Dimensions of Laughter in Crime and Punishment John Spiegel, 2000-05 Since human laughter served, in a sense, as Dostoevsky's model, the author pays some heed to the highly controversial subject of real-life laughter, along with the leading theories that seek to elucidate its causes and implications..

Dostoevsky's "Crime and Punishment" Deborah A. Martinsen, 2022-02-22 Crime and Punishment: A Reader's Guide focuses on narrative strategy, psychology, and ideology. Martinsen demonstrates how Dostoevsky first plunges the reader into Raskolnikov's fevered brain, creating sympathy for him, and she explains why most readers root for him to get away from the scene of the crime. Dostoevsky subsequently provides outsider perspectives on Raskolnikov's thinking, effecting a conversion in reader sympathy. By examining the multiple justifications for murder Raskolnikov gives as he confesses to Sonya, Dostoevsky debunks rationality-based theories. Finally, the question of why Raskolnikov and others, including the reader, focus on the murder of the pawnbroker and forget the unintended murder of Lizaveta reveals a narrative strategy based on shame and guilt.

The Originals: Crime and Punishment Fyodor Dostoevsky, 2018-07-05 Rodion Romanovitch Raskolnikov, a brilliant yet conflicted student lives in a rented room of a run-down apartment in St. Petersburg. Extremely handsome, proud, and intelligent, Raskolnikov devises a peculiar theory about "intelligent" men being above law. To execute his theory, he contemplates committing a crime. He murders a cynical and an unscrupulous pawnbroker named Alyona Ivanovna and her sister Lizaveta. The act compels Raskolnikov to negotiate and reconcile with his own moral dilemmas. Fyodor Dostoevsky's incisive psychological analysis of his protagonist goes beyond Raskolnikov's criminal act, and covers his perilous journey from suffering to redemption. First published in The Russian Messenger in monthly instalments during 1866, Crime and Punishment, Dostoevsky's second novel following his return from exile in Siberia, is a powerful revelation of the human condition. Is crime acceptable in the pursuit of a higher purpose?

The Notebooks for Crime and Punishment Fyodor Dostoyevsky, 2017-05-17 Key to understanding Dostoyevsky's masterpiece offers facsimile pages plus interpretations of the author's schematic plans of major portions of the novel, deleted scenes, reflections on philosophical and religious ideas, more.

Saul Bellow Against the Grain Ellen Pifer, 1991-06 Pifer contends that Bellow's fiction is fundamentally radical. Going against the grain of contemporary culture and its secular pieties, he undermines accepted notions of reality and challenges the orthodoxies created by materialist values and rationalist thought. Charged by his belief in the soul, his 10 novels test the assumptions of traditional realism. Pifer stresses the importance to Bellow of the invisible world, the longing for revelation, and the capacity to love and to suffer. She also shows how Bellow's hero is a man torn between his modern predilection for secular rationalism and a primordial attachment to the soul, and how he is led to demolish reigning idols of contemporary thought and culture. Crime and Punishment Fyodor Dostoevsky, 2017-08-26T20:30:00Z Crime and Punishment tells the story of Rodion Raskolnikov, an ex-student who plans to murder a pawnbroker to test his theory of personality. Having accomplished the deed, Raskolnikov struggles with mental anguish while trying to both avoid the consequences and hide his guilt from his friends and family. Dostoevsky's original idea for the novel centered on the Marmeladov family and the impact of alcoholism in Russia, but inspired by a double murder in France he decided to rework it around the new character of Raskolnikov. The novel was first serialized in *The Russian Messenger* over the course of 1866, where it was an instant success. It was published in a single volume in 1867. Presented here is Constance Garnett's 1914 translation. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Crime and Punishment Fyodor Dostoyevsky, 1914

Crime and Punishment Fyodor Dostojewski, 2023-01-06 Rodion Raskolnikov is young, poor... and ambitious. He is convinced of the idea that big people must take what is rightfully theirs and that this distinguishes them from the little people. They are even allowed to destroy life unworthy of life. He argues with commanders like Napoleon: if they leave the field as victors, history remembers their great deeds and not the many thousands of murders that went along with them. When, with this thought in his heart, he kills an old usurper and her sister, however, he realizes that the human psyche does not readily embrace this tangled logic. Gröls Classics - English Edition

Crime & Punishment Fyodor Dostoyevsky, 1923

Crime and Punishment Dostoyevsky F., Crime and Punishment is one of the greatest and most readable novels ever written. From the beginning we are locked into the frenzied consciousness of Raskolnikov who, against his better instincts, is inexorably drawn to commit a brutal double murder.

