your future. Do not ask these questions lightly! Once spoken, the process begins.

Permission to Ascend Arthur Fanning,2015-09-01 The Great One allowed all things to be. Then there became these supplications for a greater knowledge in the physical world with the questioning, "There has to be more than this? There has to be more than this?" Many have asked that and said that and searched for that for years, thousands and thousands of years. The request for this further information of "there's more than this," has been answered, yes. And you are in the process of it. In *Permission to Ascend*, you become aware of the humility within the self to understand the process that you call ascension. Humility is a requirement in order to get the permission that you need in order to work through this realm. This humility allows your divine force to enter you so that it can descend, and you are the humble carrier of that energy.

Life with a Cosmos Clearance Daniel M. Salter,2003-06-01 On May 9, 2001, the Disclosure Project hosted a major event at the National Press Club in Washington, D.C. This historic event had witness testimony from twenty to twenty-five military, intelligence, government, and corporate individuals involved with UFO projects over the past fifty years, who presented their information before a worldwide group of media correspondents. Those of us who were military witnesses of UFO history showed official government documentation with detailed testimony. Our focus was and is on the facts and documents. Our purpose was and is to get the mainstream media and government officials to hear those facts and move us toward an honest congressional inquiry. We who came forward want to ban weapons from space and stop aggressively shooting down these space vehicles and their extraterrestrial occupants. We need to declassify the advanced electromagnetic propulsion systems in use by the secret government, start producing them for the world to use, and thereby help save this planet. The people who had been employed in agencies within the military and knew the truth about UFOs were sworn to secrecy. Now I am finally relieved to speak the truth. We military men who hold on to this knowledge are getting old and dying, and we want the truth to come out. We will either do it ourselves or leave it for our children and wives to do. Personally, I have told those on Capitol Hill that I am being led to do it by the aliens themselves. They have convinced me that it is time. They have been waiting on the government, and if the government does not come forward with the truth, then the aliens will take a more public role in disclosure.

The Next Dimension Is Love Dorothy Roeder,Ranoash (the Ataien.),1993-01-01 Beings from another dimension, parallel to ours and yet far beyond it, give their view about what is happening on Earth now. They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body. They describe how our fear of anyone different limits us and why that must change if we are to survive as a race. It is our fear of change that limits our ability to reach our full potential. The primary message is humanity's special ability to love in so many ways and how much we can teach the rest of the universe about creating with love. That is our special contribution to this cosmos. Are these beings, who resemble the praying mantis, really a part of us or our higher consciousness? Topics include:

Spirit of the Western Way Tina Louise Spalding, 2016-12-19 Change Your Reality by Changing Your Mind “This book describes the systematic and problematic features of your mindset and the society that your collective consciousness is manufacturing so that you can change them. Until you know what has been done to you — until you know what parts of society are harmful to you and to your spiritual evolution — you are stuck. “Western civilization has been manipulated for a very, very long time into negative, low-frequency manifestations and structures of control, limitation, fear, and judgment. You cannot change this until you first see it, accept that it is so, and then, in awareness, shift your consciousness. “These higher-frequency shifts and changes are difficult to attain unless you know what has been inflicted on you and what choices you are making and how they affect you. We bring you basic teachings about reality: what it is, where you come from, why you are here, what your body is, how you get sick, why you thrive, and more. “This book is brought to you by many beings of high frequency who love you and your society very much. We have been assigned the spiritual practice to bring these teachings through this being so that we can help point you in the correct direction to find your way Home. We are Ananda. We are your friends, your teachers, and your fellow travelers on this most magnificent journey into consciousness.” — Ananda
