From the Mountains to the Bay Ethan S. Rafuse,2022-12-09 From January to July of 1862, the armies and navies of the Union and Confederacy conducted an incredibly complex and remarkably diverse range of operations in the Commonwealth of Virginia. Under the direction of leaders like Thomas “Stonewall” Jackson, George McClellan, Joseph E. Johnston, John Rodgers, Robert E. Lee, Franklin Buchanan, Irvin McDowell, and Louis M. Goldsborough, men of the Union and Confederate armed forces marched over mountains and through shallow valleys, maneuvered on and along great tidal rivers, bridged and waded their tributaries, battled malarial swamps, dug trenches and constructed fortifications, and advanced and retreated in search of operational and tactical advantage. In the course of these operations, the North demonstrated it had learned quite a bit from its setbacks of 1861 and was able to achieve significant operational and tactical success on both land and sea. This enabled Union arms to bring a considerable portion of Virginia under Federal control—in some cases temporarily and in others permanently. Indeed, at points during the spring and early summer of 1862, it appeared the North just might succeed

in bringing about the defeat of the rebellion before the year was out. A sweeping study of the operations on land and sea, *From the Mountains to the Bay* is the only modern scholarly work that looks at the operations that took place in Virginia in early 1862, from the Romney Campaign that opened the year to the naval engagement between the Monitor and Merrimac to the movements and engagements fought by Union and Confederate forces in the Shenandoah Valley, on the York-James Peninsula, and in northern Virginia, as a single, comprehensive campaign. Rafuse draws from extensive research in primary sources to provide a fast-paced, complete account of operations throughout Virginia, while also incorporating findings of recent scholarship on the factors that shaped these campaigns. The work provides invaluable insights into the factors and individuals who shaped these operations, how they influenced the course of the war, the relationships between political leaders and men in uniform, and how all these factors affected the development and execution of strategy, operations, and tactics.

America Aflame David Goldfield, 2011-03-15 In this spellbinding new history, David Goldfield offers the first major new interpretation of the Civil War era since James M. McPherson's *Battle Cry of Freedom*. Where past scholars have limned the war as a triumph of freedom, Goldfield sees it as America's greatest failure: the result of a breakdown caused by the infusion of evangelical religion into the public sphere. As the Second Great Awakening surged through America, political questions became matters of good and evil to be fought to the death. The price of that failure was horrific, but the carnage accomplished what statesmen could not: It made the United States one nation and eliminated slavery as a divisive force in the Union. The victorious North became synonymous with America as a land of innovation and industrialization, whose teeming cities offered squalor and opportunity in equal measure. Religion was supplanted by science and a gospel of progress, and the South was left behind. Goldfield's panoramic narrative, sweeping from the 1840s to the end of Reconstruction, is studded with memorable details and luminaries such as Harriet Beecher Stowe, Frederick Douglass, and Walt Whitman. There are lesser known yet equally compelling characters, too, including Carl Schurz—a German immigrant, war hero, and postwar reformer—and Alexander Stephens, the urbane and intellectual vice president of the Confederacy. *America Aflame* is a vivid portrait of the fiery trial that transformed the country we live in.

May I Quote You, Stonewall Jackson? Randall J. Bedwell, 1997 Explores the words and statements of great generals

that represent a period in history as far removed from contemporary experience as the way of life they fought to preserve. The statements in this volume speak of duty and principle, faith and doubt, bravery in the face of certain defeat, hard choices, and the qualities of leadership that made those men great. Their wisdom, contained in their words and actions, is an immortal testament to their dignity, character and bravery.

The Divine Inquiry Sanford Zensen, 2023-01-10 Jesus had a lot to say about the way we live out our daily lives. In the process, he asks a lot of questions that are insightful, penetrating, and thought-provoking, all demanding an honest appraisal of oneself and an appropriate, life-changing response. He asks the same questions today. For example, Why are you so afraid? What do you want me to do for you? What good will it be for a man if he gains the whole world, yet forfeits his soul? This book explores a sampling of the questions Jesus asked, as he walked the streets of the ancient world. Every divine inquiry was/is designed to confront, convict, challenge, conform, and/or comfort (cf John 16:7-13) His listeners. His intention has always been the same - to give us a fresh, new set of eyes with which to assess our individual lives, address areas of personal weakness, encourage spiritual and emotional maturity, and press us to apply practical life-principles that actually work in everyday living. His purpose is discipleship, Christlikeness. His objective is to move us to consider the deepest of truths regarding the person I am, the person I could be, and the person I must be.

