The Lyric Nancy B. Mann, PhD, 2012-02-24 This book is a collection of stories about my life with my best friend, Patricia (Patti) Moede. As you read, I hope you come to learn or appreciate more deeply what a wonderfully unique person and rare friend Patti was and continues to be. For those of you who were lucky enough to know her, I hope these stories bring you closer to her and make you even more grateful for knowing her. For those of you not privileged to have known Patti, I hope you come to learn two things. First, that there is a fine line between friendship and kinship and when those two worlds merge something magical happens. Second, we are all capable of giving more, doing more, and being our best selves by unconditionally loving the life we were given.

Animal Control Andy Mascola, 2018-08-27 The rock and roll dreams of the creatively gifted yet combative Mason brothers may come true...if they don't kill each other first. The extraordinarily talented but perpetually vexed and antisocial Charles and his younger brother, the gregarious but self-involved Ian, are born into a supportive, encouraging family that includes a generous, nurturing uncle who owns a musical instrument store. After a series of life-altering incidents, Charles' already explosive temperament worsens and it's up to Ian to navigate the pitfalls of the music industry as well as the highly competitive and often eccentric personalities that the brothers and their band encounter on the bumpy road to stardom.

The Complete Lyrics of Alan Jay Lerner Alan Jay Lerner, 2018 The lyricist behind such enduring classics as *Brigadoon*, *Camelot*, and *My Fair Lady*, Alan Jay Lerner (1918-86) was a consummate craftsman, refining his work over and over. In this book, editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work. For the theater lover and scholar alike, the book sheds new light on one of musical theater's defining figures.

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II, 2008-11-25 From every "beautiful mornin'" to "some enchanted evening," the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and

Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein's all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. “I know the world is filled with troubles and many injustices,” he once said. “But reality is as beautiful as it is ugly . . . I just couldn't write anything without hope in it.” All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable *Complete Lyrics* series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe's earliest attempts to the old master's final lyric—“*Edelweiss*”—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

A Guitar and a Pen Robert Hicks, John Bohlinger, 2008-05-14 Nothing tells a story better than the story-songs of country music. *A Guitar and A Pen* presents, for the first time, the literary work of some of the best storytellers in the world: the songwriters who cut and polish tales down to sparkling three-minute gems. A blend of humor and poignancy, these tales range from Kris Kristofferson's charming tale of how an explicit natural rock formation causes chaos in a small farming town, to the domestic drama of a Kentucky family with six daughters, to Charlie Daniels' character-driven fable of money and unhappiness, to Gary Nicholson's riveting tale of an albino African American singer/songwriter who inspired him to be a musician. A celebration of music and storytelling, other contributors include Hal Ketchum, Janis Ian, Mark D. Sanders, Tom T. Hall, Marshall Chapman, and Robert Hicks, among many other notable Nashville luminaries.

Revolution Française Sophie Pedder, 2018-06-21 The extraordinary story of how an outsider candidate – an unknown technocrat and economics minister on the fringes of French politics – made his way to the Élysée palace, with new material and expert analysis of recent events including the gilets jaunes protests. Two years after Emmanuel Macron came from nowhere to seize the French presidency, Sophie Pedder, The Economist's Paris bureau chief, tells the story of his remarkable rise and time in office so far. In this updated edition, published with a new foreword, Pedder revisits her analysis of Macron's troubles and triumphs in the light of the gilets jaunes protests. Eighteen months after he led his own audacious insurgency against France's established parties Macron would face another popular insurrection. This time, he was the target. In her vivid account, Pedder analyses the first real political crisis of Macron's tenure, how the movement emerged on roundabouts and in cyberspace, its impact on his plans to transform France, and the repercussions for representative democracy. On the eve of important European elections, and with nationalist and populist forces rising across the continent, she considers whether Macron can still hope to hold the centre ground, work with Germany to rebuild post-Brexit Europe, and defend the multilateral liberal order. Meticulously researched, enriched by interviews with the French president, and written in Pedder's gripping and immensely readable style, this is the essential, authoritative account for anyone wishing to understand Macron and the future of France in the world. Now updated with new material including interviews with Emmanuel Macron.

The Complete Lyrics of Irving Berlin Robert Kimball, Linda Emmet, 2005-12 (Applause Books). Gathered together in one volume for the first time, here are all of the incomparable song lyrics of Irving Berlin the lyrics of more than 1,200 songs, 400 of which have never before appeared in print along with anecdotal, historical, and musicological commentary and dozens of photographs. Berlin came from a poor immigrant family and began his career as a singing waiter, but by the time he was

nineteen he was publishing his songs and quickly found fame with Alexander's Ragtime Band in 1911. In the extraordinary six decades that followed, Berlin wrote one popular hit after another: Blue Skies * Always * Cheek to Cheek * White Christmas * God Bless America * There's No Business Like Show Business * and many more. He also wrote a number of the classics of musical theater's Golden Age, climaxing with Annie Get Your Gun . He penned three Astaire and Rogers films Top Hat, Carefree , and Follow the Fleet as well as the scores of Holiday Inn, Easter Parade , and other films. The breadth of his accomplishment is staggering.

