The 4-Hour Body Timothy Ferriss, 2010-12-14 #1 NEW YORK TIMES BESTSELLER • The game-changing author of *The 4-Hour Workweek* teaches you how to reach your peak physical potential with minimum effort. “A practical crash course in how to reinvent yourself.”—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers.

Summary of The 4-Hour Workweek Alexander Cooper, 2021-11-10 Summary of The 4-Hour Workweek - A Comprehensive Summary Being financially rich and having the ability to live like a millionaire are two fundamentally different concepts. Similarly, the thing that differentiates deferrers (D) and newly rich (NR) is that the Ds save everything good and worthwhile for the end and are surprised by how sooner it comes whereas the NRs abandon this deferred-life plan and create luxury lifestyle in the present using time and mobility. The NRs are distinguishable from the crowd based on their goals, which reflect very distinct priorities and life philosophies. While the Ds work for themselves, the NRs have others work for them. While the Ds work when they want to, the NRs have the concept of working the minimum necessary for the maximum effect. While the Ds want to buy all the things that they want to, the NRs focus on doing all the things they want to do. While the Ds want to be the boss, the NRs neither aspire to be a boss nor an employee but want to be an owner. And finally, while the Ds just want to have more, the NRs want to have more quality than quantity and that with a purpose too. Practically speaking, money can multiply depending on the number of W's you can control; what, when, where and with... To be continued... Four Hour Work Week Toolbox George Smolinski, Meg Smolinski, 2015-12-18 Tim Ferriss is my hero. Tim, if you're reading this, your book has inspired millions including me. You have taught us a new way to live and for that, we are appreciative. But, you missed a few details, my friend. For any of us that have read The 4 Hour Work Week book (and dream of a four hour work day), we know the value of instilling Tim's methods in our lives. But, there's something lacking in his book. He explains the why, but in many instances, he leaves out the how. That's where this book comes in to play. In 2011, I had an enormous, life-changing event, and it made me take stock of my life. I realized I needed to change, and Tim's book fell on the fertile soil of my brain. His ideas grew and blossomed, and I've embraced his ideas and concepts in all areas of my life. I know that many of you struggle with the how, and that's exactly how I want to help you: I want to give you the how to complement the why in Tim's book, and those efforts are reflected in this book. Its not complete, though, and it may never be. Technology changes rapidly, and although I'm publishing this today, in 3 years, these ideas may be obsolete. Rest assured, I'll work on publishing an updated version, but use these concepts and ideas to get started NOW. Learn the how in order to complement the why and you'll be able to adapt to the changing field of living the New Rich life no matter what changes take place in our world. With that, I give you the how. Start changing your life today, and Tim, thanks again. tags: four hour work week, four hour work week book, four hour work day, four hour work week kindle, four hour workweek, 4 hour work week, 4 hour work week book
