Elevate and Dominate Deion Sanders, 2025-09-02 From “national treasure” (Steve Harvey) Deion “Coach Prime” Sanders, the ultimate playbook of inspiring personal stories, winning strategies, and the motivation required to help us “elevate and dominate” in all aspects of our lives. A natural-born leader, Deion Sanders demands and expects the best from himself and from those around him, never settling for anything less. Whether it’s dealing with intense pressure, using the competition to his advantage, or navigating personal challenges—both physical and emotional—Sanders has conquered it all by applying the hard-earned principles he’s learned throughout his life and career. The twenty-one ways to win here are based on the motivational stories and experiences of Sanders’s incredible life, including being raised by a single mother who sacrificed and worked nonstop to support her family, being enshrined in the Pro Football Hall of Fame, earning his place as a head coach with a Division I football team, and being a dedicated father of five accomplished children. His inspirational messages reach far beyond the world of sports because they are based on deep faith, respect for himself and others, and an unflagging commitment to that which he believes in. They are designed to help anyone who is looking to improve the quality of their life, whether it be in business and leadership, relationships and partnership, or parenting and family. “Learn here how to win from an absolute and verifiable winner” (Dr. E. Dewey Smith, pastor and author).

Males, Nails, Sample Sales Stephanie Pierson,2006-09-25 What your mother, Oprah, and Martha never told you Let's face it: we live in a complicated world. Lands' End has a swimsuit anxiety zones area on its website; a moisturizer can cost more than a weekend in Paris; they can send a man and a monkey into space, but they still can't find a cure for split ends. Clearly, we all need essential life skills and operating instructions. But why should you have to learn from hard-won experience when Stephanie Pierson is willing to give you her vast life experience and wisdom (and share some of her more humiliating life lessons)? This smart, funny, fabulous book will get you everything from a juicier chicken to a less hostile hairdresser. Read it and you will know what not to order from room service (eggs Benedict) to what never goes out of fashion (a crisp white shirt) to what is never in fashion (socks and Birkenstocks worn together). You'll know when a man isn't a keeper (he knows more Sondheim lyrics than you do), how to buy a house (location, location, location), how to assess an Oriental rug (condition, condition, condition), how to get the best price from the wedding caterer (say it's for a funeral), and how to get the dog in a custody battle (keep a dog-walking journal).

Heart Wide Open Stacey Sanderson,2024-05-22 As a practising psychotherapist, Stacey Sanderson takes a holistic and trauma-based approach to healing in her work with clients who are—or have been—involved in narcissistic relationships. In Heart Wide Open: A Holistic Guide to Narcissistic Recovery, she delves into the roots and consequences of such relationships

through a comprehensive examination of a number of factors, including attachment theory, family dynamics, and early childhood trauma. At times, Stacey draws upon her own personal experience of recovery to bring her point poignantly home. The book includes a series of self-directed exercises, or "Journal Prompts," to help readers develop a deeper understanding of the dynamics of toxic relationships in their own lives. With Stacey's guidance, this self-delving leads readers toward self-compassion and healing through what she refers to as "Compassionate Detachment." *Heart Wide Open: A Holistic Guide to Narcissistic Recovery*, written in down-to-earth accessible language, is a must-read for those who want to learn more about narcissism and narcissists, their own personal relationship patterns, and how they can create powerful interpersonal boundaries to facilitate healing. The emphasis is on recovering the vital aspects of the self that had to be hidden in order to survive the relationship. Now, it's time to break free of unhealthy cycles to make room for the love you deserve.
