It isn't long for a succession of ex-Special Forces operatives die in mysterious circumstances. As he himself becomes a target, it becomes clear that the death of Burns is part of a much bigger plot by a vengeful foreign government, one that threatens to wipe out not only Reznick, but also hundreds of innocent American lives--Amazon.com. When black-ops specialist Jon Reznick receives a voice mail from FBI assistant director Martha Meyerstein, hoping to explore their relationship outside of the federal government, Jon starts to imagine a new future, one where he can leave his past behind. But an unhinged killer with a grudge has other plans. He's setting a trap for Reznick, one he knows the operative won't be able to resist. In a picturesque fishing village on the Mediterranean coast, a luxury yacht has gone up in flames. Was it a terrible accident or something much more sinister? Jon Reznick must travel overseas, to find out what's happened to Martha and seek revenge on the psychopath who has put Reznick's entire future in jeopardy. Jon will need all the help he can get to bring him to justice. Fresh out of Quantico, Reznick's daughter, Lauren, joins him against his wishes, along with hacker Trevelle Williams. But government operatives from across the globe have descended on this quiet vacation destination and will stop at nothing to prevent the truth from coming out.

Requiem J. B. Turner, 2018-11 Nothing and no one can stop assassin Nathan Stone. When black-ops asset Nathan Stone took out the heads of the Commission, a secret deep-state organization, he thought he'd destroyed them for good. Now he's gone off the grid, trying to get as far away from his past as possible. But the Commission isn't done with him yet. Lying low in a Miami bar, Stone knows something's up when an alluring actress strikes up a conversation with him. His suspicions are correct. The Commission is hot on his trail, and Stone is soon forced to run deep into the heart of the Everglades with the

terrified woman as his hostage. He's the Commission's number one target--and this time nothing will stop them from eliminating him. But Nathan Stone is no ordinary target. The crew of mercenary assassins on his heels have no idea what's in store for them on the River of Grass. Because the hunt is on, and they picked the wrong prey.

Hard Target J. B. Turner, 2020 A threat inside the government. A whistleblower's life on the line. It's up to Jon Reznick to bring justice. When hacker Trevelle Williams discovers documents that threaten national security and put his life in jeopardy, there's only one person he can turn to--Jon Reznick. Williams has learned that Rosalind Dyer, a key congressional witness, is about to be killed in order to stop her testimony. She has stumbled into the middle of a cover-up that goes deep into the United States government. Dyer knows her days are numbered, but that won't stop her from doing what she has to do. Trevelle Williams has helped Jon out of many a scrape in the past. Now, Jon is the only person he can turn to for help saving Rosalind's life, as well as his own, and protecting national security in the process. With enemies on all sides, including within the United States government, can Jon and Trevelle get to Rosalind in time? They're her only hope to escape her pursuers and bring these secrets to light.

Rogue J. B. Turner, 2018 Nathan Stone was killed in action while serving as a covert CIA operative--or so everyone thought. Its number-one target is Senator Brad Crichton, an ambitious politician with growing support--Back cover.

Reznick's old friend had been desperately trying to get his little girl back when he was viciously tortured and murdered. Determined to track down the missing teen as well as Angel's killers, Reznick uncovers one dirty secret after another beneath the glamour and bright lights of Los Angeles. But when his fearless methods attract the attention of a ruthless Mexican cartel, Reznick is on borrowed time. But a late-night visit from the Secret Service lands Jack on the other side of the table--as a suspect in the disappearance of his estranged wife, Caroline, a prominent reporter on the White House beat. When her body is found floating in the Potomac, Jack is overcome by disbelief and despair. Her death seems eerily similar to the suspicious fatality of a young socialite years before. Is the similarity of the two tragic incidents simply a coincidence, or could it be a sign of a murderous orchestrated plot to protect those in the highest echelons of the American government? To avenge Caroline's death, Jack embarks on a journey into the darkest recesses of power. Suspects abound--from haunted special forces soldiers to ex-CIA to the president's own body man. Along the way, Jack will be forced to decide: Is there a line he won't cross to expose the killer?

The team believes that there may be a terrorist group - perhaps Islamists - who have kidnapped him, as the diplomat's area of expertise is the Persian Gulf. But Reznick is training his sights on an unlikely candidate - a leading Washington DC surgeon. But as the team itself comes under attack, and the 9/11 commemoration approaches, it becomes clear that the kidnapping is part of a much bigger plot, one that threatens not only New York, but the whole country too.

Edmund J. James and the Making of the Modern University of Illinois, 1904-1920 Winton U Solberg,J. David Hoeveler,2024-11-12 In 1904, Edmund J. James inherited the leadership of an educational institution in search of an identity. His sixteen-year tenure transformed the University of Illinois from an industrial college to a major state university that fulfilled his vision of a center for scientific investigation. Winton U. Solberg and J. David Hoeveler provide an account of a pivotal time in the university's evolution. A gifted intellectual and dedicated academic reformer, James began his tenure facing budget battles and antagonists on the Board of Trustees. But as time passed, he successfully campaigned to address the problems faced by women students, expand graduate programs, solidify finances, create a university press, reshape the library and faculty, and unify the colleges of liberal arts and sciences. Combining narrative force with exhaustive research, the authors illuminate the political milieu and personalities around James to draw a vivid portrait of his life and times. The authoritative conclusion to a four-part history, Edmund J. James and the Making of the Modern University of Illinois, 1904-1920 tells the story of one man's mission to create a university worthy of the state of Illinois.
