Mercer Dictionary of the Bible Watson E. Mills, Roger Aubrey Bullard, 1990 Jesus Christ in History and Scripture highlights two related bases for the current revolution in Jesus studies: (1) a critically-chastened world view that is satisfied with provisional results and (2) a creative (or poetic) use of the sources of study of Jesus.

All the People in the Bible Richard R. Losch, 2008-05-13 More than any other book, the Bible offers an amazing collection of fascinating characters ranging from the holiest of the holy to some of the most depraved scoundrels imaginable. Many are mentioned only in passing, yet history and archaeology can often fill in the blanks and flesh them out as exciting human beings. For this reason we have in many cases been able to tell much more about them than the Bible alone reveals. -- Richard R. Losch (from the preface) A comprehensive gathering of persons found in the Bible, including the Apocrypha, **All the People in the Bible** really delivers on its title: literally all of the Bible's characters appear in this fascinating reference work. From the first article on Aaron to the final entry on Zophar, Richard Losch details each person in a lively narrative style. The bulk of the book consists of Losch's A-Z articles covering the familiar and the not-so-familiar figures in Scripture. Names of people who are found only in genealogies or who had no significant effect on history are included solely in the alphabetical listing starting on page 452. That listing, "All the People in the Bible and Apocrypha," includes pronunciations, brief identifications, and biblical references. Persons covered in greater detail in the main part of the book are identified in bold print. Losch's intriguing look at all the people in the Bible is anything but a dry reference work. This is a book to dip into and enjoy over and over.

All the Women of the Bible Herbert Lockyer, 1988 This volume, part of Lockyer's All Series, contains detailed indexing of the life and times of all the women of the Bible.

Jezebel's Puppets Jennifer LeClaire, 2016 Many charismatic Christians are familiar with the biblical character of Jezebel, yet they do not know the demonic spirit by that name that still wreaks havoc today. The Jezebel spirit characterizes anyone who acts in the same manner as Jezebel did, engaging in immorality, idolatry, false teaching and unrepentant sin. Its manifestations are conniving and destructive, dwelling in she who desires to have her way, no matter who is destroyed in the process. You can't defeat what you can't see. While most people are hyper-focused on Jezebel--and are basing their warfare on a misunderstanding of what Jezebel really is--fewer understand the workings of Jezebel's demonic partners in crime. The

spirit of Jezebel couldn't execute all its wicked plots without the spirits of Ahab, the false prophets and the eunuchs. This book will fully expose this destructive team's plan, teaching readers how to discern each spirit and defeat them

Every Woman in the Bible Angie Peters, Sue W. Richards, Lawrence O. Richards, 2021-11-02 The women in the Bible speak powerfully to us today. The notable men in God's drama of redemption tend to be more familiar to us. Yet biblical women play vital, exiting roles in the plan of salvation. Every Woman in the Bible gives much-needed attention to all women mentioned in the Bible, from those with major roles in God's plan of salvation to those who are never named. From the struggles of Rebekah and Rachel to the faithfulness of Mary and Martha, and from the ruthless to the remarkable, from the most obscure to the most well-known, this volume vividly portrays the lives and experiences of Bible women. Every Woman in the Bible combines the following features to accurately explain who these biblical women were and the times in which they lived: Organization by period of Bible history Historical research on women in family, society, and church Insights from ancient cultures, including laws, beliefs, and customs regarding women Charts & illustrations Topical & scripture indexes Overview & discussion of each woman in the Bible Discussion of each biblical woman's contribution Powerful life lessons for today These elements combine for an exceptional reference for studying biblical women. Every Woman in the Bible is also a valuable resource for any Christian woman who yearns to learn more about her own significance and purpose in God's story, giving her life-changing wisdom she can share with others.

Women of the Bible Morin Bishop, 2020-10-20 Women of the Bible, richly illustrated with classic art and vivid

photography, looks at the women who defined life and civilization as we know it. This book includes all their stories presented in clear accessible prose that shows great respect for this remarkable collection of influential women. These are the women who played critical roles in the Bible, the greatest story ever told, the record of God's relationship to humanity from the beginning of time. Some were foundational, like Eve, the first, the original, the mother of us all; others, like Bathsheba and Mary Magdalene, were redeemed by God from lives of sin; still more, like the transcendent Mary, mother of Jesus, remain symbols of fidelity to and acceptance of the will of God. Many, like Sarah, the mother of Isaac, used cleverness and guile to make their way in a world dominated by men; a few, like Delilah, the betrayer of Samson, were unrepentant villains. Sidebars provide surveys of the women who achieved sainthood as well as those, like Lot's wife and the wife of Pontius Pilate, who were never named but had an impact nonetheless. This book will inspire readers to live their best lives.

Women of the Bible and Contemporary Women of Faith Jacqueline George, 2017-09-22 This book focuses on a selected sample of women of faith from the Bible to contemporary times. It addresses how these women have been change agents in multiple facets of life, including in the family, in politics, and in the wider society. While their underlying connection can be seen as their faith in God and their willingness to serve, their vulnerability has also been evident. For the reader seeking to increase his or her faith in God and develop a closer spiritual walk, and for any whose interest lies in recognizing the similarities between biblical times and the present, this review that ranges from Eve through Mother Teresa through Oprah and Malala should be a must-read.

With contributions from leading scholars in gender and biblical studies as well as contemporary gender theorists, classicists, archaeologists, and ancient historians, this comprehensive reference work reflects the diverse and interdisciplinary nature of the field and traces both historical and modern conceptions of gender and sexuality in the Bible. The two-volume Encyclopedia contains more than 160 entries ranging in length from 1,000 to 10,000 words. Each entry includes bibliographic references and suggestions for further reading, as well as a topical outline and index to aid in research. The OEBGS builds upon the pioneering work of biblically focused gender theorists to help guide and encourage further gendered discussions of the Bible.
