Finding My Supergrrl Chené Tuck,2025-04-01 Beautiful things. All things can be taken away. The good and the bad. Heartbreak and loneliness are not the end of the road, just the end of a chapter. I loved him. How tragic. I am enough I have always been enough This is my journey to know this truth To all the women that have been broken, been made to feel unworthy and not enough. You are more than worthy and enough. Worthy of love. Worthy of affection. Worthy of attention. There is a better life for you if you have the courage to take the steps one by one to get there.

Survive the Dome Kosoko Jackson,2022-03-29 The Hate U Give meets Internment in this pulse-pounding thriller about an impenetrable dome around Baltimore that is keeping the residents in and information from going out during a city-wide protest. Jamal Lawson just wanted to be a part of something. As an aspiring journalist, he packs up his camera and heads to Baltimore to document a rally protesting police brutality after another Black man is murdered. But before it even really begins, the city implements a new safety protocol...the Dome. The Dome surrounds the city, forcing those within to subscribe to a total militarized shutdown. No one can get in, and no one can get out. Alone in a strange place, Jamal doesn't know where to turn...until he meets hacker Marco, who knows more than he lets on, and Catherine, an AWOL basic-training-graduate, whose parents helped build the initial plans for the Dome. As unrest inside of Baltimore grows throughout the days-long lockdown, Marco, Catherine, and Jamal take the fight directly to the chief of police. But the city is corrupt from the inside out, and it's going to take everything they have to survive.

The Wesleyan Way Bishop Scott J. Jones,2013-09-03 In this exciting and inspiring new study, Scott J. Jones helps seekers and believers to envision and practice discipleship as a way of life. Presenting Christianity from a Wesleyan perspective, Jones invites participants into a deeper, more thoughtful, more active commitment to Christ. This 8-session study helps participants focus on how, through discipleship with Jesus Christ, we become part of God's work in transforming the world. Each week a different presenter shares their personal faith experience. Presenter include Adam Hamilton, Olu Brown, Felicia

Hopkins, Jessica Moffat Seay, Jorge Acevedo, Rob Fuquay and author Scott Jones. Mini-videos conclude each week with an interview or ministry story from the presenter's home church. Participants then read on their own from the student book and the Bible and then once a week the group comes together to explore what they've read and to view another video.

Life: the Gift That Keeps on Giving Jane S. Green, 2017-11-08 Everyone has a story to tell, and I selected to tell my story through my blog formerly called: Monday Morning Bluees, which is an acronym for Believe Life Uses Everyone and Everything Spiritually. I have endured many hurts, mistakes, lessons, pains, failures, heartbreaks, disappointments, hardships, and struggles throughout my life, but I have also been on the receiving end of countless success stories, miracles, breakthroughs, victories, accomplishments, awards, accolades, and other blessings. I have come to accept that life is filled with polarities, and I came to this time-space reality to experience All of life including both its ups and its downs, (mostly ups). I am learning that I gain strength and momentum when I go through uncomfortable situations, circumstances, and experiences. Reflecting on my life's story allows me an opportunity to release and heal my past. I now have a greater appreciation for where I have been, a warm acceptance and peace for where I am presently; and a clearer perspective on where I am going. My intention for this work is to shed light on issues that many females face and provide comfort in knowing that we are not alone on this journey I call Life.

Finally Finding Home Cindy M Fay, 2024-02-12 Jaded by the judgmental people from her past, Elizabeth Strutton ends up relocating halfway across the country after heartbreak caused by a devastating life-ending accident, with her three-year-old twins in tow. Hoping to move on but still carrying the hurt she brought with her, Elizabeth focuses on creating a new life for the three of them while doing her best to keep people at a distance. Despite her best efforts, she finds that the people she meets and the town of Spring View, North Carolina, itself just might be a place she can truly call home. From a very young age, Lucas Walker knew what his future looked like, that is until life threw him a curveball. His plans of playing professional baseball ended after fighting for his life—twice—ultimately leading him to become one of the two lead pastors in his local church and completely dedicating his life to Christ. God clearly knew what He was doing all along, and from the very beginning, as the two meet and are forced to deal with past hurts, Elizabeth's struggle with forgiveness, and the unexpected feelings they have for one another right from the start. Will this family that God put together step out in faith and accept that life for the four of them was just beginning?

I Hear His Whisper for Women Brian Simmons, 2021-03-02 Awaken your soul to the living Word of God. Reflect on the life-giving invitation of God's heart, gently whispered in this daily devotional, and let the light of his pure presence shine on you. Deepen your intimacy with the God of the Ages as he walks with you through the hills and valleys of life. Be refreshed in the waterfall of his loyal love. Soak in his wondrous wisdom, and let your faith be strengthened. Come alive in the waves of his grace as you hear him speak tenderly to your heart.

A Reason to Live Sandra Meunier, 2023-12-08 Sandra Mercier is twenty-three years old when she makes the deliberate decision to end her life. She lives with her flatmates Margot and Emma, hangs out with her boyfriend Matt, but no longer feels understood or enjoys the company of others, and can only find refuge in her imagination. For Sandra, every day is a struggle, a crusade to seek bliss, an endless battle to choose life and to fight off the dark thoughts that consume her. Eventually, she becomes trapped in her mental realm, the very one she created to escape her reality. The hope for a better tomorrow that never comes, and the realization that her life did not turn out the way she expected, make Sandra believe she will find happiness in death... Until she has an encounter that changes her life.

Songs of Frost Michael Collins, 2018-01-11 This book is a journal or diary of a man who rescues an infant from a psychotic father who determined the child to be his threat and murdered the mother with poison while intentionally hiding his crimes from his family. Andreas Munch rescued the infant in question and raised another man's child from infancy and helped him develop the skills to survive and thrive in such a hostile world. It shows poetic sonnets from key points in the life of Andreas, which brings him toward comprehension and gratefulness for the blessing of raising this child of such sorrow and trauma. Upon facing life challenges, he must face struggles the same as any other wavering soul by day showing strength and courage, but at night wallowing in his anxiety and pain. His wife died very young, leaving him with two sons to raise. He felt bitterness at first, but his first son died falling off a cliff and second son died from frigid cold exposure. His trauma complete, he turned to help and work for his nation. Upon travels through France, Italy, Switzerland, Germany, then Russia in service to a dear friend given no choice, she requests him to raise her son as his own, for she knew her death was imminent. Similar to my mother's mother was Vena Oneida Jehle Alexandrovich Romanov Walters, undenounced to anyone's knowledge, her father being Sergei Jehle Alexandrovich, and her mother, princess of Hess, was murdered when Vena was age four. Pauline Catherine Bonaparte Jehle Alexandrovich Romanov was murdered after childbirth by poison. Vena's mother was murdered, pushed down a staircase to keep her silent of her lineage. All forgotten except one photograph. Sergei was known as Rudolphus Walters, but in another photo G. D. McGinnis. Multiple identities discovered for these men who migrated and created so many families across Mississippi, Missouri, Alabama, Louisiana, Kansas, Arkansas. The book is a tribute to

Andreas Munch's life. Without him, I would not exist.

Kim Rudyard Kipling, 2008-06-12 The story of Kimball O'Hara, the orphaned son of an Irish soldier, who spends his childhood as a vagabond in Lahore. With an old Tibetan lama, he travels through India, enthralled by the 'roaring whirl' of the landscape and cities of richly colored bazaars and immense diversity of people. Creates a vision of harmony - and of India - that unites the secular and the spiritual, the life of action with that of contemplation.
