Motivational Quotes By Vince Baker & Smith Wigglesworth Vince Baker,2025-02-28 IT'S AMAZING HOW A SMALL ONE-LINER QUOTE CAN CHANGE THE WORLD! It all started when I was seventeen, driving in my car. God manifested Himself to me in such a powerful way that it was undeniable. After this experience, I asked my mom to lead me to the Lord; at that time, she was also having a revival of her own with the Lord. Within a few days, it was my birthday, and my grandmother gave me a book about Smith Wigglesworth called The Secret of His Power. This book so impacted me and set the course of my Christian life. From many of the things I read about in Smith Wigglesworth's life, God started talking to me more about what He wanted to do in my life. The catch was that it wouldn't happen until later in my life. A part of my preparation came in the form of quotes. I wrote down and studied quotes from Smith Wigglesworth that highly impacted my life. One of his famous quotes is, "I am not moved by what I see or hear but by what I believe." If you know anything about Smith Wigglesworth, you will find he came up with many powerful quotes. He would say these one-liners that could infuse faith in people. What made them so impactful was the life he lived and the miracles God did through him. As time passed, one day, God said to me, "Why don't you come up with your own quotes." This was such a novel idea that I had never thought about. What happened next was utterly amazing! God started downloading me with quotes, and I couldn't write them down fast enough. Whenever the quote would come to me, I would make sure not to lose it. This went on for years, and it still happens to me. I believe I have somewhere around 1,500 quotes now, and all of them came from God. The closest person I can relate to is King Solomon. When God gave King Solomon wisdom, he wrote down over 3,000 Proverbs. A quote is close to a proverb. God gave me quotes like He gave King Solomon's proverbs. I cannot take any credit for the quotes in the book. I give God ALL the glory. Whenever I go back over the quotes God gave me, they continue to affect me profoundly. History is filled with men and women of God, legends, and influential people who created and spoke inspirational quotes. If you are going to do anything significant for God, you will need to have your own set of quotes you live by. You are affected by quotes more than you realize! You can learn a lot about a person by the quotes they come up with or think about. The greater the quotes a person thinks about, the more success they will have. You must create and live by motivational quotes to leave a lasting

legacy. In this book, you will discover many life-changing quotes designed to alter your Divine destiny when you live by them. **DISCOVER THE POWER OF MOTIVATIONAL QUOTES:** Great quotes can pack a lot of power in a time of need! My 52 Weeks of Worship Ekpedeme M. Bassey, 2012-02-29 Suffering the loss of her father and grandmother, and dealing with the ending of a relationship left the author tired, bereft, disappointed, emotionally drained, and feeling like God had forgotten her. She wondered what she could do to heal from this holy triumvirate of personal pain. She decided that spirituality would be the context from which she would make her journey back to herself. If she felt like God had forgotten her, then she would look for him everywhere and in the eyes of everyone she met. She made a commitment to visit a different place of worship every week for a year, whether that place of worship reflected her religious tradition or not. In total, she visited sixty-one churches, temples, mosques, synagogues, and gathering places in the United States, Mexico, the United Kingdom, Nigeria and South Africa. *My 52 Weeks of Worship* is the story of one woman's courageous journey. Read and see will her journey lead her to deep, dark places in her soul or help her find peace and acceptance?

FAMOUS SUCCESS QUOTES Aberdin Louis,2016-01-18 believe in everyone who has goals they are willing to work hard to attain. I have learned over the years that you have to have a vision that feels so vivid that it is true before it ever manifests in real life. Everyone who asks me what, how or when to pursue their goals I say to them this: you have already accomplished most of what you are trying to do because you know what you want. The other 50% is working as much as it takes to attain and maintain your vision. Lastly, when it comes to money, the preservation of wealth is as or more important than the accumulation of wealth. Think of all of this as you set out on your journey to make your vision a reality. The benefits of positive emotions don't stop after a few minutes of good feelings subside. In fact, the biggest benefit that positive emotions

provide is an enhanced ability to build skills and develop resources for use later in life.