Dostoevsky's Crime and Punishment Robert Guay, 2019-04-26 The gruesome double-murder upon which the novel Crime and Punishment hinges leads its culprit, Raskolnikov, into emotional trauma and obsessive, destructive self-reflection. But Raskolnikov's famous philosophical musings are just part of the full philosophical thought manifest in one of Dostoevsky's most famous novels. This volume, uniquely, brings together prominent philosophers and literary scholars to deepen our understanding of the novel's full range of philosophical thought. The seven essays treat a diversity of topics, including: language and the representation of the human mind, emotions and the susceptibility to loss, the nature of agency, freedom and the possibility of evil, the family and the failure of utopian critique, the authority of law and morality, and the dialogical self. Further, authors provide new approaches for thinking about the relationship between literary representation and philosophy, and the way that Dostoevsky labored over intricate problems of narrative form in Crime and Punishment. Together, these essays demonstrate a seminal work's full philosophical worth—a novel rich with complex themes whose questions reverberate powerfully into the 21st century.

Crime and Punishment Fyodor Dostoyevsky, 2008-01-01 Could an ordinary person, with no hint of malice and no motive but discovering what it feels like to do it, plot to kill and then actually murder a total stranger? What if the stranger were a

thoroughly unlikable person hated by everyone who came into contact with her? One of the great novels of world literature, *Crime and Punishment* is a thriller of the conscience, one that wrangles with morality and its uses-or lack thereof-in the depths of poverty. Russian novelist FYODOR MIKHAILOVICH DOSTOEVSKY (1821-1881) conceived the character of his putative hero, the impoverished student Raskolnikov, while he himself was struggling under the burden of massive debt, and turned his ethical dilemmas into a literary detective story of the highest order, one in which the criminal seeks to discover his own motives for his terrible deed. Renowned for its invention of a more intimate kind of third-person narration, and featuring narrative manipulations of time and memory that anticipate the works of authors such as Henry James, Virginia Woolf, and James Joyce, this classic novel remains essential reading for all lovers of great literature. This edition presents the acclaimed 1914 translation by English writer CONSTANCE CLARA GARNETT (1861-1946), who introduced many of the great Russian novelists to the British and American public.

Postcolonial African Migration to the West Belachew Gebrewold, 2024-07-04 Postcolonial African migration to the West is not only a spatial movement in search of material and physical security but also an expression of the mimetic desire for being by imitating the West or “whitening” oneself against the background of the dehumanizing historical legacies of slavery, colonialism, and Western dominance. It is a flight from oneself, from perceived inadequacies. To migrate to the West is an expression of the desire for being, not through detachment from the “fascinating” West but rather through adoration and imitation of its lifestyle, beauty ideals, and soft and hard power, and by living in the West. The model (the West) builds ubiquitous anti-migrant physical and virtual fences, which the imitator tries to overcome. The more the model re-strengthens these fences, the more the imitator tries to scale them. The anti-migrant fences are the meeting point of the model’s perceived superiority, admirability, and desirability on the one hand, and on the other hand the imitator’s inferiority complex and inner tension between the paradoxical desire for detachment from the model and its passionate imitation at the same time. This book argues that African migration to the West will continue even in the absence of poverty, conflicts, and climate change because it is also about the mimetic desire for being.

Dostoevsky George Santayana, 2017-07-05 Andre Gide once said that Feodor Dostoevsky lost himself in the characters of his books, and, for this reason, it is in them that he can be found again. In *Dostoevsky: The Author as Psychoanalyst*, Louis Breger approaches Dostoevsky psychoanalytically, not as a patient to be analyzed, but as a fellow psychoanalyst, someone whose life and fiction are intertwined in the process of literary self-exploration. Raskolnikov's dream of the suffering horse in *Crime and Punishment* has become one of the best known in all literature, its rich imagery expressing meaning on many levels. Using this as a starting point, Breger goes on to offer a detailed analysis of the novel, situating it at the pivotal point in Dostoevsky's life between the death of his first wife and his second marriage. Using insights from his psychological training, Breger also explores other works by Dostoevsky, among them his early novel, *The Double*, which Breger relates to the

nervous breakdown that Dostoevsky suffered in his twenties, as well as Notes from Underground, The Possessed, The Idiot, The Brothers Karamazov, and so forth. Additionally, details from Dostoevsky's own life - his compulsive gambling, his epilepsy, his philosophical, political, religious, and mystical beliefs, and the interpretations of them found in existing biographies - are analyzed in detail.