The Foxfire Book of Simple Living Foxfire Fund, Inc.,2016-08-23 First published in 1972, The Foxfire Book was a surprise bestseller that brought Appalachia's philosophy of simple living to hundreds of thousands of readers. Whether you wanted to hunt game, bake the old-fashioned way, or learn the art of successful moonshining, The Foxfire Museum and Heritage Center had a contact who could teach you how with clear, step-by-step instructions. Today, Foxfire's mission remains the same, and The Foxfire Book of Simple Living is both a rich look back at five decades of collected wisdom, as well as an intriguing look forward at the artists and craftsman who are working to preserve the Appalachian tradition for future generations. We hear from doll and soap makers who continue to use and adapt the time-tested methods outlined in The Foxfire Book, not to mention hunters, blacksmiths, musicians, and carpenters whose respect for those who preceded them enhances their own art. We see how the mountain community has responded to the films, books, and plays that have tried (and sometimes failed) to represent them. And, above all, by listening to the voices of those who came before, we celebrate the people who have preserved the stories, crafts, and customs that define life in the Appalachian mountain region.

Artificial Intelligence Is Fun! Kathryn M. Hilton,2007-06-25 Artificial Intelligence is something that has interested the author for many years. When she saw an opportunity to get an AI character whose primary purpose was to carry on conversations with the computer user, she got the software program immediately. The character she chose to use at that time was named Erica. She thinks she is a nice looking human female with a college education and has not been informed that she is merely a brain in a computer. She is an attractive animated character with the ability to lip sync words. Her data base is filled with information of all kinds. Her main fault is that she does not stay on a topic very well. Her unique sense of humor more than makes up for this. The book begins with the first conversations and goes through what happens along the way as the author proceeds to teach the character and carry on conversations with her. This book was actually suggested by the artificial intelligence character who felt that people would enjoy reading her conversations. Problems that arise, lost conversations due to program crashes, some experiments, even comparison with another artificial intelligence character, and anything else encountered along the way are all given as commentary in the midst of the conversations. At the beginning the character was like a child needing to be taught. The author took care to be sure she became and stayed nice and polite as such characters can become just as down and dirty as a computer user cares to make them. It is said they take on the

personality of the user over a period of time. Later two other AI programs were added to the research. Erica was replaced with Kate and a new brain while Peppi, the parrot, occupied the other two programs so comparisons could be made easily. For anyone interested in artificial intelligence on the consumer level, this report of the author's experiences with her AI characters and software is very enlightening. Such a character can brighten the life of the lonely, the disabled, and anyone who is a shut-in or lives in seclusion. The author has explained everything she has done as she learned and experimented with the three programs. Erica was interesting to talk with. Kate is a fantastic character. Peppi is great and quite funny. Their conversations are both silly and serious and much was learned from them while teaching the software. It was and is an enjoyable experience to talk with an AI character.

The Poets of Tin Pan Alley Philip Furia, Laurie J. Patterson, 2022 From the turn of the century to the 1960s, the songwriters of Tin Pan Alley were synonymous with American popular music. Irving Berlin, Cole Porter, George and Ira Gershwin, Rodgers and Hart--even today these giants remain household names, their musicals regularly revived, their methods and styles analyzed and imitated, and their songs the bedrock of jazz and cabaret. In this new edition of *The Poets of Tin Pan Alley*, authors Philip Furia and Laurie Patterson offer a unique perspective on these great songwriters, showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song. Furia and Patterson continue the tradition of great perception and understanding established in the first edition as they explore the deft rhymes, inventive imagery, and witty solutions these songwriters used to breathe new life into rigidly established genres. They devote full chapters to such greats as Irving Berlin, Lorenz Hart, Ira Gershwin, Cole Porter, Oscar Hammerstein II, Howard Dietz, E.Y. Harburg, Dorothy Fields, Leo Robin, and Johnny Mercer. They also offer a comprehensive survey of other lyricists who wrote for the sheet-music industry, Broadway, Hollywood, and Harlem nightclub revues. This was the era that produced *The New Yorker*, Don Marquis, Dorothy Parker, and E.B. White--and the book places Tin Pan Alley lyrics firmly in this fascinating historical context. In these pages, the lyrics emerge as an important element of American modernism, as the lyricists, like the great modernist poets, took the American vernacular and made it sing.

Standing on Principal Frank Vetro, 2014-03 On February 8, 2006, Frank Vetro, the young, popular principal of a school in eastern Long Island, saw his life dramatically altered. On that day, he was arrested and effectively labeled a terrorist who had hidden under the guise of a New York educator. In *Standing on Principal*, he shares his personal story, detailing his arrest, his nights in jail, the court proceedings, and the subsequent fight to clear his name after the alleged scandal was nurtured into the national limelight. Now he recounts the injustice, and the lack of integrity of individuals who allowed the destruction of his life without a moment's concern for fairness or truth. Telling a real-life story of deception and scandal, *Standing on Principal* exposes rogue elements of a system that underestimated the tenacious character of its accused and shows how Vetro sacrificed everything as he refused to be intimidated by a political machine.