Richard S. Ewell Donald C. Pfanz,2000-11-09 General Richard Stoddert Ewell holds a unique place in the history of the Army of Northern Virginia. For four months Ewell was Stonewall Jackson's most trusted subordinate; when Jackson died, Ewell took command of the Second Corps, leading it at Gettysburg, the Wilderness, and Spotsylvania Court House. In this biography, Donald Pfanz presents the most detailed portrait yet of the man sometimes referred to as Stonewall Jackson's right arm. Drawing on a rich array of previously untapped original source materials, Pfanz concludes that Ewell was a highly competent general, whose successes on the battlefield far outweighed his failures. But Pfanz's book is more than a military biography. It also examines Ewell's life before and after the Civil War, including his years at West Point, his service in the Mexican War, his experiences as a dragoon officer in Arizona and New Mexico, and his postwar career as a planter in Mississippi and Tennessee. In all, Pfanz offers an exceptionally detailed portrait of one of the South's most important leaders.

Stand To Shawn Brower,2021-02-02 Like a soldier awake, alert, ready for action as he responds to the STAND TO call knowing every moment is critical and his engagement is a necessity, so every man must know that he too is being counted on to courageously follow God's specifically designed purpose and plan for his life. Men are hardwired for action, and we learn best by doing. STAND TO invites men to accept personal challenges and live intentional, creed-driven lives in the presence of God (Coram-Deo), under His authority, and for His glory! Too often, silence, apathy, hesitation, or withdrawal from worthy engagements cause a man's true identity and strength to be suppressed. STAND TO flips this narrative! STAND TO shares from God's Word our striking resemblance to our Warrior King who has also experienced intense suffering from missional living. This King offers backbone-stiffening courage in the face of fear, strength without compromise, and the model for sacrificial living despite the cost. Knowing our King goes before us in the battles and challenges enables us to confront and overcome them as well. Each chapter provides men specific 'courage challenges' to DO. This is critical! Soldiers in battle are trained and equipped to courageously engage in the good conflict and move towards the action. Such present and engaged men are needed in their relationships and their significant calling from God. In the words of Thomas Jefferson, "Do you want

to know who you are? Don't ask. Act! Action will delineate and define you!" STAND TO IS GOING TO LIGHT YOUR HAIR ON FIRE! This incredibly interesting and readable book is destined to reach a whole new generation of men who want their lives to count and make a difference. It's that good! —PATRICK MORLEY, PhD, Founder, Man in the Mirror For years, Shawn has been training boys to be men, and this book proves he's the kind of guide we need right now. —JOHN STONESTREET, President of the Colson Center for Christian Worldview and host of Breakpoint Men who would "stand up for Christ" and "stand firm in Christ" would benefit from being saturated in Dr. Brower's volume STAND TO - a weighty yet engaging exposition of Christ-exalting Biblical masculinity. Enjoy and profit! —HARRY L. REEDER III, Sr. Pastor, Briarwood Presbyterian Church It's time men of God need to stand up not down. Shawn Brower points to God's standard of masculinity and invites men to embrace who God designed us to be. —RICK BURGESS, Co Host of the Rick and Bubba Show and Director of TheManChurch.com This book helps men, young and old, to courageously pursue, accept, and act on God's masculine design, to image Jesus...A must read for every man. —MITCH TEMPLE, Executive Director / CoFounder - The Fatherhood Commission Stand To was a hallmark of hope and heaven-sent pushing and probing. I am drawing upon its resources multiple times in a week and sometimes in a day. —JOSEPH V. NOVENSON, Pastor of Sr. Adults, Lookout Mountain Presbyterian Church
